PROGRAM SUMMARY

Department: Recreation Facilities
 Project Category: Leisure Activities
 Project Title: Mills Field Park Restroom Building
 Project Start: December 1, 2001
 Scheduled Completion: May 15, 2002

PURPOSE AND JUSTIFICATION

The new section of Mills Field contains several ball fields and a parking lot. However, there is no restroom nor concession building on the property. The Northwest Communication Tower Committee voted at their October 8, 2001 meeting to allocate \$45,000 in Communication Tower revenue to ward the construction of a restroom/concession building to be built with assistance from the Creeks Athletic Association.

DESCRIPTION AND LOCATION

Mills Field Park is located near the intersection of Racetrack Road and State Road 13 in the Northwest section of St. Johns County. the park contains several ball diamonds, parking facilities, and tennis courts. It is the location for much of the Creeks Athletic Association youth games and activities.

IMPACT ON OPERATING BUDGET

Operating impact will involve some slight increase in utilities expenses and routine cleaning of the facilities. This will be absorbed within the current operating and maintenance budgets.
