

RESOLUTION 91 - 27

WHEREAS, The Florida Legislature enacted the 1988 Solid Waste Act requiring landfill to reduce there waste stream by 30% by 1994, and

WHEREAS, Construction and Demolition waste makes up 25% of the waste going into the St. Johns County Landfill, and

WHEREAS, The St. Johns County Association of Retarded Citizens (ARC) has established two operations to handle C&D waste. One to remove the waste from construction sites and the other to recycle the materials collected, and

WHEREAS, These operations provide jobs for the mentally retarded citizens of St. Johns County, and

WHEREAS, the ARC removal operation has removed 82.5 tons of C&D material in 3 months from the waste stream, with minimal equipment, and

WHEREAS, the ARC has requested funds from the Florida Legislature to purchase equipment for the removal and recycling operations, therefore

NOW BE IT RESOLVED, The St. Johns Board of County Commissioners support the St. Johns County ARC request to the Florida Legislature for an appropriation for a Construction and Demolition Recycling Project.

ADOPTED this 12th day of February, 1991.

BOARD OF COUNTY COMMISSIONERS
ST. JOHNS COUNTY, FLORIDA
