

RESOLUTION NO. 95-110

A RESOLUTION OF THE BOARD OF COUNTY COMMISSIONERS  
OF ST JOHNS COUNTY, FLORIDA REVISING CONTRACTOR  
LICENSE CATEGORIES OF ORDINANCE 94-50.

WHEREAS, the St. Johns County Commissioners have authority under Section 21 of contractor licensing ordinance 94-50 to change contractor license categories by Resolution after recommendation of the Contractors Review Board, and

WHEREAS, said Contractor Review Board, in formal meetings of April 13, and May 11, 1995, unanimously voted to recommend certain changes:

NOW THEREFORE, BE IT RESOLVED by the Board of County Commissioners of St. Johns County that the contractor license category changes shall be hereby and hereinafter made in Ordinance 94-50, to become effective sixty (60) days after the date of this Resolution.

1. In Section 18B: add three new Class II license categories:

- (14) Pre-Stressed Pre-Cast Concrete - Those who are qualified to erect structural pre-cast concrete units such as decks, beams, girders, walls, columns, and stairs that are or may be used as structural members for buildings and structures, including welding and rigging in connection therewith and to erect pre-cast concrete units for guard rails and decorative panels above the ground floor, including such minor field fabrication as may be necessary.
- (15) Mobile Home Set Up - Those who perform set up operations at the occupancy site which render a mobile home fit for habitation except for utility service connections. Such operations include, but are not limited to, transporting, positioning, blocking, leveling, supporting, tying down, interconnection utility components in units being joined, making minor adjustments and assembling multiple or expandable mobile home units.
- (16) Building Maintenance - Those who are qualified to perform general maintenance and repair of existing buildings and structures to include drywall, plaster, wood and paint. No mechanical, plumbing, electrical or roofing components are included.
