Section 1.2 Authority for this Instrument.

This Instrument is adopted pursuant to the provisions of the Act, Section 3.06(E) of the Original Instrument and other applicable provisions of law and supplements the Original Instrument.

Section 1.3 Findings.

It is hereby found and determined that:

(A) The Issuer has heretofore issued and has presently outstanding and unpaid the Refunded Obligations.

(B) The Issuer deems it necessary, desirable and in the best financial interest of the Issuer that the Refunded Obligations be refunded in order to effectuate interest cost savings and a reduction in the debt service applicable to bonded indebtedness. Simultaneously with the issuance of the Bonds, a sufficient portion of the proceeds of the Bonds and other funds available will be paid by the Issuer to the registrar and Paying Agent for the Refunded Obligations to effectuate payment in full of the outstanding principal of, premium, if any, and accrued interest on the Refunded Obligations on the redemption date.

(C) The Issuer deems it necessary and desirable to pledge the Pledged Funds to the payment of the principal of and interest on the Bonds. No part of the Pledged Funds has been pledged or hypothecated to any obligations of the Issuer other than the Bonds, except that the Pledged Funds have been pledged also to the payment of the principal of and interest on the Parity Obligations and the Refunded Obligations. The Original Instrument, in Section 3.06(E) thereof, provides for the issuance of additional obligations of the Issuer on a parity with the Parity Obligations under the terms, limitations and conditions provided therein; and the Issuer will issue the Bonds as additional parity obligations within the authorization contained in Section 3.06(E) of the Original Instrument. The Bonds shall be payable on a parity and rank equally as to lien on and source and security for payment from the Pledged Funds, and in all other respects, with the Parity Obligations. Each and every provision of the Original Instrument shall be applicable to the Bonds to the same extent as it is applicable to the Parity Obligations.

(D) This Instrument is declared to be and shall constitute a contract between the Issuer and the Holders; and the covenants and agreements herein set forth to be performed by the Issuer are and shall be for the equal benefit, protection and security of all of the Holders, all of which shall be of equal rank and without preference, priority or distinction of any of the Bonds over any other, except as hereinafter provided.

(E) The Issuer is not, under this Instrument, obligated to levy any ad valorem taxes on any real or personal property situated within St. Johns County to pay the principal of or interest on the Bonds. The Bonds shall not constitute a lien upon any property of the Issuer or situated within St. Johns County.

(F) The Issuer has received from the Insurer its commitments to provide a municipal bond insurance policy and a Reserve Instrument with respect to the Bonds, copies of which commitments are on file with the Clerk as Exhibit C and incorporated herein by reference; pursuant to Section 3.05 of the 1989 Resolution, Financial Guaranty Insurance Company, the insurer of the Parity Obligations, has approved in writing said Reserve Instrument, a copy of which approval is on file with the Clerk as Exhibit D and incorporated herein by reference; on behalf of the Issuer, Ben W. Adams, Jr., its County Administrator, accepted the Insurer's commitments; and it is in the best financial interest of the Issuer that the Issuer ratify such acceptance of said commitments.

(G) The Board is advised that due to the present volatility of the market for tax-exempt public obligations such as the Bonds, it is in the best interest of the Issuer to sell the Bonds by a negotiated sale, allowing the Issuer to enter such market at the most advantageous time, rather than at a specified advertised future date, thereby permitting the Issuer to obtain the best possible price, interest rate and other terms for the Bonds and, accordingly, the Board does

hereby find and determine that it is in the best financial interest of the Issuer that a negotiated sale of the Bonds be authorized.

(H) The Purchaser has verbally agreed with the Board to use its reasonable efforts to submit to the Issuer an offer to purchase the Bonds in the form of the Purchase Contract upon terms acceptable to the Board as hereinafter authorized, and the Board does hereby find and determine that it is in the best financial interest of the Issuer to accept the offer of the Purchaser to purchase the Bonds at a negotiated sale and to authorize the execution and delivery of the Purchase Contract in the manner and upon the terms hereinafter provided; and upon the execution of the Purchase Contract by the Issuer and the Purchaser, the Bonds shall be sold to the Purchaser pursuant to the terms and provisions of the Purchase Contract.

(I) The Issuer is advised that because the terms of the Bonds cannot be determined on the date of adoption of this Instrument, it is in the best interest of the Issuer to delegate the authority to determine, in accordance with Sections 2.2 and 4.5 of this Instrument, the terms of the Bonds, including their date, Amortization Installments, maturity dates, interest rates and redemption provisions, to the Chairman or the County Administrator in the manner hereinafter provided.

(J) The terms of the Bonds hereinafter authorized are more favorable to the Issuer than the terms of the Refunded Obligations and it is advantageous to the Issuer to issue the Bonds in the manner and upon the terms hereinafter provided.

(K) It is appropriate that the Issuer approve and confirm the distribution of a draft preliminary official statement for the purpose of acquainting potential investors with pertinent information with respect to the Issuer and the Bonds and that the Issuer approve and authorize the distribution of a preliminary official statement and a final official statement prior to or contemporaneously with the issuance and delivery of the Bonds. For this purpose, it is appropriate that the distribution of the Draft Preliminary Official Statement be approved and confirmed and that preparation and distribution of a preliminary official statement and a final official statement be authorized in substantially the form of the Draft Preliminary Official Statement on file with the Clerk as Exhibit A and incorporated herein by reference, the final form thereof to be approved by the Chairman or Vice-Chairman at any time at or prior to the issuance of the Bonds.

(L) It is necessary and appropriate that the Issuer appoint a Registrar and Paying Agent for the Bonds, and the institution hereinafter named is acceptable to the Issuer; and it appears to the Board that the same is qualified to serve as Registrar and Paying Agent for the Bonds in accordance with the terms hereof.

Section 1.4 Authorization of Refunding.

The refunding of the Refunded Obligations in the manner herein provided is hereby authorized.

ARTICLE II

AUTHORIZATION, TERMS, EXECUTION AND REGISTRATION

Section 2.1 Authorization of Bonds.

Subject and pursuant to the provisions of this Instrument and the Original Instrument, obligations of the Issuer to be known as "Sales Tax Revenue Refunding Bonds, Series 2002," are hereby authorized to be issued in an aggregate principal amount not exceeding \$8,000,000 for the purpose of financing the refunding of the Refunding Obligations and paying certain costs of issuance incurred with respect to the Bonds.

Section 2.2 Description of Bonds.

The Bonds shall be issued as fully registered Bonds; and shall be numbered consecutively from one upward in order of maturity preceded by the letter "R;" shall be in denominations of \$5,000 and integral multiples of \$5,000; and shall bear interest at the rates, not exceeding the maximum rate permitted by law (calculated on the basis of a 360-day year of twelve 30-day months), payable on April 1 and October 1 in each year, commencing on such date, shall mature on October 1 in such years not exceeding thirty (30) years from their date, shall be dated such date, shall not be subject to redemption prior to their stated maturities, and shall have such other terms as are provided herein and in the Purchase Contract.

Section 2.3 Payment of the Bonds.

The principal of the Bonds is payable upon presentation and surrender of the Bonds at the office of the Paying Agent. Interest payable on any Bond on any interest payment date will be paid by check or draft of the Paying Agent to the Holder in whose name such Bond shall be registered at the close of business on the date which shall be the fifteenth day (whether or not a business day) of the calendar month next preceding such interest payment date, or at the option of the Paying Agent, and at the request and expense of such Holder, by bank wire transfer for the account of such Holder. In the event the interest payable on any Bond is not punctually paid or duly provided for by the Issuer on such interest payment date, such defaulted interest will be paid to the Holder in whose name such Bond shall be registered at the close of business on a special record date for the payment of such defaulted interest as established by notice to such Holder, not less than ten (10) days preceding such special record date. All payments of principal of and interest on the Bonds shall be payable in any coin or currency of the United States of America which at the time of payment is legal tender for the payment of public and private debts.

From and after any maturity date (deposit with the Paying Agent of moneys for the payment of the principal of and interest on such Bonds having been made by the Issuer), notwithstanding that any of such Bonds shall not have been surrendered for payment and cancellation, no further interest shall accrue upon the principal of such Bonds after such date, no interest shall accrue upon the interest which shall have accrued and shall then be due on such date, and such Bonds shall cease to be entitled to any lien, benefit or security under this Instrument.

Any moneys deposited with the Paying Agent for the payment of the principal or interest on any Bond and remaining unclaimed for three years after the date on which such payment have become due shall be treated as abandoned property pursuant to applicable provisions of State law and the Paying Agent shall report and remit this property to the State escheat fund, and thereafter the Holder shall look only to the State escheat fund for payment and then only to the extent of the amounts so received, without any interest thereon and the Paying Agent and Issuer shall have no responsibility with respect to such moneys.

Section 2.4 Book-Entry Only.

A Depository may act as securities depository for the Bonds. The ownership of one fully-registered, certificated Bond for each maturity, each in the aggregate principal amount of such maturity, may be registered in the name of a Depository or its nominee.

The Bonds in a Book-Entry System registered in the name of a Depository or its nominee shall be payable in lawful money of the United States of America in immediately available funds (i) in the case of principal of such Bonds, delivered or transmitted to the Depository or its authorized representative when due, and (ii) in the case of interest on the Bonds, delivered or transmitted on any date interest is due to the Depository or nominee that was the Holder of that Bond (or one or more predecessor Bonds) at the close of business on the record date applicable to that interest payment date.

The Issuer will recognize the Depository or its nominee as the Holder for all purposes, including notices. Conveyance of notices and other communications by the Depository to participants, by participants to indirect participants, and by participants and indirect participants to beneficial owners will be governed by arrangements among them, subject to any statutory and regulatory requirements as may be in effect from time to time.

In the event that (i) the Depository determines to discontinue providing its service with respect to the Bonds by giving written notice to the Issuer and discharging its responsibilities with respect thereto under applicable law, and the Issuer fails to appoint a successor Depository for the Bonds, or (ii) the Issuer determines to discontinue the Book-Entry System through a Depository, then bond certificates are required to be delivered as described in the Bonds. The purchasers of beneficial ownership interests in the Bonds (the "Beneficial Owners"), upon registration of certificates held in the Beneficial Owner's name, will become the registered owner of the Bonds.

Neither the Issuer, the Registrar nor the Paying Agent will have any responsibility or obligation to any beneficial owner or any other person with respect to (i) the accuracy of any records maintained by the Depository or any persons participating by or through the Depository; (ii) the payment by the Depository or any persons participating by or through the Depository of any amount with respect to the principal or interest on the Bonds; (iii) any notice which is permitted or required to be given to Holders pursuant to this Instrument; or (iv) any consent given or other action taken by the Depository as Holder.

Section 2.5 Execution of Bonds.

The Bonds shall be executed in the name of the Issuer with the manual or facsimile signature of the Chairman and the official seal of the Issuer shall be impressed or imprinted thereon, attested and countersigned with the manual or facsimile signature of the Clerk. In case any one or more of the officers who shall have signed or sealed any of the Bonds or whose facsimile signature shall appear thereon shall cease to be such officer of the Issuer before the Bonds so signed and sealed have been actually sold and delivered such Bonds may nevertheless be sold and delivered as herein provided and may be issued as if the person who signed or sealed such Bonds had not ceased to hold such office. Any Bond may be signed and sealed on behalf of the Issuer by such person who at the actual time of the execution of such Bond shall hold the proper office of the Issuer, although at the date of such Bonds such person may not have held such office or may not have been so authorized. The Issuer may adopt and use for such purposes the facsimile signatures of any such persons who shall have held such offices at any time after the date of the adoption of this Instrument, notwithstanding that either or both shall have ceased to hold such office at the time the Bonds shall be actually sold and delivered.

From time to time after the adoption of this Instrument, the Issuer may deliver executed Bonds to the Registrar for authentication and the Registrar shall manually authenticate and deliver such Bonds in accordance with written instructions of the Issuer and not otherwise. No Bond shall be entitled to any benefit under this Instrument or be valid for any purpose unless such Bond shall bear thereon a certificate of authentication substantially in the form set forth in the form of Bond set out in Section 2.8 hereof executed on behalf of the Registrar with the manual signature of an authorized signatory of the Registrar. Such certificate of authentication executed as aforesaid on a Bond shall be conclusive evidence that such Bond has been authenticated and delivered under this Instrument.

Section 2.6 Negotiability, Registration, Transfer and Exchange.

The Bonds shall be and shall have all the qualities and incidents of negotiable instruments under the laws of the State of Florida, and each successive Holder, in accepting any Bonds shall be conclusively deemed to have agreed that the same shall be and have all of said qualities and incidents of negotiable instruments.

The transfer of Bonds shall be registered on the Bond Register upon delivery to the Registrar of the Bonds to be transferred, accompanied by a written instrument or instruments of transfer in form and with guaranty of signatures satisfactory to the Registrar, duly executed by the Holder of the Bonds to be transferred, or by such Holder's attorney duly authorized in writing, containing such identification information for the transferee as the Registrar shall reasonably require.

In all cases of the transfer of any Bond, the Registrar shall enter the transfer of ownership in the Bond Register and shall deliver in the name of the transferee or transferees a new registered Bond or Bonds of authorized denominations of the same maturity and interest rate for the aggregate principal amount which the registered owner is entitled to receive at the earliest practicable time in accordance with the provisions of this Instrument. The Issuer or the Registrar may charge the owner of such Bond for every such transfer an amount sufficient to reimburse it

for any tax, fee or other governmental charge required to be paid with respect to such transfer and may require that such charge be paid before any such new Bond shall be delivered.

New Bonds delivered upon any transfer shall be valid, limited obligations of the Issuer, evidencing the same debt as the Bonds surrendered, shall be payable solely from the Pledged Funds and shall be entitled to all of the security and benefits hereof to the same extent as the Bonds surrendered.

The Issuer and the Registrar may treat the registered owner of any Bond as the absolute owner thereof for all purposes, whether or not such Bond shall be overdue, and any notice to the contrary shall not be binding upon the Issuer or the Registrar.

Section 2.7 Bonds Mutilated, Destroyed, Stolen or Lost.

In case any Bond shall become mutilated, or be destroyed, stolen or lost, the Issuer may in its discretion issue and deliver a new Bond of like tenor as the Bond so mutilated, destroyed, stolen or lost, in exchange and substitution for such mutilated Bond, upon surrender and cancellation of such mutilated Bond, or in lieu of and substitution for the Bond destroyed, stolen or lost, and upon the Holder furnishing the Issuer satisfactory indemnity and complying with such other reasonable regulations and conditions as the Issuer may prescribe and paying such expenses as the Issuer may incur. If any such Bonds shall have matured or be about to mature, instead of issuing a substitute Bond the Issuer may pay the same, upon being indemnified as aforesaid, if such Bond be lost, stolen or destroyed, without surrender thereof. All Bonds so surrendered shall be canceled by the Issuer.

Any such duplicate Bonds issued pursuant to this section shall constitute original, additional contractual obligations on the part of the Issuer whether or not the lost, stolen or destroyed Bonds be at any time found by anyone, and such duplicate Bonds shall be entitled to equal and proportionate benefits and rights as to lien on and source and security for payment from the funds, as hereinafter pledged, to the same extent as all other Bonds issued hereunder.

Section 2.8 Form of Bonds.

The text of the Bonds shall be in substantially the following form, with only such omissions, insertions and variations as may be necessary and/or desirable and approved by the Chairman or the Clerk prior to the issuance thereof (which necessity and/or desirability and approval shall be presumed by the Issuer's delivery of the Bonds to the purchaser or purchasers thereof):

It is expressly agreed by the owner of this bond that the full faith and credit of the Issuer is not pledged to the payment of the principal of and interest on this bond and that such owner shall never have the right to require or compel the exercise of the ad valorem taxing power of the Issuer for the payment of such principal and interest. In all cases of the transfer of this bond, the Registrar shall enter the transfer of ownership in such registration books and shall deliver in the name of the transferee or transferees a new bond or bonds of authorized

denomination or denominations and of the same maturity, interest rate and aggregate principal amount, at the earliest practicable time. Prior to every such transfer the Registrar shall be entitled to receive from the owner of this bond a sum sufficient only to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such transfer.

The Bonds when issued will be registered initially in the name of Cede & Co., as nominee of The Depository Trust Company, New York, New York ("DTC"). DTC will act as the initial securities depository for the Bonds. Individual purchases of the Bonds may be made in book entry form only, and such purchasers will not receive certificates representing their interests in the Bonds. While the Bonds are registered in the name of a securities depository (a "Depository") or its nominee the Issuer will recognize the Depository or its nominee as the Holder of the Bonds for all purposes, including notices. Conveyance of notices and other communications by the Depository to participants, by participants to indirect participants, and by participants and indirect participants to beneficial owners will be governed by arrangements among them, subject to any statutory and regulatory requirements as may be in effect from time to time.

The Bonds are issuable only as fully-registered bonds and, except as hereinafter provided, in printed or typewritten form, registered in the name of Cede & Co., as nominee of DTC, which shall be considered to be the Registered Holder for all purposes of the Resolution, including without limitation, payment by the Issuer of principal of and interest on the Bonds, and receipt of notices and exercise of rights of holders of the Bonds. There shall be a single Bond that shall be immobilized in the custody of DTC with the beneficial owners having no right to receive the Bonds in the form of physical securities or certificates. Ownership of beneficial interest in the Bonds shall be shown by book entry on the system maintained and operated by DTC and its participants, and transfers of ownership or beneficial interests shall be made only by DTC and its participants, by book entry, the Issuer having no responsibility therefor. DTC is expected to maintain records of the positions of participants in the Bonds, and the participants and persons acting through participants are expected to maintain records of the purchasers of beneficial interests in the Bonds. The Bonds as such shall not be transferable or exchangeable, except for transfer to another Depository or to another nominee of a Depository, without further action by the Issuer.

If any Depository determines not to continue to act as a Depository for the Bonds for use in a book entry system, the Issuer may attempt to have established a securities depository/book entry system relationship with another qualified Depository under the Resolution. If the Issuer does not or is unable to do so, the Issuer and the Registrar, after the Registrar has made provision for notification of the beneficial owners by the then Depository, shall permit withdrawal of the Bonds from the Depository, and authenticate and deliver Bond certificates in fully registered form (in denominations of \$5,000 or multiples thereof) to the assigns of the Depository or its nominee.

It is hereby certified and recited that all acts, conditions and things required to exist, to happen and to be performed precedent to and in connection with the issuance of this bond, exist, have happened and have been performed. in regular and due form and time as required by the Constitution and laws of the State of Florida applicable hereto, and that the issuance of the Bonds does not violate any constitutional or statutory limitations or provisions.

This bond is and has all the qualities and incidents of a negotiable instrument under the laws of the State of Florida.

ARTICLE III
COVENANTS, SPECIAL FUNDS
AND APPLICATION THEREOF

Section 3.1 Bonds Not to Be General Indebtedness of Issuer.

The Bonds shall not be or constitute general obligations or indebtedness of the Issuer as “bonds” within the meaning of Article VII, Section 12 of the Constitution of Florida, but shall be payable solely from and secured by a prior lien upon and a pledge of the Pledged Funds. No Holder shall ever have the right to compel the exercise of any ad valorem taxing power of the Issuer, the State of Florida or any political subdivision thereof to pay the principal of or interest on any Bond or be entitled to payment of such Bond from any moneys of the Issuer except from the Pledged Funds, in the manner provided herein.

Section 3.2 Security for Bonds.

The payment of the principal of and interest on the Bonds shall be secured forthwith equally and ratably by a pledge of and prior lien upon the Pledged Funds. The Issuer does hereby irrevocably pledge the Pledged Funds to the payment of the principal of and interest on the Bonds and for reserves therefor and for all other payments required hereby and by the Original Instrument. The Bonds are payable from the Pledged Funds on a parity, equally and ratably, with the Parity Obligations.

Section 3.3 Application of Bond Proceeds.

The proceeds derived from the sale of the Bonds, including accrued interest thereon, if any, shall, simultaneously with the delivery of the Bonds to the purchaser or purchasers thereof, be applied by the Issuer as follows:

(A) Accrued interest shall be deposited in the Interest Account.

(B) An amount shall be deposited in the Reserve Account which, together with any moneys and securities on deposit therein and any Reserve Instruments provided in accordance with Section 3.05 of the 1989 Resolution, shall equal the Reserve Account Requirement.

(C) A sum which, together with other available funds deposited with the registrar and Paying Agent for the Refunded Obligations, shall be sufficient to pay the redemption price and accrued interest on the Refunded Obligations on the redemption date, shall be transferred to the registrar and Paying Agent for the Refunded Obligations.

(D) The Issuer covenants and agrees to establish a separate account with an Authorized Depository to be known as the “St. Johns County Sales Tax Revenue Refunding Bonds, Series 2002, Costs of Issuance Account” (the “Costs of Issuance Account”), which shall be used only for the payment of costs and expenses described in this subsection. The balance of the Bond proceeds shall be deposited in the Costs of Issuance Account. Such moneys shall be in

an amount sufficient to pay all costs and expenses in connection with the preparation, issuance and sale of the Bonds, including fees of financial advisors, engineering and other consulting fees, legal fees, bond insurance premiums, printing fees, rating agency fees and other similar costs shall be deposited to the credit of the Costs of Issuance Account, and all such costs and expenses shall be promptly paid by the Issuer to the persons respectively entitled to receive the same. When all moneys on deposit to the credit of the Costs of Issuance Account shall have been disbursed by the Issuer for the payment of such costs and expenses, the Costs of Issuance Account shall be closed; provided, however, that if any balance shall remain in the Costs of Issuance Account six months after issuance of the Bonds, such moneys shall be transferred by the Issuer to the Interest Account and the Costs of Issuance Account shall be closed.

Section 3.4 Covenants of the Issuer.

So long as any of the principal of or interest on any of the Bonds shall be outstanding and unpaid, or until provision for payment thereof shall have been made within the meaning of Section 4.1 hereof, except as to any Bonds which shall have not been surrendered for payment at maturity as provided in Section 2.3 hereof, the Issuer covenants with the Holders as follows:

(A) Application of Provisions of Original Instrument. The Bonds shall for all purposes be considered to be additional parity obligations issued under the authority of Section 3.06(E) of the Original Instrument and shall be entitled to all the protection and security provided by the Original Instrument for the Parity Obligations and shall be in all respects entitled to the same security, rights and privileges enjoyed by the Parity Obligations. All of the covenants and pledges contained in the Original Instrument, including particularly Section 3.06 thereof, shall be applicable to the Bonds in like manner as applicable to the Parity Obligations. The Issuer shall pay all Pledged Funds into the Revenue Fund and the Sinking Fund established by the Original Instrument, and the principal of and interest on the Bonds shall be payable therefrom on a parity with the Parity Obligations. The Reserve Account shall be as available to pay the principal of and interest on the Parity Obligations and Additional Bonds as to pay the principal of and interest on the Bonds.

(B) Remedies. Any Holder may either at law or in equity, by suit, action, mandamus or other proceedings in any court of competent jurisdiction, protect and enforce any and all rights, including the right to the appointment of a receiver, existing under the laws of the State of Florida, or granted and contained herein or in the Original Instrument, and may enforce and compel the performance of all duties required thereby and hereby or by any state or federal statute applicable thereto or hereto to be performed by the Issuer or by any officer thereof. This provision shall not be deemed to waive any venue privileges which the Issuer may have.

Nothing herein, however, shall be construed to grant to any Holder any lien on any property of the Issuer or situated within St. Johns County, except the Pledged Funds.

(C) Creation of Superior Liens. The Issuer covenants that it will not issue any other notes, bonds, certificates or obligations of any kind or nature or create or cause or permit to be created any debt, lien, pledge, assignment or encumbrance or charge payable from or enjoying a lien upon the Pledged Funds ranking prior and superior to the lien created by this Instrument

for the benefit of the Bonds, or enjoying a lien upon the Pledged Funds equal to or on a parity with the lien in favor of the Bonds unless the conditions prescribed by Section 3.06(E) of the Original Instrument shall be fully complied with and no Event of Default shall exist.

(D) Arbitrage. The Issuer covenants that it will not knowingly make any investments or acquiesce in the making of any investments by any depository pursuant to or under the provisions of this Instrument or the Original Instrument which could cause the Bonds to be "arbitrage bonds" within the meaning of Section 148 of the United States Internal Revenue Code of 1986, as amended from time to time, and the applicable regulations issued thereunder (collectively, the "Internal Revenue Code"). Unless the Issuer is furnished with an opinion of its bond counsel, which counsel's legal and tax opinion on municipal bond issues shall be nationally recognized ("Bond Counsel"), that the Bonds qualify for any applicable exception to the arbitrage rebate requirements contained in the Internal Revenue Code, the Issuer covenants that it shall pay, from the special account described in paragraph (2) of this subsection, any rebate amount required to be paid on behalf of the Issuer to the U.S. Treasury pursuant to Section 148 of the Internal Revenue Code. The Issuer shall take the following actions to provide for payment to the U.S. Treasury pursuant to Section 148 of the Internal Revenue Code:

(1) Unless the Issuer is furnished with an opinion of Bond Counsel to the effect that failure to make such determinations will not adversely affect the tax-exempt status of the Bonds, the Issuer shall make a determination of the amount required to be paid to the U.S. Treasury at least every year (as of the anniversary of the date of issue of the Bonds) and upon the final payment of the Bonds.

(2) An amount equal to the amount to be paid pursuant to paragraph (1) above shall be transferred from the Revenue Fund to be placed into a special account, which shall be held for the sole benefit of the U.S. Treasury and shall not be or be deemed to be a pledged fund (and no moneys deposited therein shall be or deemed to be Pledged Funds). The Issuer shall promptly deposit into the special account any deficiency in such amount.

(3) The Issuer shall make payment to the U.S. Treasury from the special account on the dates and in the manner required by law.

(4) The Issuer shall take any additional action required to be taken pursuant to the nonarbitrage certificate, or other instructions from its Bond Counsel, delivered in connection with or subsequent to the issuance and sale of the Bonds.

(5) The Issuer shall keep records of the determinations made under this section until six years after the final payment on the Bonds. The Issuer shall keep adequate records, including any necessary certifications, to evidence the fair market value of any securities purchased with Bond proceeds.

(E) Compliance with Internal Revenue Code. The Issuer covenants that it shall use its best efforts to comply with all requirements of the Internal Revenue Code that must be satisfied in order for the interest on the Bonds to be excluded from gross income for federal income tax purposes as described in the opinion of its Bond Counsel delivered in connection with the issuance of the Bonds. The Issuer covenants and agrees that it will take any additional

action required to be taken pursuant to the nonarbitrage certificate, or other instructions from its Bond Counsel, whether delivered in connection with or subsequent to the issuance and sale of the Bonds, in order to comply with all provisions of the Internal Revenue Code compliance with which is required to maintain the tax-exempt status of the interest payable on the Bonds as described in said opinion of its Bond Counsel.

(F) Continuing Disclosure. The Issuer agrees that it will comply with and carry out all of the provisions of the Continuing Disclosure Certificate, substantially in the form on file with the Clerk as Exhibit E and incorporated herein by reference, executed by the Issuer and dated the date of issuance of the Bonds, as originally executed and as it may be amended from time to time in accordance with the terms thereof (the "Continuing Disclosure Certificate"). Notwithstanding any other provision of this Instrument, failure of the Issuer to comply with the Continuing Disclosure Certificate shall not be considered an event of default nor give rise to any pecuniary liability; however, any Holder or Beneficial Owner (as hereinafter defined) may take such actions as may be necessary and appropriate, including seeking mandate or specific performance by court order, to cause the Issuer to comply with its obligations under this Section 3.4(F). For purposes of this Section 3.4(F), "Beneficial Owner" means any person which (i) has the power, directly or indirectly, to vote or consent with respect to, or to dispose of ownership of, any Bonds, (including persons holding Bonds through nominees, depositories or other intermediaries), or (ii) is treated as the owner of any Bonds for federal income tax purposes.

ARTICLE IV

MISCELLANEOUS PROVISIONS

Section 4.1 Defeasance.

If, at any time, the Issuer shall have paid, or shall have made provision for payment of, the principal and interest with respect to any of the Bonds, then, and in that event, the pledge of and lien on the Pledged Funds in favor of the Holders of such Bonds shall be no longer in effect. For purposes of the preceding sentence, deposit by the Issuer of cash and/or Federal Securities, or bank certificates of deposit fully secured as to principal and interest by Federal Securities (or deposit of any other securities or investments which may be authorized by law from time to time and sufficient under such law to effect such a defeasance), in irrevocable trust with a banking institution or trust company, for the sole benefit of the Holders, in an aggregate principal amount which, together with interest to accrue thereon, will be sufficient to make timely payment of the principal of and interest accrued on and which shall thereafter accrue on such Bonds in accordance with their terms, the Registrar's and Paying Agents' fees and expenses with respect thereto and any other expenses occasioned by escrow arrangements, shall be considered "provision for payment." The escrow agreement providing for the deposit of such securities may provide for the investment of moneys unclaimed by Holders and for payment to the Issuer of such unclaimed moneys and the investment earnings thereon.

Section 4.2 Modification or Amendment.

No material modification or amendment of this Instrument may be made without the consent in writing of the Insurer, which consent shall not be unreasonably withheld, and the

Holders of fifty-one percent (51%) or more in principal amount of any Bonds then outstanding and which shall be affected by such modification or amendment; provided, however, that no modification or amendment shall permit a change in the maturity of such Bonds or a reduction in the rate of interest thereon, or in the amount of the principal obligation, or reduce the number of such Bonds the written consent of the Holders of which are required by this section for such modification or amendment, without the consent of all Holders.

Section 4.3 Ratification of Acceptance of Insurance Commitments.

The Issuer hereby ratifies the acceptance of the Insurer's commitments to provide a municipal bond insurance policy and a Reserve Instrument with respect to the Bonds, copies of which commitments are on file with the Clerk as Exhibit C and are incorporated herein by reference. The Insurer is hereby designated as the Insurer for the Bonds; and as the Insurer for the Bonds, the Insurer shall have the same rights to receive notices, grant consents and direct actions as the insurer of the Parity Obligations. The Reserve Instrument issued by the Insurer shall be in the amount specified in the Reserve Instrument. Such amount, together with the other amounts on deposit in or credited to the Reserve Account, shall equal not less than the Reserve Account Requirement. Such amount may equal an amount which, together with the other amounts on deposit in or credited to the Reserve Account, is greater than the Reserve Account Requirement in order to comply with the terms of the Insurer's commitments.

The Chairman or Vice Chairman are hereby authorized to execute and deliver the Reserve Instrument Agreement, with such omissions, insertions and variations as may be necessary and/or desirable and approved by the Chairman or Vice Chairman prior to the delivery thereof, such necessity and/or desirability and approval by the Chairman or Vice Chairman to be presumed by their execution and delivery thereof; and all of the provisions of the Reserve Instrument Agreement, when executed and delivered by the Issuer as authorized herein, and by the Insurer, shall be deemed to be a part of this Instrument and the Original Instrument as fully and to the same extent as if incorporated verbatim herein and therein.

Section 4.4 Provisions Relating to Insurers Generally.

Notwithstanding any other provisions of this Resolution to the contrary, the following provisions shall apply with respect to the Bonds or any Additional Bonds hereafter issued the scheduled payment of the principal of and interest on which is insured by a Bond Insurance Policy.

(A) Except as otherwise provided in paragraph (D) below, and notwithstanding the terms of Section 4.2 of the 1989 Resolution, an Insurer shall be deemed to be the sole Holder of each Bond insured by it for purposes of exercising any voting right or privilege or giving any consent to the execution and delivery of any supplemental resolution or ordinance or any amendment, supplement or change to or modification of this Resolution and direction, approval or the taking of any other action that the Bondholders whose Bonds are insured by such Insurer are entitled to take pursuant hereto.

(B) Except as otherwise provided in paragraph (D) below, upon the occurrence and continuance of an event of default, an Insurer shall be deemed to be the sole

Holder of each Bond insured by it for purposes of directing the enforcement and exercising of rights and remedies granted to the Bondholders under this Resolution, no acceleration of such Bonds shall occur without the prior written consent of such Insurer, and such Insurer shall also be entitled to approve all waivers of events of default with respect to Bonds insured by the Insurer. Notwithstanding the foregoing, however, any notices of events of default hereunder required to be sent to Bondholders shall be sent to Bondholders as well as each Insurer. In the event that the maturity of Bonds is accelerated, an Insurer of such Bonds may pay the accelerated principal and accrued or accreted interest, as applicable, on such principal to the date of acceleration and the Insurer's obligations under its Bond Insurance Policy with respect to such Bonds shall be fully discharged.

(C) In the event that the principal and/or interest due on Bonds insured by an Insurer shall be paid by such Insurer pursuant to its Bond Insurance Policy, such Bonds shall remain outstanding for all purposes, not be defeased or otherwise satisfied and not be considered paid by the Issuer, and the assignment and pledge of the Pledged Funds and all covenants, agreements and other obligations of the Issuer to the Holders thereof shall continue to exist and shall run to the benefit of such Insurer and the Insurer shall be subrogated to the rights of such Holders in accordance with the Bond Insurance Policy.

(D) Notwithstanding any other provision contained in this Section 4.4 or elsewhere in this Resolution to the contrary:

(1) If an Insurer shall be in default in the due and punctual performance of its payment obligations under its Bond Insurance Policy or if such policy for whatever reason is not then enforceable and in full force and effect; or

(2) If an Insurer shall apply for or consent to the appointment of a receiver, custodian, trustee or liquidator of such Insurer or of all or a substantial part of its assets, or shall admit in writing its inability, or be generally unable, to pay its debts as such debts become due, or shall make a general assignment for the benefit of its creditors, or commence a voluntary case under the Federal Bankruptcy Code (as now or hereafter in effect) or shall file a petition seeking to take advantage of any other law relating to bankruptcy, insolvency, reorganization, winding up or composition or adjustment of debts, or shall fail to consent in a timely and appropriate manner, or acquiesce in writing to, any other petition filed against such Insurer in any involuntary case under said Federal Bankruptcy Code, or shall take any other action for the purpose of effecting the foregoing; or

(3) If a proceeding or case shall be commenced without the application or consent of an Insurer, in any court of competent jurisdiction seeking the liquidation, reorganization, dissolution, winding up or composition or readjustment of debts of such Insurer or the appointment of a trustee, receiver, custodian, or liquidator or the like of the Insurer or of all or a substantial part of its assets, or similar relief with respect to the Insurer under any law relating to bankruptcy, insolvency, reorganization, winding up or composition or adjustment of debts, and such proceeding or case shall continue undismissed and an order, judgment or decree approving or ordering any of the foregoing shall be entered and continue unstayed in effect for a period of sixty (60) days from the commencement of such proceedings or case, or any order for

relief against the Insurer shall be entered in an involuntary case under said Federal Bankruptcy Code;

then and in any such event such Insurer shall not be entitled to any rights specifically granted to it herein to consent to, approve or participate in any actions proposed to be taken by the Issuer, a Bondholder or any of them pursuant to this Resolution or to receive any notices or other documents or instruments.

The Issuer hereby acknowledges that the issuer of the Bond Insurance Policy shall be deemed a third-party beneficiary of this Resolution for the purpose of enforcing the terms, conditions and obligations of this Resolution which benefit the issuer of such Bond Insurance Policy.

Section 4.5 Provisions Relating to the Bond Insurance Policy for the Bonds.

So long as the Insurer is providing a Bond Insurance Policy for the Bonds, the following provisions shall apply, notwithstanding anything to the contrary contained in this Resolution:

(A) The prior written consent of the Insurer shall be a condition precedent to the deposit of any credit instrument provided in lieu of a cash deposit into the Reserve Account. Amounts on deposit in the Reserve Account shall be applied solely to the payment of debt service on the Bonds.

(B) Upon the occurrence of an extraordinary optional or special or extraordinary mandatory redemption in part, the selection of the Bonds to be redeemed shall be subject to the approval of the Insurer.

(C) No grace period for a covenant default shall exceed 30 days, nor be extended for more than 60 days, without the prior written consent of the Insurer. No grace period shall be permitted for payment defaults.

(D) No agreement or arrangement that reduces the share of Pledged Revenues received by the Issuer shall be effective without the prior written consent of the Insurer.

(E) No modification, amendment or supplement to this Resolution or any other transaction document associated with the Bonds (each a "Related Document") may become effective except upon obtaining the prior written consent of the Insurer.

(F) Copies of any modification or amendment to this Resolution or any other Related Document shall be sent to Standard & Poor's and Moody's Investors Service at least 10 days prior to the effective date thereof.

(G) The rights granted to the Insurer under this Resolution or any other Related Document to request, consent to or direct any action are rights granted to the Insurer in consideration of its issuance of the Bond Insurance Policy for the Bonds. Any exercise by the Insurer of such rights is merely an exercise of the Insurer's contractual rights and shall not be construed or deemed to be taken for the benefit or on behalf of the Bondholders nor does such

action evidence any position of the Insurer, positive or negative, as to whether Bondholder consent is required in addition to consent of the Insurer.

(H) Only (1) cash, (2) non-callable direct obligations of the United States of America ("Treasuries"), (3) evidences of ownership of proportionate interests in future interest and principal payments on Treasuries held by a bank or trust company as custodian, under which the owner of the investment is the real party in interest and has the right to proceed directly and individually against the obligor and the underlying Treasuries are not available to any person claiming through the custodian or to whom the custodian may be obligated, (4) pre-refunded municipal obligations rated "AAA" and "Aaa" by Standard & Poor's and Moody's Investors Service, respectively, or (5) securities eligible for "AAA" defeasance under then existing criteria of Standard & Poor's or any combination thereof, shall be authorized to be used to effect defeasance of the Bonds unless the Insurer otherwise approves.

To accomplish defeasance, the Issuer shall cause to be delivered (i) a report of an independent firm of nationally recognized certified public accountants or such other accountant as shall be acceptable to the Insurer ("Accountant") verifying the sufficiency of the escrow established to pay the Bonds in full on the maturity or redemption date ("Verification"), (ii) an Escrow Deposit Agreement (which shall be acceptable in form and substance to the Insurer), (iii) an opinion of nationally recognized bond counsel to the effect that the Bonds are no longer Outstanding under this Resolution, and (iv) if there is a Trustee for the Bonds, a certificate or discharge of the Trustee with respect to the Bonds; each Verification and defeasance opinion shall be acceptable in form and substance, and addressed, to the Issuer, the Trustee and the Insurer. The Insurer shall be provided with final drafts of the above-referenced documentation not less than five business days prior to the funding of the escrow.

(I) Amounts paid by the Insurer under the Bond Insurance Policy shall not be deemed paid for purposes of this Resolution and shall remain Outstanding and continue to be due and owing until paid by the Issuer in accordance with this Resolution. This Resolution shall not be discharged unless all amounts due or to become due to the Insurer have been paid in full or duly provided for.

(J) The Issuer covenants and agrees to take such action (including, as applicable, filing of UCC financing statements and continuations thereof) as is necessary from time to time to perfect or otherwise preserve the priority of the pledge of Pledged Funds under applicable law.

(K) If, on the third business day prior to the related scheduled interest payment date or principal payment date ("Payment Date") there is not on deposit in the Sinking Fund, after making all transfers required under this Resolution, moneys sufficient to pay the principal of and interest on the Bonds due on such Payment Date, the Issuer shall give notice to the Insurer and to its designated agent (if any) ("the Insurer's Fiscal Agent") by telephone or telecopy of the amount of such deficiency by 12:00 noon, New York City time, on such Business Day. If, on the second Business Day prior to the related Payment Date, there continues to be a deficiency in the amount available to pay the principal of and interest on the Bonds due on such Payment Date, the Issuer or the Paying Agent shall make a claim under the Bond Insurance Policy and give notice to the Insurer and the Insurer's Fiscal Agent (if any) by telephone of the amount of such

deficiency, and the allocation of such deficiency between the amount required to pay interest on the Bonds and the amount required to pay principal of the Bonds, confirmed in writing to the Insurer and the Insurer's Fiscal Agent by 12:00 noon, New York City time, on such second Business Day by filling in the form of Notice of Claim and Certificate delivered with the Bond Insurance Policy.

In the event the claim to be made is for a mandatory sinking fund redemption installment, upon receipt of the moneys due, the Registrar shall authenticate and deliver to affected Bondholders who surrender their Bonds a new Bond or Bonds in an aggregate principal amount equal to the unredeemed portion of the Bond surrendered. The Registrar and Paying Agent shall designate any portion of payment of principal on Bonds paid by the Insurer, whether by virtue of mandatory sinking fund redemption, maturity or other advancement of maturity, on its books as a reduction in the principal amount of Bonds registered to the then current Bondholder, whether DTC or its nominee or otherwise, and shall issue a replacement Bond to the Insurer, registered in the name of Financial Security Assurance Inc., in a principal amount equal to the amount of principal so paid (without regard to authorized denominations); provided that the Registrar and Paying Agent's failure to so designate any payment or issue any replacement Bond shall have no effect on the amount of principal or interest payable by the Issuer on any Bond or the subrogation rights of the Insurer under Section 4.4(C).

The Paying Agent shall keep a complete and accurate record of all funds deposited by the Insurer into the Policy Payments Account (defined below) and the allocation of such funds to payment of interest on and principal paid in respect of any Bond. The Insurer shall have the right to inspect such records at reasonable times upon reasonable notice to the Paying Agent.

Upon payment of a claim under the Bond Insurance Policy, the Paying Agent shall establish a separate special purpose trust account for the benefit of Bondholders referred to herein as the "Policy Payments Account" and over which the Paying Agent shall have exclusive control and sole right of withdrawal. The Paying Agent shall receive any amount paid under the Bond Insurance Policy in trust on behalf of Bondholders and shall deposit any such amount in the Policy Payments Account and distribute such amount only for purposes of making the payments for which a claim was made. Such amounts shall be disbursed by the Paying Agent to the Bondholders in the same manner as principal and interest payments are to be made with respect to the Bonds under the sections hereof regarding payment of Bonds. It shall not be necessary for such payments to be made by checks or wire transfers separate from the check or wire transfer used to pay debt service with other funds available to make such payments.

Funds held in the Policy Payments Account shall not be invested by the Paying Agent and may not be applied to satisfy any cost, expenses or liabilities of the Paying Agent. Any funds remaining in the Policy Payments Account following a Payment Date shall promptly be remitted to the Insurer.

(L) The Insurer shall, to the extent it makes any payment of principal or (or, in the case of Capital Appreciation Bonds, accreted value) or interest on the Bonds, become subrogated to the rights of the recipients of such payments in accordance with the terms of the

Bond Insurance Policy. The obligations to the Insurer shall survive discharge or termination of the Related Documents.

(M) The Issuer shall pay or reimburse the Insurer, but solely from the Pledged Funds, any and all charges, fees, costs and expenses which the Insurer may reasonably pay or incur in connection with (i) the administration, enforcement, defense or preservation of any rights or security in any Related Document, (ii) the pursuit of any remedies under this Resolution or any other Related Document or otherwise afforded by law or equity, (iii) any amendment, waiver or other action with respect to, or related to, this Resolution or any other Related Document whether or not executed or completed, (iv) the violation by the Issuer of any law, rule or regulation, or any judgment, order or decree applicable to it or (v) any litigation or other dispute in connection with this Resolution or any other Related Document or the transactions contemplated thereby, other than amounts resulting from the failure of the Insurer to honor its obligations under the Bond Insurance Policy. the Insurer reserves the right to charge a reasonable fee as a condition to executing any amendment, waiver or consent proposed in respect of this Resolution or any other Related Document.

(N) After payment of reasonable expenses of the Registrar and Paying Agent, the application of funds realized upon default shall be applied to payment of expenses of the Issuer or rebate only after the payment of debt service due and past due on the Bonds, together with replenishment of the Reserve Account.

(O) the Insurer shall be entitled to pay principal (or, in the case of Capital Appreciation Bonds, accreted value) or interest on the Bonds that shall become Due for Payment but shall be unpaid by reason of Nonpayment by the Issuer (as such terms are defined in the Bond Insurance Policy) and any amounts due on the Bonds as a result of acceleration of the maturity thereof in accordance with this Resolution, whether or not the Insurer has received a Notice of Nonpayment (as such terms are defined in the Bond Insurance Policy) or a claim upon the Bond Insurance Policy.

(P) The notice address of the Insurer is: Financial Security Assurance Inc., 350 Park Avenue, New York, New York 10022-6022, Attention: Managing Director -- Surveillance; Re: Policy No. _____, Telephone: (212) 826-0100; Telecopier: (212) 339-3529. In each case in which notice or other communication refers to an Event of Default, then a copy of such notice or other communication shall also be sent to the attention of General Counsel and shall be marked to indicate "URGENT MATERIAL ENCLOSED."

(Q) The Insurer shall be provided with the following information:

(1) Annual audited financial statements within 120 days after the end of the Issuer's fiscal year and the Issuer's annual budget within 30 days after the approval thereof;

(2) Notice of any draw upon the Reserve Account within two Business Days after knowledge thereof other than (i) withdrawals of amounts in excess of the Reserve Requirement and (ii) withdrawals in connection with a refunding of Bonds;

(3) Notice of any default known to the Issuer within five Business Days after knowledge thereof;

(4) Prior notice of the advance refunding or redemption of any of the Bonds, including the principal amount, maturities and CUSIP numbers thereof;

(5) Notice of the resignation or removal of the Paying Agent and Registrar and the appointment of, and acceptance of duties by, any successor thereto;

(6) Notice of the commencement of any proceeding by or against the Issuer commenced under the United States Bankruptcy Code or any other applicable bankruptcy, insolvency, receivership, rehabilitation or similar law (an "Insolvency Proceeding");

(7) Notice of the making of any claim in connection with any Insolvency Proceeding seeking the avoidance as a preferential transfer of any payment of principal of, or interest on, the Bonds;

(8) A full original transcript of all proceedings relating to the execution of any amendment or supplement to the Related Documents; and

(9) All reports, notices and correspondence to be delivered under the terms of the Related Documents.

(R) Notwithstanding satisfaction of other conditions to the issuance of Additional Bonds contained in this Resolution, no such issuance may occur (1) should any Event of Default (or any event which, once all notice or grace periods have passed, would constitute an Event of Default) have occurred and be continuing unless such default shall be cured upon such issuance, and (2) unless the Reserve Account is fully funded at its requirement upon the issuance of such Additional Bonds (except that with respect to such Additional Bonds, a balance of up to 50% of the requirement may be funded within 24 months of the date of issuance of such Additional Bonds), in either case unless otherwise permitted by the Insurer.

(S) In determining whether any amendment, consent or other action to be taken, or any failure to act, under the Resolution would adversely affect the security for the Bonds or the rights of the Bondholders, the Issuer should consider the effect of any such amendment, consent, action or inaction as if there were no Bond Insurance Policy.

(T) No contract shall be entered into nor any action taken by which the rights of the Insurer or security for or sources of payment of the Bonds may be impaired or prejudiced in any material respect except upon obtaining the prior written consent of the Insurer.

(U) There shall be delivered to the Insurer prior to the issuance and delivery of the Bonds, a certificate of discharge of the trustee for the Refunded Obligations (the "Refunded Obligations Trustee") to the effect that upon payment to the Refunded Obligations Trustee of the amount specified by the Refunded Obligations Trustee to be required to pay in full the Refunded Obligations on the date of issuance of the Bonds, the Refunded Obligations will be paid in full, defeased, retired and immediately discharged on the date of issuance of the Bonds.

(V) No Variable Rate Bonds shall be issued without the prior written consent of the Insurer.

Section 4.6 Provisions Relating to the FSA Reserve Instrument.

So long as the Insurer is providing a Reserve Account Insurance Policy to meet the portion of the Reserve Account Requirement attributable to the Bonds (the "FSA Reserve Instrument"), the following provisions shall apply, notwithstanding anything to the contrary contained in this Resolution:

(A) The Issuer shall repay, but solely from the Pledged Funds, any draws under the FSA Reserve Instrument and pay all related reasonable expenses incurred by the Insurer. Interest shall accrue and be payable on such draws and expenses from the date of payment by the Insurer at the Late Payment Rate. "Late Payment Rate" means the lesser of (a) the greater of (i) the per annum rate of interest, publicly announced from time to time by JPMorgan Chase Bank at its principal office in the City of New York, as its prime or base lending rate ("Prime Rate") (any change in such Prime Rate to be effective on the date such change is announced by JPMorgan Chase Bank) plus 3%, and (ii) the then applicable highest rate of interest on the Bonds and (b) the maximum rate permissible under applicable usury or similar laws limiting interest rates. The Late Payment Rate shall be computed on the basis of the actual number of days elapsed over a year of 365 days. In the event JPMorgan Chase Bank ceases to announce its Prime Rate publicly, the Prime Rate shall be the publicly announced prime or base lending rate of such national bank as the Insurer shall specify.

Repayment of draws and payment of expenses and accrued interest thereon at the Late Payment Rate (collectively, "Policy Costs") shall commence in the first month following each draw, and each such monthly payment shall be in an amount at least equal to 1/12 of the aggregate of Policy Costs related to such draw.

Amounts in respect of Policy Costs paid to the Insurer shall be credited first to interest due, then to the expenses due and then to principal due. As and to the extent that payments are made to the Insurer on account of principal due, the coverage under the FSA Reserve Instrument will be increased by a like amount, subject to the terms of the FSA Reserve Instrument.

All cash and investments in the Reserve Account shall be transferred to the Sinking Fund for payment of debt service on the Bonds before any drawing may be made on any Reserve Account Insurance Policy or Reserve Account Letter of Credit. Payment of any Policy Costs shall be made prior to replenishment of any such cash amounts. Draws on all Reserve Account Letters of Credit and Reserve Account Insurance Policies (including the FSA Reserve Instrument) on which there is available coverage shall be made on a pro-rata basis (calculated by reference to the coverage then available thereunder) after applying all available cash and investments in the Reserve Account. Payment of Policy Costs and payment or reimbursement of amounts with respect to other Reserve Account Letters of Credit and Reserve Account Insurance Policies shall be made on a pro-rata basis prior to replenishment of any cash drawn from the Reserve Account.

(B) If the Issuer shall fail to pay any Policy Costs in accordance with the requirements of paragraph (A) above, the Insurer shall be entitled to exercise any and all legal and equitable remedies available to it, including those provided hereunder, other than (i) acceleration of the maturity of the Bonds or (ii) remedies which would adversely affect owners of the Bonds.

(C) This Resolution shall not be discharged until all Policy Costs owing to the Insurer shall have been paid in full. The Issuer's obligation to pay such amounts shall expressly survive payment in full of the Bonds.

(D) In order to secure the Issuer's payment obligations with respect to the Policy Costs, there shall be granted and perfected in favor of the Insurer a security interest (subordinate only to that of the owners of the Bonds, and on a parity with similar security interests granted to other providers of Reserve Account Insurance Policies or Reserve Account Letters of Credit) in all revenues and collateral pledged as security for the Bonds.

(E) If there is necessity for a claim upon the FSA Reserve Instrument, the Issuer shall provide notice to the Insurer and the Paying Agent in accordance with the terms of the FSA Reserve Instrument, at least five business days prior to each date upon which interest or principal is due on the Bonds.

Section 4.7 Sale of the Bonds; Authorization of Execution of Purchase Contract.

A negotiated sale of the Bonds is hereby authorized. The Chairman or the County Administrator is hereby authorized and directed to award the sale of the Bonds to the Purchaser in an aggregate principal amount which shall not exceed \$8,000,000 (the "Maximum Principal Amount"), at an aggregate purchase price (excluding any original issue discount) of not less than 98% of the original principal amount of such Bonds (the "Minimum Purchase Price"), as approved by the Chairman or the County Administrator, provided that the following parameters (the "Parameters") are met: the net present value of the savings, after payment of all issuance expenses and costs, which shall result from the issuance of the Bonds shall not be less than 3.0% of the principal amount of the Refunded Obligations; the arbitrage yield of the Bonds shall not exceed 5.0%; the final maturity of the Bonds shall not be later than October 1, 2011; the Bonds shall not be subject to redemption prior to their stated maturities; the costs of issuance shall be comparable to or less than the current average issuance cost for bonds of similar tenor and amount; and the Insurer's commitments to provide the Bond Insurance Policy and the Reserve Instrument with respect to the Bonds shall be in effect.

The proposed form of the Purchase Contract presented by the Purchaser, with such omissions, insertions and variations as may be necessary and/or desirable and approved by the Chairman or the County Administrator prior to the execution and delivery thereof, is hereby approved; such necessity and/or desirability and approval by the Chairman or the County Administrator to be presumed by the Chairman's or the County Administrator's execution thereof; the Chairman or the County Administrator is hereby authorized to accept the offer of the Purchaser to purchase the Bonds in an aggregate principal amount not to exceed the Maximum Principal Amount, at a purchase price of not less than the Minimum Purchase Price plus accrued

interest thereon to the date of delivery, upon the terms and conditions set forth in the Purchase Contract; and the Chairman or the County Administrator is hereby authorized to execute and deliver the Purchase Contract in the form approved by such person for and on behalf of the Issuer pursuant to the terms hereof provided that the Chairman or the County Administrator shall first receive a report of the Financial Advisor stating that the aggregate purchase price set forth in the Purchase Contract is not less than the Minimum Purchase Price and that the final terms and conditions of the sale of the Bonds meet and are within the Parameters.

The Bonds shall be dated such date, shall bear interest at such rates, mature on such dates, have such Amortization Installments and have such other terms as are set forth in the Purchase Contract and approved by the Chairman or the County Administrator, and the authority to approve such matters is hereby expressly delegated to the Chairman and the County Administrator as herein provided, with the Chairman's or the County Administrator's approval to be conclusively evidenced by the Chairman's or the County Administrator's execution of any documents including such terms.

Prior to the execution and delivery of the Purchase Contract by the Issuer, the Purchaser shall include in or attach to the Purchase Contract the disclosure statements required by Section 218.385, Florida Statutes, as amended. The Chairman, the County Administrator and the other officers, agents and employees of the Issuer are hereby authorized and directed to conclude the issuance and delivery of the Bonds and the refunding of the Refunded Obligations in accordance with the provisions of the Original Instrument, this Instrument and the Purchase Contract.

Authority for the issuance of such aggregate principal amount of the Bonds herein authorized which shall not be hereafter delivered to the Purchaser pursuant to the provisions of the Purchase Contract is hereby cancelled and rescinded.

Notwithstanding the foregoing, in the event the Purchase Contract is not executed and delivered by the Issuer and the Purchaser on or before December 31, 2002, the Chairman's and the County Administrator's authority to award the sale of the Bonds to the Purchaser and to execute the Purchase Contract for and on behalf of the Issuer pursuant to the terms hereof shall be automatically terminated on December 31, 2002.

Section 4.8 Approval of Draft Preliminary Official Statement and Authorization of Preliminary Official Statement and Final Official Statement.

The Draft Preliminary Official Statement is hereby approved, and a preliminary official statement and a final official statement in substantially the form of the Draft Preliminary Official Statement on file with the Clerk as Exhibit A and incorporated herein by reference, with such omissions, insertions and variations as may be necessary and/or desirable and approved by the Chairman or Vice Chairman prior to the release thereof, are hereby approved and each is authorized to be delivered by the Issuer to the Purchaser for distribution prior to or contemporaneously with the issuance and delivery of the Bonds. The Chairman's or the Vice Chairman's approval of the preliminary official statement shall be presumed by the delivery thereof to the Purchaser. The Chairman or the Vice Chairman is hereby authorized to deem the preliminary official statement final as of its date on behalf of the Issuer for purposes of Rule

15c2-12 of the Securities and Exchange Commission (except for such omissions permitted by such Rule 15c2-12, and to execute a certificate to that effect to be delivered to the Purchaser. The Chairman or the Vice Chairman is hereby authorized to evidence the Issuer's approval of the final official statement by either's endorsement thereof upon one or more copies, and approval of all such omissions, insertions and variations may be presumed from such endorsement upon any copy of such final official statement. Bond Counsel is hereby directed to furnish to the Division of Bond Finance of the State Board of Administration of the State of Florida a copy of the final official statement, a notice of the impending sale of the Bonds and the other information required by Section 218.38, Florida Statutes, as amended, within the appropriate time periods specified by such section.

Section 4.9 Registrar and Paying Agent.

The Bank of New York Trust Company of Florida, N.A., Jacksonville, Florida, is hereby appointed as Registrar and Paying Agent under the Original Instrument to serve as Registrar and Paying Agent for the Bonds. The Registrar and Paying Agency Agreement, with such omissions, insertions and variations as may be approved on behalf of the Issuer by the Chairman, such approval to be evidenced conclusively by the Chairman's execution thereof, is hereby approved and authorized. The Issuer hereby authorizes and directs the Chairman to execute the Registrar and Paying Agency Agreement and to deliver the same to the Registrar and Paying Agent for the Bonds. All of the provisions of the Registrar and Paying Agency Agreement, when executed, dated and delivered by or on behalf of the Issuer as authorized herein and by or on behalf of the Registrar and Paying Agent for the Bonds, shall be deemed to be part of this Resolution and to the same extent as if incorporated verbatim herein.

The offering of the St. Johns County, Florida Sales Tax Revenue Refunding Bonds, Series 2002 (the "Series 2002 Bonds") to potential investors is made only by means of the entire Official Statement. No person is authorized to detach this Summary Statement from the Official Statement or to otherwise use it without the entire Official Statement. St. Johns County

St. Johns County, Florida (the "County") encompasses approximately 608 square miles and is located in the northeast region of the State of Florida, immediately south of Duval County and Jacksonville, Florida. The largest of the County's three municipalities is St. Augustine, which is the county seat. The estimated 2001 population of the County is 128,604.

Purpose of the Series 2002 Bonds

The Series 2002 Bonds are being issued to provide funds to (i) refund the County's outstanding Sales Tax Revenue and Refunding Bonds, Series 1994 (the "Refunded Bonds"), (ii) fund the purchase of a reserve account insurance policy for deposit into a reserve account for the Series 2002 Bonds, and (iii) pay the cost of issuing the Series 2002 Bonds, including the municipal bond insurance premium.

Authority for the Series 2002 Bonds

The Series 2002 Bonds are being issued pursuant to the Constitution and laws of the State of Florida, particularly, Chapter 125, Part I, Florida Statutes, as amended, County Ordinance No. 86-89, as amended, the Resolution and other applicable provisions of law.

Source of Payment

The Series 2002 Bonds are payable solely from and secured by a pledge of and lien upon all moneys allocated to the County from the Local Government Half-cent Sales Tax Clearing Trust Fund in the State Treasury pursuant to the provisions of Part VI, Chapter 218, Florida Statutes, as amended, together with all moneys on deposit to the credit of certain funds and accounts created under the Resolution and the earnings on the investment thereof, all in the manner and to the extent described in the Resolution (collectively, the "Pledged Funds"). The pledge of the Pledged Funds in favor of the Series 2002 Bonds is on a parity with the pledge of the Pledged Funds to the owners of the County's outstanding Sales Tax Revenue Refunding Bonds, Series 1998 (the "Parity Bonds") which will remain outstanding after the current refunding.

Reserve Account

Simultaneously with the issuance of the Series 2002 Bonds, the County is required by the Resolution to fund the Reserve Account in an amount equal to the Reserve Account Requirement. The Reserve Account Requirement is the lesser of (i) the Maximum Bond Service Requirement for the Parity Bonds, the Series 2002 Bonds and Additional Bonds, (ii) 125% of average annual debt service for the Parity Bonds, the Series 2002 Bonds and Additional Bonds, or (iii) 10% of the proceeds of the Parity Bonds, the Series 2002 Bonds and Additional Bonds. Moneys in the Reserve Account shall be used only for the purpose of payment of maturing principal of or interest or Amortization Installments on the Parity

Bonds, the Series 2002 Bonds and Additional Bonds when the other moneys in the Sinking Fund are insufficient therefor and for no other purpose. The portions of the Reserve Account for the Parity Bonds and the Series 2002 Bonds are funded by reserve account insurance policies issued by Financial Guaranty Insurance Company and Financial Security Assurance Inc. (the "Insurer"), respectively.

Additional Bonds

The County may issue Additional Bonds payable from the Pledged Funds on parity with the Series 2002 Bonds and the Parity Bonds, provided, however, that such Additional Bonds may be issued only if the County first has complied with certain requirements set out in the Resolution.

No Pledge of Credit or Taxing Power

The Series 2002 Bonds shall not be or constitute general obligations or indebtedness of the County as "bonds" within the meaning of Article VII, Section 12 of the Constitution of the State of Florida, but shall be payable solely from and secured by a prior lien upon and a pledge of the Pledged Funds on a parity with the Parity Bonds. No owner of any Series 2002 Bonds shall ever have the right to compel the exercise of any ad valorem taxing power of the County, the State of Florida or any political subdivision thereof to pay the principal of or interest on any such Bond or shall be entitled to payment of such Bonds from any moneys of the County except the Pledged Funds, in the manner provided in the Resolution.

Municipal Bond Insurance

The payment of the principal of and interest on the Series 2002 Bonds when due will be insured by a municipal bond insurance policy to be issued by the Insurer simultaneously with the delivery of the Series 2002 Bonds.

PURPOSE OF THE SERIES 2002 BONDS

The Series 2002 Bonds are being issued to provide funds to (i) refund the County's outstanding Sales Tax Revenue and Refunding Bonds, Series 1994 (the "Refunded Bonds"), (ii) fund the purchase of a reserve account insurance policy for deposit into a reserve account for the Series 2002 Bonds, and (iii) pay the cost of issuing the Series 2002 Bonds, including the municipal bond insurance premium.

* Preliminary, subject to change

REFUNDING PLAN

The Refunded Bonds will be called for redemption on October 1, 2002, at a redemption price of 102% of the principal amount thereof, plus accrued interest. Upon the issuance of the Series 2002 Bonds, a sufficient portion of the proceeds of the Series 2002 Bonds and other funds available will be paid by the County to Wachovia Bank, National Association (formerly First Union National Bank), the registrar and paying agent of the Refunded Bonds, to effectuate payment in full of the principal of, premium and accrued interest on the Refunded Bonds on October 1, 2002.

DESCRIPTION OF THE SERIES 2002 BONDS

General

The Series 2002 Bonds shall be dated as set forth on the cover page of this Official Statement and are being issued as fully registered bonds without coupons in denominations of \$5,000 and integral multiples thereof. Interest on the Series 2002 Bonds (first payment due April 1, 2003 and semiannually on each April 1 and October 1 thereafter) will be payable by check or draft of The Bank of New York Trust Company of Florida, N.A., as Registrar and Paying Agent, mailed to the registered owner, as shown on the registration books of the Registrar on the 15th day of the month prior to each interest payment date (the "Record Date"). Principal of the Series 2002 Bonds is payable at maturity to the registered owner upon presentation, when due, at the designated corporate trust office of the Paying Agent in New York, New York. While in book-entry only form, such payments will be made only to Cede & Co. as described below.

Book-Entry Only System

The Depository Trust Company ("DTC") will act as securities depository for the Series 2002 Bonds. The Series 2002 Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee). One fully registered Series 2002 Bond certificate will be issued for each maturity of the Series 2002 Bonds, each in the aggregate principal amount of such maturity, and will be deposited with DTC.

DTC is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds securities that its Participants (the "Participants") deposit with DTC. DTC also facilitates the settlement among Participants of securities transactions, such as transfers and pledges, in deposited securities through electronic computerized book-entry changes in Participant's accounts, thereby eliminating the need for physical movement of securities certificates. Direct participants (the "Direct Participants") include securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is owned by a number of its Direct Participants and by the New York Stock Exchange, Inc., the American Stock Exchange, Inc., and the National Association of Securities Dealers, Inc. Access to the DTC system is also available to others such as securities brokers and dealers, banks, and trust companies that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (the "Indirect Participants"). The rules applicable to DTC and its Participants are on file with the Securities and Exchange Commission.

Purchases of interests in Series 2002 Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Series 2002 Bonds on DTC's records. The ownership interest of each actual purchaser of each Series 2002 Bond (the "Beneficial Owner") is in turn

to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase, but Beneficial Owners are expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owners entered into the transaction. Transfers of ownership interests in the Series 2002 Bonds are to be accomplished by entries made on the books of Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Series 2002 Bonds, except in the event that use of the book entry system for the Series 2002 Bonds is discontinued.

To facilitate subsequent transfers, all Series 2002 Bonds deposited by Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co. The deposit of Series 2002 Bonds with DTC and their registration in the name of Cede & Co. effect no change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series 2002 Bonds. DTC's records reflect only the identity of the Direct Participants to whose accounts such Series 2002 Bonds are credited, which may or may not be the Beneficial Owners. The participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners, will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

Neither DTC nor Cede & Co. will consent or vote with respect to the Series 2002 Bonds. Under its usual procedures, DTC mails an Omnibus Proxy to the County as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Series 2002 Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Principal and interest payments on the Series 2002 Bonds will be made to DTC. DTC's practice is to credit Direct Participants' accounts on a payable date in accordance with their respective holdings shown on DTC's records unless DTC has reason to believe that it will not receive payment on a payment date. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Registrar and Paying Agent, or the County, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal and interest to DTC is the responsibility of the County or the Registrar and Paying Agent. Disbursement of such payments to Direct Participants shall be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners shall be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as securities depository with respect to the Series 2002 Bonds at any time by giving reasonable notice to the County. Under such circumstances, in the event that a successor securities depository is not obtained, Series 2002 Bond certificates are required to be printed and delivered.

The County may decide to discontinue use of the system of book-entry transfers through DTC (or a successor securities depository). In that event, Series 2002 Bond certificates will be printed and delivered.

The information in this section concerning DTC and DTC's book-entry system has been obtained from DTC and not from the County.

Redemption

The Series 2002 Bonds are not subject to redemption prior to their stated maturities.

AUTHORITY AND SECURITY FOR THE SERIES 2002 BONDS

The Series 2002 Bonds are being issued pursuant to the Constitution and laws of the State of Florida particularly, Chapter 125, Part I, Florida Statutes, as amended, County Ordinance No. 86-89, as amended, the Resolution and other applicable provisions of law.

Source of Payment

The Series 2002 Bonds are payable solely from and secured by a pledge of and lien upon all moneys allocated to the County from the Local Government Half-cent Sales Tax Clearing Trust Fund in the State Treasury pursuant to the provisions of Part VI, Chapter 218, Florida Statutes, as amended, together with all moneys on deposit to the credit of certain funds and accounts created under the Resolution and the earnings on the investment thereof, all in the manner and to the extent described in the Resolution (collectively, the "Pledged Funds"). The pledge of the Pledged Funds in favor of the Series 2002 Bonds is on a parity with the pledge of the Pledged Funds to the owners of the Parity Bonds.

Pursuant to Chapter 212, Part I, Florida Statutes, the State is authorized to levy and collect a sales tax on, among other things, the sales price of each item or article of tangible personal property sold at retail in the State, subject to certain exceptions and dealer allowances as set forth in Chapter 212. Currently, the sales tax in the State is 6%, having been increased from 5% in February, 1988, and from 4% in 1982. Chapter 218, Part VI, Florida Statutes, was added in 1982 and provides that money remitted to the State by a sales tax dealer located within a county and transferred to the Local Government Half-cent Sales Tax Clearing Trust Fund in the State Treasury (the "Trust Fund") is earmarked for distribution to the governing body of that county and of each municipality within the county pursuant to a distribution formula. Chapter 212, Florida Statutes, provides that after specified distributions to the General Revenue Fund of the State and to the Solid Waste Management Trust Fund of the State, 9.653% of the remaining proceeds from the amount remitted by a sales tax dealer in a participating county is to be transferred to the Trust Fund. Such moneys are referred to in Chapter 218, Part VI, as the Local Government Half-cent Sales Tax. The Local Government Half-cent Sales Tax is distributed from the Trust Fund on a monthly basis to participating units of local government. Chapter 218, Part VI, permits the County to pledge its share of the Local Government Half-cent Sales Tax for the payment of principal of and interest on any capital project.

As initially enacted, Chapter 218, Part VI, Florida Statutes provided that the Local Government Half-cent Sales Tax was to be computed based upon one-half of the then newly effective 5th cent of the State sales tax. In 1985, the law was amended to provide that 9.697% of the proceeds of the sales tax remitted by a sales tax dealer located within the county was to be deposited in the Trust Fund. This percentage was amended in 1987 for the State's fiscal year ended June 30, 1988 to 9.846% and, for subsequent State fiscal years, 9.888%. Effective July 1, 1989, the present method of distribution described in the previous paragraph was enacted, with a percentage of 9.888%. Effective October 1, 1992, through June 30, 1993, the percentage was changed to 9.664%. Effective July 1, 1993, the percentage was set at its present rate of 9.653%.

Under Chapter 212, Part I, Florida Statutes, the sales tax collected by the State includes, but is not limited to, a levy on the following:

- (a) the sale of tangible personal property sold at retail in the State;

- (b) the use, or storage for use, of tangible personal property in the State when the same is not sold in the State;
- (c) rentals on tangible personal property;
- (d) accommodations in hotels, motels, apartments and offices;
- (e) parking and storage places in parking lots, garages and marinas for motor vehicles or boats;
- (f) admissions to places of amusement, most sport and recreation events and theaters;
- (g) utilities, except those used in homes;
- (h) restaurant meals;
- (i) expendables used in radio and television broadcasting;
- (j) telegraph messages and long distance telephone calls beginning and terminating in the State; and
- (k) mail order sales to purchasers within the State.

Among the items exempted from the sales tax are groceries; medicines, hospital rooms and meals; seeds, fertilizers and farm crop protection materials; purchases by religious, charitable and educational non-profit institutions; professional, insurance and personal service transactions; and some educational institutions' athletic events.

The sales tax is collected on behalf of the State by businesses at the time of sale at retail, use, consumption, or storage for use or consumption, of taxable property and remitted to the State on a monthly basis. Chapter 212 provides for penalties and fines, including criminal prosecution, for non-compliance with the provisions thereof.

To be eligible to participate in the Local Government Half-cent Sales Tax, the counties and municipalities must comply with certain requirements set forth in Section 218.63, Florida Statutes. These requirements include those concerning the reporting and auditing of its finances, the levying of ad valorem taxes or receipt of other revenue sources, and certifying certain requirements pertaining to the employment and compensation of law enforcement officers, the employment of fire fighters and the method of fixing millage rates for the levying of ad valorem taxes.

The County has complied and is required by the provisions of the Resolution to comply with all of the requirements set forth in Chapter 218, Part VI, which are necessary in order for the County to receive its maximum allocation of funds from the Trust Fund. Although Chapter 218, Part VI, does not impose any limitation on the number of years during which the County can receive distribution of the Local Government Half-cent Sales Tax from the Trust Fund, there may be future amendments to Chapter 218, Part VI, in subsequent years imposing additional requirements of eligibility for counties participating in the Local Government Half-cent Sales Tax. To be eligible to participate in the Trust Fund in future years, the County must comply with certain eligibility and reporting requirements of Section 218.23(1), Florida Statutes. Otherwise, the County loses its Trust Fund distributions for twelve (12) months following a "determination of noncompliance" by the State Department of Revenue.

The Local Government Half-cent Sales Tax collected within a county and distributed to local government units is distributed among the county and the municipalities therein in accordance with the following formula:

$$\begin{array}{rcl}
 \text{County Share} & & \text{unincorporated area} \quad + \quad \text{2/3 incorporated} \\
 \text{(percentage of} & = & \text{population} \quad + \quad \text{area population} \\
 \text{total Half-cent Sales} & & \text{total county} \quad + \quad \text{2/3 incorporated} \\
 \text{Tax receipts)} & & \text{population} \quad + \quad \text{area population} \\
 \\
 \text{Each Municipality Share} & & \\
 \text{(percentage of} & = & \text{municipality population} \\
 \text{total Half-cent Sales} & & \text{total county} \quad + \quad \text{2/3 incorporated} \\
 \text{Tax receipts)} & & \text{population} \quad + \quad \text{area population}
 \end{array}$$

Population is based upon the latest official State estimate of population certified prior to the beginning of the local government fiscal year. The population so computed for the County for the Fiscal Year ended September 30, 2001 is 128,604. The population for all of the incorporated areas in the County for the year ended September 30, 2001, is 18,232. The County's share of the Local Government Half-cent Sales Tax collected in the County for the fiscal years ended September 30, 1997 through 2001 has been 84.43%, __%, __%, __%, and 87.048% respectively. Should any unincorporated area of the County become incorporated as a municipality, the share of the Local Government Half-cent Sales Tax received by the County would be reduced.

THE SERIES 2002 BONDS SHALL NOT BE OR CONSTITUTE GENERAL OBLIGATIONS OR INDEBTEDNESS OF THE COUNTY AS "BONDS" WITHIN THE MEANING OF ARTICLE VII, SECTION 12 OF THE CONSTITUTION OF THE STATE OF FLORIDA, BUT SHALL BE PAYABLE SOLELY FROM AND SECURED BY A PRIOR LIEN UPON AND A PLEDGE OF THE PLEDGED FUNDS ON A PARITY WITH THE PARITY BONDS. NO OWNER OF ANY SERIES 2002 BONDS SHALL EVER HAVE THE RIGHT TO COMPEL THE EXERCISE OF ANY AD VALOREM TAXING POWER OF THE COUNTY, THE STATE OF FLORIDA OR ANY POLITICAL SUBDIVISION THEREOF TO PAY THE PRINCIPAL OF OR INTEREST ON ANY SUCH BOND OR SHALL BE ENTITLED TO PAYMENT OF SUCH BONDS FROM ANY MONEYS OF THE COUNTY EXCEPT THE PLEDGED FUNDS, IN THE MANNER PROVIDED IN THE RESOLUTION.

Reserve Account

The Resolution requires the establishment and maintenance of a Reserve Account in an amount equal to the Reserve Account Requirement for the benefit of the owners of the Bonds. The Reserve Account Requirement is the lesser of (i) the Maximum Bond Service Requirement for the Parity Bonds, the Series 2002 Bonds and Additional Bonds (as defined below), (ii) 125% of average annual debt service for the Parity Bonds, the Series 2002 Bonds and Additional Bonds, or (iii) 10% of the proceeds of the Parity Bonds, the Series 2002 Bonds and Additional Bonds. The Resolution permits the Reserve Account Requirement to be funded by cash or by a surety bond, irrevocable letter of credit, guaranty or insurance policy issued in compliance with the Resolution. Moneys in the Reserve Account shall be used only for the purpose of payment of maturing principal of or interest or Amortization Installments on the Parity Bonds, the Series 2002 Bonds or Additional Bonds when the other moneys in the Sinking Fund are insufficient therefor, and for no other purpose.

Pursuant to the Resolution, upon delivery of the Series 2002 Bonds, the Issuer shall deposit to the Reserve Account, a reserve account insurance policy issued by Financial Security Assurance Inc. (the "Insurer") (the "Reserve Account Insurance Policy"). See "RESERVE ACCOUNT INSURANCE POLICY" herein. See "MUNICIPAL BOND INSURANCE" herein for information about the Insurer. The amount of such Reserve Account Insurance Policy is initially equal to \$_____, which is equal to the Maximum Bond Service Requirement with respect to the Series 2002 Bonds. A portion of the Reserve Account Requirement is funded by a reserve account insurance policy issued by Financial Guaranty Insurance Company, which was deposited into the reserve account in connection with the issuance of the Parity Obligations.

Upon the issuance of Additional Bonds, the County is required by the Resolution to provide for the additional funding of the Reserve Account in the manner described in the Resolution.

For a description of the Insurer, see "MUNICIPAL BOND INSURANCE" herein.

Flow of Funds

All Pledged Funds shall be deposited into a special account created pursuant to the Resolution and designated "St. Johns County Local Government Half-cent Sales Tax Revenue Fund" (the "Revenue Fund"). The Revenue Fund will be administered, held and applied only for the purpose and in the manner set forth in the Resolution.

1. From the moneys in the Revenue Fund, the County shall deposit moneys into a special fund created pursuant to the Resolution and designated as the "St. Johns County Refunding Revenue Bonds Sinking Fund" (the "Sinking Fund") amounts which shall be at least sufficient to pay the interest on and principal of the Bonds as the same become due. For accounting purposes, the County shall report Sinking Fund transactions to the four accounts therein: the Interest Account, the Principal Account, the Term Bond Retirement Account, and the Reserve Account, as created in the Resolution. All moneys at any time remaining on deposit in the Revenue Fund shall be applied by the County on or before the twenty-fifth day of each month, commencing in the month immediately following the issuance date, only the following manner and in the following order of priority:

(a) After appropriate adjustments for the amount of accrued interest deposited therein from the Bonds proceeds, to deposit in the Interest Account the sum which, together with any investment earnings in the Interest Account not theretofore allocated to supplement any previous monthly deposit to the credit of the Interest Account, will be sufficient to pay one-sixth (1/6) of all interest

becoming due on the Bonds on the next semi-annual interest payment date, plus the full balance of any continuing deficiencies' entire deposit to the Interest Account; and

(b) To deposit in the Principal Account, the sum which, together with any investment earnings in the Principal Account not theretofore allocated to supplement any previous monthly deposit to the credit of the Principal Account, will be sufficient to pay one-twelfth (1/12) of the Principal Amount of all Serial Bonds maturing in the current Bond Year, if any, plus the full balance of any continuing deficiencies in prior deposits to the Principal Account; and

(c) To deposit in the Term Bonds Retirement Account, a sum which will be sufficient to pay one-twelfth (1/12) of the Amortization Installment, if any, of the then current Bond Year, plus the full balance of any continuing deficiencies in prior deposits to the Term Bonds Retirement Accounts;

(d) The County shall next deposit to the credit of the Reserve Account established in the Sinking Fund, such sum, if any, as will be necessary to immediately restore the funds on deposit therein to an amount equal to the Reserve Account Requirement including the reinstatement of any Reserve Instrument on deposit therein or the cash replacement thereof. Moneys in the Reserve Account shall be applied to the payment of the principal of or interest on the Bonds to the extent the moneys in the Sinking Fund are insufficient for such purpose.

Moneys in the Interest Account shall be used to pay interest on the Bonds as and when the same shall become due, and for no other purpose. Moneys in the Principal Account shall be used to pay the principal of the Bonds as and when the same shall mature, or upon the redemption of all of the Bonds, and for no other purpose. Moneys in the Reserve Account shall be used to pay maturing principal of or interest on the Bonds and the money in the Interest Account, the Principal Account, or the Term Bonds Retirement Account, shall be insufficient therefor, or upon the redemption of all of the Bonds, and for no other purpose. The County shall not be required to make any further payments into the Sinking Fund or into the Reserve Account when the aggregate amount of moneys in both such funds are at least equal to the aggregate principal amount of Bonds issued pursuant to the Resolution then outstanding, plus the amount of interest then due or thereafter to become due on Bonds then outstanding.

2. The balance of any moneys remaining in the Revenue Fund, after all of the above required current payments have been made, may immediately be used by the County for any lawful purpose; provided, however, that none of said moneys shall ever be used for any purposes other than those specified in the Resolution, unless all current payments, including any deficiencies for prior payments, have been made in full and unless the County shall have complied fully with all the covenants and provisions of the Resolution.

The Sinking Fund and the Revenue Fund, and any other special funds established and created by the Resolution, shall constitute trust funds for the purpose provided therein for such funds. All such funds, including the Revenue Fund, shall be continuously secured in the same manner as state and municipal deposits are required to be secured by the laws of the State of Florida. Moneys in the Reserve Account may be invested in Authorized Investments maturing not later than the final maturity date of the Bonds. Any and all income received by the County from the investment of moneys in the Reserve Account shall be deposited into the Sinking Fund. Moneys in the Revenue Fund and the Sinking Fund (not including moneys in the Reserve Account) may be invested in Authorized Investments maturing not later than the date on which the moneys therein will be needed. Any and all moneys received by the Issuer from the investment of moneys in the Revenue Fund and the Sinking Fund shall be retained in or deposited into such respective fund unless otherwise required by applicable law.

Additional Bonds

The County may issue Bonds (the "Additional Bonds") payable from the Pledged Funds on a parity with the Series 2002 Bonds and the Parity Bonds then outstanding pursuant to the Resolution, provided that:

(1) The County is in compliance with all covenants and undertakings of the County (i) contained in the Resolution, in connection with all of the Series 2002 Bonds, the Parity Bonds and any Additional Bonds then outstanding, and (ii) made with respect to any other bonds or other obligations of the County payable from the Pledged Funds or any part thereof and has not been in default as to any payment required to be made under the Resolution during at least the next preceding 24 months, or if at any such time the Series 2002 Bonds, the Parity Bonds and any Additional Bonds shall not have been outstanding for 24 months, then for the period that the Series 2002 Bonds, the Parity Bonds and any Additional Bonds shall have been outstanding.

(2) There shall have been obtained and filed with the County a statement of an independent certified public accountant of suitable experience and responsibility: (i) stating that he has examined the books and records of the County relating to the collection and receipt of the Local Government Half-cent Sales Tax; (ii) setting forth the amount of the Local Government Half-cent Sales Tax received by the County for any twelve (12) consecutive month period within the eighteen (18) consecutive months immediately preceding the date of the issuance of the Additional Bonds with respect to which such statement is made; (iii) stating that the aggregate amount of the Local Government Half-cent Sales Tax for such twelve (12) consecutive month period equals or exceeds 125% of the maximum amount required in any subsequent fiscal year for the payment of the principal of and interest on the Series 2002 Bonds, the Parity Bonds and Additional Bonds previously issued then outstanding and the Additional Bonds with respect to which such statement is made. If, during such twelve (12) consecutive month period, the moneys allocated to the County from the Trust Fund shall have increased pursuant to applicable legislation permitting the pledging of such money in the manner provided in the Resolution, the amount of the Local Government Half-cent Sales Tax stated for such twelve (12) consecutive month period may be adjusted to reflect an amount which would have been allocated to the County had such increased rate been in effect throughout the entire term of such twelve (12) consecutive month period.

The County has the right to issue one or more additional series of bonds which shall be junior and subordinate in all respects to the lien of the Series 2002 Bonds, the Parity Bonds and any Additional Bonds on the Pledged Funds and which, if expressly provided by the resolution authorizing the issuance thereof, shall achieve parity with the Series 2002 Bonds, the Parity Bonds and the Additional Bonds, in all respects, at such time as (i) the conditions prescribed in paragraph (1) above shall prevail, and (ii) there shall have been obtained and filed with the County a statement of an independent certified public accountant containing the statement specified in paragraph (2) above and demonstrating that the County shall have received, for a period of twelve (12) consecutive months, an aggregate amount of Pledged Funds equal to or exceeding 125% of the maximum amount required in any subsequent fiscal year for the payment of the principal of and interest on the Series 2002 Bonds, the Parity Bonds and any Additional Bonds previously issued then outstanding and the principal of and interest on the formerly junior and subordinate bonds which shall then be achieving parity therewith; and if during such twelve (12) consecutive month period, the moneys allocated to the County from the Trust Fund shall have increased pursuant to applicable legislation permitting the pledging of such increase in the manner provided in the Resolution, the amount of the Pledged Funds for such twelve (12) consecutive month period may be adjusted, for the purpose of junior and subordinate obligations achieving parity status with the Series

2002 Bonds, to reflect an amount which would have been allocated to the County had such increased rate been in effect throughout the entire term of such twelve (12) consecutive month period.

Other Covenants

The County has covenanted in the Resolution to keep books and records of the Pledged Funds. Within 180 days of the close of each Fiscal Year it shall furnish to any owner of 2002 Bonds who have requested such, copies of an annual audit report prepared by an independent certified public accountant or an auditing official of the State of Florida, covering for the preceding Fiscal Year, in reasonable detail, the record of the County's receipts of Pledged Funds.

The County also covenants to comply with all of the provisions of Part VI of Chapter 218, Florida Statutes, as amended, and all applicable regulations thereunder, in order that the County shall at all times receive the maximum allocation which it may be entitled to receive from the Trust Fund. The County agrees not to knowingly acquiesce in any attempt to eliminate or reduce the rate of the sales tax or the base upon which it is imposed, if such reduction will result in diminishing the proceeds it receives from the Trust Fund in each future Fiscal Year below an amount equal to 1.25 times the principal of and interest on the Parity Bonds, the Series 2002 Bonds and any Additional Bonds due in such year, and will vigorously resist all such attempts by others to eliminate or reduce the same. The County agrees to comply at all times with the eligibility requirement for participation in distributions received from the Trust Fund.

LEGAL MATTERS

Certain legal matters in connection with the authorization, issuance and sale of the Series 2002 Bonds are subject to the approval of Foley & Lardner, Jacksonville, Florida, Bond Counsel, the form of whose approving opinion is attached hereto as Appendix E. Certain legal matters will be passed upon for the County by James G. Sisco, Esquire, St. Augustine, Florida, County Attorney. Foley & Lardner is acting as Disclosure Counsel for the County.

LITIGATION

There is no pending or, to the knowledge of the County, any threatened litigation against the County of any nature whatsoever which in any way questions or affects the validity of the Series 2002 Bonds, or any proceedings or transactions relating to their issuance, sale, execution, or delivery, or the adoption of the Resolution, or the pledge of the Pledged Funds. Neither the creation, organization or existence, nor the title of the present members of the Board of County Commissioners, or other officers of the County is being contested.

The County experiences litigation and claims incidental to the conduct of its affairs. In the opinion of the County Attorney, there are no actions presently pending or threatened, the adverse outcome of which would have a material adverse effect on the County's ability to receive the Pledged Funds.

TAX MATTERS

Federal Tax Matters

The Internal Revenue Code of 1986, as amended (the "Code"), contains a number of requirements and restrictions which apply to the Series 2002 Bonds, including investment restrictions, a requirement of periodic payments of arbitrage profits to the United States, requirements regarding the use of bond proceeds and the facilities financed therewith, and certain other matters. The County has covenanted to use its best efforts to comply with all requirements of the Code that must be satisfied in order for the interest on the Series 2002 Bonds to be excluded from gross income for federal income tax purposes. Failure to comply with certain of such requirements could cause interest on the Series 2002 Bonds to be included in gross income retroactive to the date of issuance of the Series 2002 Bonds.

Subject to the condition that the County comply with the pertinent requirements of the Code, under existing law, in the opinion of Bond Counsel, interest on the Series 2002 Bonds will be excluded from the gross income of the owners thereof for federal income tax purposes and will not be treated as an item of tax preference in computing the alternative minimum tax for individuals and corporations. Reference is made to a proposed form of the Bond Counsel opinion attached hereto as Appendix E for the complete text thereof.

In rendering the opinion, Bond Counsel will rely upon certificates of the County with respect to certain material facts relating to the property financed and refinanced with the proceeds of the Series 2002 Bonds and the application of the proceeds of the Series 2002 Bonds.

The Code contains numerous provisions which could affect the economic value of the Series 2002 Bonds to certain owners of the Series 2002 Bonds. The following is a brief summary of some of the significant provisions that may be applicable to particular owners of the Series 2002 Bonds. Prospective owners of the Series 2002 Bonds, however, should consult their own tax advisors with respect to the impact of such provision on their own tax situations.

The Series 2002 Bonds will not be "qualified tax-exempt obligations" within the meaning of Section 265(b) of the Code. Interest on indebtedness incurred or continued to purchase or carry the Series 2002 Bonds or, in the case of banks and certain other financial institutions, interest expense allocable to interest on the Series 2002 Bonds, will not be deductible for federal income tax purposes.

Insurance companies (other than life insurance companies) are required to reduce the amount of their deductible underwriting losses by 15% of the amount of tax-exempt interest received or accrued on certain obligations, including the Series 2002 Bonds, acquired after August 7, 1986. If the amount of this reduction exceeds the amount otherwise deductible as losses incurred, such excess may be includable in income. Life insurance companies are subject to similar provisions under which taxable income is increased by reason of receipt or accrual of tax-exempt interest, such as interest on the Series 2002 Bonds.

Interest on the Series 2002 Bonds must be included in the "adjusted current earnings" of corporations (other than S corporations, regulated investment companies, real estate investment trusts, and REMICs), and such corporations are required to include in their calculation of alternative minimum taxable income 75% of the excess of adjusted current earnings over alternative minimum taxable income (determined with regard to this adjustment and prior to reduction of certain net operating losses).

Certain recipients of social security benefits and railroad retirement benefits are required to include a portion of such benefits in gross income by reason of the receipt or accrual of interest on tax-exempt obligations, such as the Series 2002 Bonds.

For foreign corporations that operate branches in the United States, Section 884 of the Code imposes a branch level tax on certain earnings and profits in the tax years beginning after 1986. Interest on tax-exempt obligations, such as the Series 2002 Bonds, may be included in the determination of such domestic branches' taxable base on which this tax is imposed.

From time to time, legislative proposals are pending in Congress that if enacted would alter or amend one or more of the federal tax matters referred to above in certain respects or would adversely affect the market value of the Series 2002 Bonds. It cannot be predicted whether or in what form any such proposals, either pending or that could be introduced, may be enacted and there can be no assurance that such proposals will not apply to the Series 2002 Bonds.

Florida Tax Matters

It is also the opinion of Bond Counsel that, under existing law, the Series 2002 Bonds and the interest thereon are exempt from taxation under the laws of the State of Florida, except as to estate taxes and taxes on interest, income or profits on debt obligations owned by corporations, as defined in Chapter 220, Florida Statutes, as amended.

Original Issue Discount

In the opinion of Bond Counsel, under existing law, the original issue discount in the selling price of each of the Series 2002 Bonds maturing in 20__ , 20__ and 20__ (the "Discount Bonds"), is excluded from gross income for federal income tax purposes to the same extent that any interest payable on such Discount Bond is or would be excluded from gross income for federal income tax purposes. The original issue discount is the excess of the stated redemption price at maturity of a Discount Bond over the initial offering price to the public, excluding underwriters or other intermediaries, at which price a substantial amount of such Discount Bonds were sold (the "issue price").

Under Section 1288 of the Code, original issue discount on tax-exempt bonds accrues on a compound interest basis. The amount of original issue discount that accrues to an owner of a Discount

Bond during any accrual period generally equals (i) the issue price of such Discount Bond plus the amount of original issue discount accrued in all prior accrual periods multiplied by (ii) the yield to maturity of such Discount Bond (determined on the basis of compounding at the close of each accrual period and properly adjusted for the length of each accrual period), less (iii) any interest payable on such Discount Bond during such accrual period.

The amount of original issue discount so accrued in a particular accrual period will be considered to be received ratably on each day of the accrual period, and will increase the owner's tax basis in such Discount Bond. The adjusted tax basis in a Discount Bond will be used to determine taxable gain or loss upon a disposition (e.g., sale, exchange, redemption, or payment at maturity) of such Discount Bond.

If a Discount Bond is purchased for a cost that exceeds the sum of the issue price plus accrued interest and accrued original issue discount, the amount of original issue discount that is deemed to accrue thereafter to the purchaser is reduced by an amount that reflects amortization of such excess over the remaining term of such Discount Bond.

As described above regarding tax-exempt interest, a portion of the original issue discount that accrues in each year to an owner of a Discount Bond may result in certain collateral federal income tax consequences. In the case of a corporation, such portion of the original issue discount will be included in the calculation of the corporation's alternative minimum tax liability and the branch profits tax liability. Corporate owners of any Discount Bonds should be aware that the accrual of original issue discount in each year may result in an alternative minimum tax liability or a branch profits tax liability although the owners of such Discount Bonds will not receive a corresponding cash payment until a later year.

Owners of Discount Bonds who did not purchase such Discount Bonds in the initial offering at the issue price should consult their own tax advisors with respect to the tax consequences of owning such Discount Bonds.

Owners of such Discount Bonds should consult their own tax advisors with respect to state and local tax consequences of the Discount Bonds. It is possible that under the applicable provisions governing the determination of state and local income taxes, accrued original issue discount on Discount Bonds may be deemed to be received in the year of accrual, even though there will not be a corresponding cash payment until a later year.

Original Issue Premium

Each of the Series 2002 Bonds maturing in 20__, 20__ and 20__ (the "Premium Bonds") has an issue price that is greater than the amount payable at maturity of such Premium Bonds. Any Premium Bond purchased in the initial offering at the issue price will have "amortizable bond premium" within the meaning of Section 171 of the Code. An owner of a Premium Bond that has amortizable bond premium is not allowed any deduction for the amortizable bond premium. During each taxable year, such an owner must reduce his or her tax basis in such Premium Bond by the amount of the amortizable bond premium that is allocable to the portion of such taxable year during which the holder held such Premium Bond. The adjusted tax basis in a Premium Bond will be used to determine taxable gain or loss upon a disposition (e.g., upon a sale, exchange, redemption, or payment at maturity) of such Premium Bond.

Owners of Premium Bonds who did not purchase such Premium Bonds in the initial offering at an issue price should consult their own tax advisors with respect to the tax consequences of owning such Premium Bonds. Owners of Premium Bonds should consult their own tax advisors with respect to the state and local tax consequences of the Premium Bonds.

RATINGS

As noted on the cover of this Official Statement, Moody's Investors Service, Inc. ("Moody's") and Standard & Poor's Credit Market Services, a Division of The McGraw-Hill Companies ("Standard & Poor's") are expected to issue their ratings of "AAA" and "AAA", respectively, to the Series 2002 Bonds with the understanding that upon delivery of the Series 2002 Bonds, the Policy will be issued by the Insurer. The Issuer also has applied to Moody's and Standard & Poor's for ratings without giving effect to the Bond Insurance Policy. Moody's and Standard & Poor's have assigned underlying ratings of "Aa3" and "A," respectively, to the Series 2002 Bonds. The underlying ratings are based on the capacity of the Issuer to pay debt service on the Series 2002 Bonds without giving effect to the Bond Insurance Policy to be issued by the Insurer. An explanation of the significance of any ratings may be obtained only from the rating agency furnishing the same. There is no assurance that such ratings will be in effect for any given period of time or that they will not be revised upward or downward or withdrawn entirely by such rating agencies if, in the judgment of such agencies, circumstances so warrant. Any such downward revision or withdrawal of any ratings may have an adverse effect on the market price of the Series 2002 Bonds.

UNDERWRITING

The Series 2002 Bonds are being purchased by William R. Hough & Company, the Underwriter, subject to certain terms and conditions, including the approval of certain legal matters by Bond Counsel.

The aggregate purchase price payable by the Underwriter is \$ _____ (including a net original issue discount of \$ _____ and Underwriter's discount of \$ _____) plus accrued interest. The Series 2002 Bonds are offered for sale to the public at the prices or yields set forth on the cover page of this Official Statement. The Series 2002 Bonds may be offered and sold to certain dealers at prices lower than such offering prices and such public offering prices may be changed, from time to time, by the Underwriter.

FINANCIAL ADVISOR

The County has retained Public Financial Management, Inc., Orlando, Florida, as Financial Advisor in connection with preparation of the County's plan of financing and with respect to the authorization and issuance of the Series 2002 Bonds. The Financial Advisor is not obligated to undertake and has not undertaken to make, an independent verification or to assume responsibility for the accuracy, completeness or fairness of the information contained in the Official Statement. Public Financial Management, Inc. is a financial advisory and consulting organization and is not engaged in the business of underwriting, marketing or trading of municipal securities or any other negotiable instruments.

INVESTMENT POLICIES

GENERAL INFORMATION CONCERNING THE COUNTY

INDEPENDENT AUDITORS' REPORT

The Honorable Members of the
Board of County Commissioners
St. Johns County, Florida

We have audited the accompanying general purpose financial statements of St. Johns County, Florida, (the "County"), as of September 30, 2001 and for the year then ended, listed in the foregoing table of contents. These general purpose financial statements are the responsibility of the management of the County. Our responsibility is to express an opinion on these general purpose financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the general purpose financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the general purpose financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, such general purpose financial statements present fairly, in all material respects, the financial position of the County as of September 30, 2001, and the results of its operations and the cash flows of its proprietary fund types for the year then ended in conformity with accounting principles generally accepted in the United States of America.

As discussed in Note 2 to the general purpose financial statements, the County adopted the provisions of Governmental Accounting Standards Board Statement No. 33, *Accounting and Financial Reporting for Nonexchange Transactions*, as of October 1, 2000.

Our audit was conducted for the purpose of forming an opinion on the general purpose financial statements taken as a whole. The combining and individual fund and account group financial statements and schedules listed in the foregoing table of contents, are presented for the purpose of additional analysis and are not a required part of the general purpose financial statements of the County. These financial statements and schedules are also the responsibility of the management of the County. Such additional information has been subjected to the auditing procedures applied in our audit of the general purpose financial statements and, in our opinion, is fairly stated in all material respects when considered in relation to the general purpose financial statements taken as a whole.

This page intentionally left blank.

In accordance with *Government Auditing Standards*, we have also issued our report dated January 4, 2002 on our consideration of the County's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grants. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be read in conjunction with this report in considering the results of our audit.

The statistical data on pages 155 - 173 are presented for purposes of additional analysis and are not a required part of the general purpose financial statements of St. Johns County, Florida. Such information has not been subjected to the auditing procedures applied in our audit of the general purpose financial statements and, accordingly, we express no opinion on it.

ST. JOHNS COUNTY, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED SEPTEMBER 30, 2001

1. REPORTING ENTITY

St. Johns County (the "County") is a political subdivision of the State of Florida established in 1821. The County is organized under Article III of the Constitution of the State of Florida that empowers the creation of political subdivisions of the State. It is governed by an elected Board of County Commissioners ("Board"), which derives its authority by Florida Statutes and regulations. In addition to the members of the Board, there are five elected Constitutional Officers that are legally separate entities: Clerk of the Circuit Court, Sheriff, Tax Collector, Property Appraiser and Supervisor of Elections. The Constitutional Officers maintain separate accounting records and budgets.

For the purpose of these financial statements the financial reporting entity includes St. Johns County (the primary government) and its component units as required by accounting principles generally accepted in the United States of America ("Generally Accepted Accounting Principles").

The component units discussed below are included in the County's reporting entity either because of the significance of the operational relationship or the County is financially accountable for the component unit.

The County is financially accountable for an organization when the County appoints a voting majority for the organization's governing body and is able to impose its will on the organization; there is a potential for the organization to provide a financial benefit or impose a financial burden on the County; or the organization is fiscally dependent on the County.

Specific criteria used to determine financial accountability are:

Selection of a Voting Majority of the Governing Body

Imposition of Will: Ability to remove appointed members at will, ability to approve or modify charges affecting revenue; ability to appoint, hire or dismiss management.

Financial Benefit or Burden Relationship: The County is legally entitled to or can otherwise access the organization's resources; the County is legally obligated or has otherwise assumed the obligation to finance the deficits of or provide support to the organization; or the County is obligated in some manner for the debt of the organization.

Fiscal Dependency: Ability to approve or modify the organization's budget; ability to approve or modify rate charges; ability to approve debt issuances and/or tax levies.

Blended Component Units, although legally separate entities, are in substance part of the government's operations and so data from these units are combined with data of the primary government.

Blended Component Units

The Anastasia Sanitary District, Elkton Drainage District, and the St. Augustine Fire District are blended component units of the County. These component units are included in the County's reporting entity because each meets all of the specific criteria listed above for financial accountability.

The Anastasia Sanitary District is a legislatively created body of local government. In 1992, its assets and liabilities were transferred to the Board by a subsequent act of the State legislature. There has been no activity for the Anastasia Sanitary District since that date, but the Anastasia Sanitary District maintains its legal existence.

1. REPORTING ENTITY (continued)

The constitutional officers are the Property Appraiser, Sheriff, Supervisor of Elections, Clerk of the Circuit Court and Tax Collector. The Property Appraiser, Sheriff and Supervisor of Elections are budget officers fully funded by the Board. The Clerk and Tax Collector act as fee officers in all or part of their operations. This means that these operations are funded by fees collected by the Officer and are not funded by the Board. The Clerk's duties as Clerk to the Board are budgeted functions fully funded by the Board; the Clerk's duties as Clerk of the Circuit Court are funded by fees collected by that office. Transfers to budgeted Constitutional Officers are reported as operating transfers in the financial statements of the Constitutional Officers. Although these five officers are operationally autonomous, they do not hold sufficient corporate powers of their own to be considered separate component units for financial reporting purposes. Therefore, they are reported together with the Board as part of the primary government.

Discretely Presented Component Units are reported in separate columns on the combined financial statements to emphasize they are legally separate from the government.

Discretely Presented Component Units

The St. Johns County Housing Finance Authority (the "HFA") was created as a Florida public corporation in accordance with Florida Housing Finance Authority Law, Part IV of Chapter 159, Florida Statutes (1979), following the adoption of an approving ordinance (No. 80-7, dated February 26, 1980) by the Board of County Commissioners of St. Johns County, Florida. The purpose of the HFA is to encourage the investment of private capital and stimulate the construction of residential housing for low to moderate income families through the use of public financing. The HFA is authorized to issue bonds to fulfill its corporate purpose in principal amounts specifically authorized by the County.

The St. Johns County Industrial Development Authority (the "IDA") was created as a Florida public corporation in accordance with Florida Finance Authority Law, Part III of Chapter 159, Florida Statutes (1979), following the adoption of an approving ordinance (No. 80-9, dated January 22, 1980) by the Board of County Commissioners of St. Johns County, Florida. The purpose of the IDA is to stimulate industrial development through the use of public financing. The IDA is authorized to issue bonds to fulfill its corporate purpose in principal amounts specifically authorized by the County.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED SEPTEMBER 30, 2001

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The accounting policies of the County conform to accounting principles generally accepted in the United States of America as applicable to governments. The following is a summary of the more significant policies:

A. Fund Accounting

The accounts of the County are organized on the basis of funds and account groups, each of which is considered a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprises its assets, liabilities, fund equity, revenue and expenditures, or expenses, as appropriate. Government resources are allocated to, and accounted for, in individual funds based upon the purposes for which they are to be spent and the means by which spending activities are controlled. The purpose of the County's various funds and account groups are as follows:

Governmental Funds

General Fund - The General Fund is the operating fund of the County. It is used to account for all financial resources, except those required to be accounted for in another fund.

Special Revenue Funds - Special Revenue Funds are used to account for the proceeds of a specific revenue source (other than major capital projects) that are legally restricted to expenditures for specified purposes.

Debt Service Funds - Debt Service Funds are used to account for the accumulation of resources for and the payment of general long-term debt principal and interest and related costs, other than those payable from Enterprise Funds and Special Assessment Funds.

Capital Projects Funds - Capital Projects Funds are used to account for financial resources to be used for the acquisition or construction of major capital facilities or improvements (other than those financed by the Proprietary Funds).

Proprietary Funds

Enterprise Funds - Enterprise Funds are used to account for operations: (a) that are financed and operated in a manner similar to private business enterprises where the intent of the governing body is that the costs (expenses, including depreciation) of providing goods or services to the general public on a continuing basis be financed or recovered primarily through user charges; or (b) where the governing body has decided that periodic determination of revenue earned, expenses incurred, and/or net income is appropriate for capital maintenance, public policy, management control, accountability, or other purposes.

ST. JOHNS COUNTY, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED SEPTEMBER 30, 2001

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Internal Service Funds - Internal Service Funds are used to account for the financing of goods or services provided by one department or agency to other departments or agencies of the County on a cost reimbursement basis.

Fiduciary Funds

Expendable Trust Funds - Expendable Trust Funds are generally used in instances where legally mandated or where a formal legal trustee relationship exists. Both principal and income may be expended in the course of their designated operations.

Agency Funds - Agency Funds are used to account for assets held by the County as an agent for individuals, private organizations, other governmental and/or other funds.

Account Groups

General Fixed Assets - The General Fixed Assets Account Group is used to account for all fixed assets of the County except fixed assets of Proprietary Funds.

General Long-term Obligations - The General Long-Term Obligations Account Group is used to account for all the outstanding principal balances of any general and special obligation bonds or notes, capitalized leases, installment purchases, and compensated absences of the County except long-term obligations of Proprietary Funds.

B. Measurement Focus

Governmental Fund Types - General, Special Revenue, Debt Service and Capital Projects Funds are accounted for on a "spending" or "financial flow" measurement focus. This means that only current assets and current liabilities are generally included on the balance sheets. Accordingly the reported undesignated fund balances (net current assets) are considered a measure of available, spendable or appropriable resources. Governmental Fund Type operating statements present increases (revenues and other financing sources) and decreases (expenditures and other financing uses) in net current assets.

Proprietary Fund Types - Proprietary Funds are accounted for on an "income determination" measurement focus. Accordingly, all assets and liabilities are included on their balance sheets, and the reported fund equities (total reported assets less total reported liabilities) provide an indication of the economic net worth of the funds. Operating statements for Proprietary Fund Types (on an income determination measurement focus) report increases (revenues) and decreases (expenses) in total economic worth.

Fiduciary Fund Types - Expendable Trust and Agency Funds are accounted for as follows: Expendable Trust Funds are accounted for in the same manner as Governmental Fund Types; Agency funds are custodial in nature (assets equal liabilities) and do not involve measurement of results of operations.

ST. JOHNS COUNTY, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED SEPTEMBER 30, 2001

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Account Groups - The General Fixed Assets Account Group and the General Long-Term Obligations Account Group are concerned only with the measurement of financial position. Account Groups are not involved with the measurement of results of operations. Long-Term obligations, which are not intended to be financed through Proprietary or Fiduciary Funds are accounted for in the Long-Term Obligations Account Group. Fixed assets, which are not used in Proprietary or Fiduciary Fund operations, are accounted for in the General Fixed Assets Account Group.

C. Basis of Accounting

Basis of accounting refers to when revenues and expenditures or expenses are recognized in the accounts and reported in the financial statements. Basis of accounting relates to the timing of the measurements made, regardless of the measurement focus applied.

All Governmental Funds, Expendable Trust Funds, and Agency Funds are accounted for using the modified accrual basis of accounting. Under the modified accrual basis, revenues are recognized when they become measurable and available as net current assets.

The following revenues are treated as susceptible to accrual under the modified accrual basis:

- Property taxes levied for and due within the fiscal year and collected within 60 days after fiscal year end. At September 30, 2001 there were no property taxes receivable.
- Intergovernmental services
- Charges for services
- Rents
- Investment income
- Special assessments

Other revenue sources are not considered measurable and available, and are not treated as susceptible to accrual.

Expenditures are generally recognized under the modified accrual basis of accounting when the related fund liability is incurred except for the principal and interest on general long-term debt, which is recognized when due.

The Proprietary Funds are accounted for using the accrual basis of accounting. Under this method, revenues are recognized when earned and expenses are recognized when incurred. The County has elected to not apply FASB Statements and Interpretations issued after November 30, 1989, as permitted by GASB Statement No.20 *Accounting and Financial Reporting for Proprietary Funds and Other Governmental Entities That Use Proprietary Fund Accounting*.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

D. Cash and Cash Equivalents

Cash and cash equivalents are defined as short-term highly liquid investments that are both readily convertible to known amounts of cash and have an original maturity of three months or less when acquired. This includes cash in banks, petty cash, repurchase agreements, and balances in the Local Government Surplus Funds Trust Fund (the "Trust Fund") administered by the State Board of Administration.

E. Investments

Investments are valued at fair value as determined from quoted market prices at September 30, 2001.

F. Property Taxes

The Tax Collector bills and collects property taxes. Tax revenues are recognized when levied, to the extent that they result in current receivables. At September 30, 2001, there were no property taxes receivable.

Details of the County's tax calendar are presented below:

Lien date January 2, 2000

Levy date November 1, 2000

Installment payments:

1st installment No later than June 30, 2000

2nd installment No later than September 30, 2000

3rd installment No later than December 31, 2000

4th installment No later than March 31, 2001

Regular payments:

Discount periods November 2000 - February 2001

No discount period March 2001

Delinquent date April 1, 2001

Fiscal 2002 installments received prior to September 30, 2001 are required by law to be deposited in the Tax Collector's Agency Fund. Such payments are not considered available resources as of September 30, 2001 and, accordingly, no revenue related to these installments has been recognized in the 2001 financial statements.

G. Inventories

Inventories, consisting primarily of expendable items (materials and supplies), are determined by physical count at the fiscal year end and valued at cost on the basis of the "first-in first-out" method of accounting.

- (1) Governmental Fund inventory is recorded as an expenditure when purchased for financial statement purposes.

ST. JOHNS COUNTY, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED SEPTEMBER 30, 2001

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

- (2) The Proprietary Fund Types' inventory is recorded as an expenditure when consumed rather than when purchased (consumption method) for financial statement purposes.

H. Restricted Assets

Restricted assets are reported in connection with customer deposits and certain special accounts mandated by bond indentures involving proprietary fund borrowings. These assets are legally restricted for specific purposes, such as debt service and new construction.

I. Fixed Assets

(1) Governmental Fund Fixed Assets

Governmental Funds fixed assets are recorded as capital outlay expenditures at the time of purchase. Such assets are capitalized at historical cost in the General Fixed Assets Account Group, except for "Public Domain" infrastructure fixed assets, including roads, bridges, curbs and gutters, streets and sidewalks, drainage systems and lighting systems which are not capitalized. Donated fixed assets are recorded in the General Fixed Assets Account Group at their fair market value at the date of transfer. No depreciation has been provided on general fixed assets.

(2) Enterprise Funds Fixed Assets

Enterprise Funds fixed assets are recorded at cost. Donated fixed assets are capitalized at their fair market value at the date of transfer. Depreciation is provided using the straight-line method. The estimated useful lives of the various classes of depreciable assets are as follows:

ASSETS	YEARS
Water and Sewer Plant	10-50
Landfill Improvements	10-20
Buildings and Improvements	10-60
Equipment	4-10

J. Accrual for Landfill Closure and Post-Closure Costs

Based on the consulting engineer's cost estimates, a portion of the estimated closure and post-closure cost for the Tillman Ridge Landfill is recognized as expense each year to match the flow of revenues. The estimated closure and post-closure cost accrued at September 30, 2001 is based on the current estimate to complete closure of the landfill, and the current estimate to perform long-term care over the next 30 years.

ST. JOHNS COUNTY, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED SEPTEMBER 30, 2001

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

K. Deferred Revenue

Deferred revenue reported in the Governmental Fund Types represents revenues which are measurable but not available. The deferred revenue will be recognized in the fiscal year it becomes available. Deferred revenue is recorded in other liabilities.

L. Accounting for Long-Term Obligations

Revenue bonds and other forms of long-term debt used to finance Proprietary Fund operations and payable from revenue of the Proprietary Funds are recorded in the applicable Proprietary Fund. General obligation bonds and other forms of long-term debt supported by general revenue are obligations of the County as a whole and not its individual constituent funds. Accordingly, such unmatured obligations of the County are accounted for in the General Long-Term Obligations Account Group.

M. Accrued Compensated Absences

The Board follows the provisions of GASB Statement No. 16, *Accounting for Compensated Absences* in accounting for accrued compensated absences. Compensated absences, which are not funded with current resources ("expendable available financial resources"), are reported in the General Long-Term Obligations Account Group for Governmental Fund Types. Proprietary Fund Types accrue compensated absences in the period earned.

N. Contributed Capital

The contributed capital accounted for in the Proprietary Fund Types represents contributions from other funds, developers, and/or state and federal aid programs received prior to October 1, 2000. Such contributions were recognized as increases in equity in the period they were received. Depreciation expense on contributed fixed assets is reflected in the Statement of Revenues, Expenses and Changes in Retained Earnings. Depreciation on contributed fixed assets is transferred to the related contributed capital accounts (reducing contributions instead of retained earnings). Subsequent to October 1, 2001, contributed capital is reflected as increases in net income in the period they were received.

O. Reserves of Fund Balances and Retained Earnings

Reserves recorded in the Governmental Fund Types represent portions of fund balance which cannot be appropriated for expenditures or which have been segregated for specific future uses.

Reserved retained earnings of the Enterprise Funds are created by the existence of assets restricted for debt service, new construction and closure costs. Increases in restricted assets result from interest earned and intrafund transfers to restricted accounts. Earnings on restricted assets are included in net income of the Proprietary Funds.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

P. Budgets and Budgetary Accounting

The County uses the following procedures in establishing the budgetary data reflected in the financial statements.

- (1) The County adopts its budget in accordance with Chapters 129 and 200, Florida Statutes, and County Policy.
 - (a) The County and County Administrator follow an internal hearing process to set the proposed tentative budget and millage.
 - (b) Public hearings are then held to adopt a tentative budget and millage in accordance with Chapters 129 and 200, Florida Statutes.
- (2) All funds of each governmental fund type with legally adopted annual budgets are included in the Combined Statement of Revenues, Expenditures and Changes in Fund Balance - Budget and Actual.
- (3) The County, with the exception of certain Special Revenue Funds, adopts budgets for all Governmental Funds. Appropriations for these limited Special Revenue Funds are approved, as necessary, during the fiscal year.
- (4) Level of Control - Expenditures may not exceed appropriations and are controlled in the following manner:
 - (a) The budget is controlled according to Chapter 129, Florida Statutes, at the total fund level.
 - (b) The County has adopted more stringent policies that control expenditures on the department level within funds.
 - (c) The County has adopted a budget amendment policy that allows the County Administrator to make budget transfers within departments within a fund; therefore the legal level of control is at the department level. However, for the majority of the County's funds there is only one department within the fund. As a result, when the County reports by fund it is reporting at the legal level of control for those funds. For the funds that have more than one department, supporting schedules are presented for a comparison of budget to actual expenditures at the department level.

Those funds are as follows:

General Fund
Special Revenue Funds:
Building Service Fund
County Transportation Trust
Additional Court Costs
Beach
Tourist Development Tax

ST. JOHNS COUNTY, FLORIDA
 NOTES TO THE FINANCIAL STATEMENTS
 FOR THE YEAR ENDED SEPTEMBER 30, 2001

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

- (d) The Board of County Commissioners must authorize budget transfers between departments in a fund.
- (5) All budgets are adopted in accordance with generally accepted accounting principles.
- (6) Florida Statutes do not require adoption of budgets for Proprietary, Trust and Agency Funds or Debt Service Funds.
- (7) Appropriations for the Board lapse at the close of each fiscal year.
- (8) Formal budgetary integration is used as a management control device for all governmental funds of the Board.
- (9) Supplemental Appropriations - In certain instances the County may advertise and hold public hearings in order to supplement the appropriations in a fund due to unexpected high levels of receipts or under estimation of carry forward balances. They may also supplement appropriations by resolution due to unanticipated or designated receipts. In fiscal year 2001 supplemental appropriations were approved by resolution in accordance with County policy as follows:

General Fund	\$3,452,785
Transportation	750,000
Utility	175,000
Flagler West Renovation	119,789
Fire Service	73,307
Mental Health	61,778
Fleet Maintenance	33,973
Beach Fund	25,000

Q. New Accounting Standards

In December 1998, the Governmental Accounting Standards Board, (the "GASB") issued Statement No. 33 *Accounting and Financial Reporting for Non-exchange Transactions*, and in April 2000, amended Statement No. 33 by issuing Statement No. 36, *"Recipient Reporting for Certain Shared Nonexchange Revenues – an amendment of GASB No. 33."* Generally, these statements establish accounting and financial reporting standards to guide state and local governments' decisions about when (in which fiscal year) to report the results of non-exchange transactions involving cash and other financial and capital resources. These transactions include most taxes, grants and donations. The timing of financial statement recognition will depend on the nature of the non-exchange transaction as well as the basis of accounting (accrual or modified accrual). As required by Statement No. 33, as amended, the County adopted the provisions of these statements effective October 1, 2000. In accordance with Statement No. 33, the County recognized \$4,280,461 contributed developer capital as a component of net income for the year ended September 30, 2001.

ST. JOHNS COUNTY, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED SEPTEMBER 30, 2001

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

In June 1999, the GASB issued Statement No. 34, *Basic Financial Statements - and Management's Discussion and Analysis - for State and Local Governments*, and in June, 2001 amended Statement No. 34 by issuing Statement No. 37, *Basic Financial Statements - and Management's Discussion and Analysis - for State and Local Governments* and Statement No. 38, *"Certain Financial Statement Note Disclosures."* Generally, these statements establish financial reporting standards for state and local governments including states, cities, towns, villages, and special-purpose governments such as school districts and public utilities. They establish that the basic financial statements and required supplementary information for general governments should consist of: management's discussion and analysis, basic financial statements, and required supplementary information. The requirements of these statements are effective for the County in the year ended September 30, 2002. Management has not yet determined the impact of these statements on its financial statements.

In March 2000, the GASB issued Interpretation No. 6, *Recognition and Measurement of Certain Liabilities and Expenditures in Governmental Fund Financial Statements*. This Interpretation clarifies the application of standards for modified accrual recognition of certain liabilities and expenditures in areas where differences have arisen, or potentially could arise, in interpretation and practice. The requirements of this interpretation are effective for the Board in the year ending September 30, 2002. Management has not yet determined the effect of this interpretation on its financial statements.

R. "Totals (Memorandum Only)" Columns on Combined Statements-Overview

Total columns on the combined statements are captioned "Totals (Memorandum Only)" to indicate that they are presented only to facilitate financial analysis. Data in these columns do not present financial position, results of operations, or changes in cash flows in conformity with accounting principles generally accepted in the United States of America. Neither are such data comparable to a consolidation. Interfund transactions have not been eliminated from the "Totals (Memorandum Only)" column.

3. CASH AND INVESTMENTS

A. Cash and Cash Equivalents

The County, for accounting and investment purposes, maintains pooled cash and cash equivalent accounts for all County funds, except for monies which are legally restricted to separate administration. This gives the County the ability to invest large amounts of idle cash for short periods of time and to maximize earning potential. The "Equity in pooled cash and cash equivalents" represents the amount allocated to each fund.

ST. JOHNS COUNTY, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED SEPTEMBER 30, 2001

3. CASH AND INVESTMENTS (continued)

At September 30, 2001, the County's cash on deposit in bank accounts was \$9,383,030, all of which was insured by federal deposit insurance or collateralized pursuant to Chapter 280, Florida Statutes. All collateralized deposits are insured. The related carrying amount was \$6,730,706. Monies which are placed on deposit with financial institutions in the form of demand deposit accounts, time deposits accounts and certificates of deposit are defined as public deposits. All the County's public deposits are held in qualified public depositories pursuant to Chapter 280, Florida Statutes, "Florida Security for Public Deposits Act."

Chapter 280, Florida Statutes, generally requires public funds to be deposited in a bank or savings association designated by the State Treasurer as authorized to receive deposits in the state and meeting collateral requirements. The required collateral of a qualified public depository is any eligible collateral (including federal, federally-guaranteed, state and local government obligations and corporate bonds) having a market value of at least 50 percent of the public deposits in excess of any applicable deposit insurance. The collateral is held by the State Treasury, a bank or savings association. If circumstances warrant, the State Treasurer may increase the required collateral to 125 percent of a public depository's public deposits. Section 280.08(3), Florida Statutes, provides that if the loss to public depositories is not covered by deposit insurance and the proceeds from the sale of securities pledged by the defaulting depository, the difference will be provided by an assessment levied against other qualified public depositories of the same type as the depository in default.

Component Units - At September 30, 2001, the Housing Finance Authority and Industrial Development Authority's cash on deposit in bank accounts and the related carrying amounts were \$223,530, all of which was insured by federal deposit insurance or collateralized pursuant to Chapter 280, Florida Statutes.

B. Investments

The County's investment practices are governed by Chapter 219, Florida Statutes, and various legal covenants related to outstanding bond issues. The County is authorized to invest in certificates of deposit, the Local Government Surplus Funds Trust Fund (the "Trust Fund") administered by the State Board of Administration, repurchase agreements, money market funds, commercial paper and certain instruments of the U.S. Treasury. The fair value of the investment in the Local Government Surplus Funds Trust Fund is the same as the value of the pool shares held at September 30, 2001.

Under Section 215.47, Florida Statutes, investments held by the State Board of Administration are entirely collateralized and insured by the State. The State Board of Administration is authorized to invest in certificates of deposit, money market certificates, obligations of the U.S. Treasury, its agencies and instrumentalities, and repurchase and reverse repurchase agreements collateralized by U.S. securities.

3. CASH AND INVESTMENTS (continued)

At September 30, 2001, the Tax Collector had investments in overnight repurchase agreements in the amount of \$815,000. During the year, the amounts the Tax Collector invested in overnight repurchase agreements were significantly higher (up to \$47,000,000) than the balance at September 30, 2001. Fluctuations in these investments are caused by higher cash flows at certain times during the year. The overnight repurchase agreements are classified as Category 1 credit risk.

In accordance with GASB Statement No. 3, *Deposits with Financial Institutions, Investments (including Repurchase Agreements), and Reverse Repurchase Agreements*, the County's investments are categorized as follows to give an indication of the level of credit risk assumed by the County at September 30, 2001. Category 1 includes investments that are insured or registered or for which the securities are held by the County or its agent in the County's name. Category 2 includes uninsured and unregistered investments for which the securities are held by the counterparty's trust department or agent in the County's name. Category 3 includes uninsured and unregistered investments for which securities are held by a counterparty, or by its trust department or agent, but not in the County's name.

At September 30, 2001, the County's cash and cash equivalent and investment balances were as follows:

ST. JOHNS COUNTY, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED SEPTEMBER 30, 2000

9. EMPLOYEE BENEFITS

A. Retirement Plan

Plan Description -St. Johns County participates in the Florida Retirement System (the "FRS"), a cost-sharing multiple-employer public employee retirement system administered by the State of Florida, Department of Management Services, Division of Retirement, to provide retirement and survivor benefits to participating public employees. Chapter 121, Florida Statutes, establishes the authority for participant eligibility, contribution requirements, vesting eligibility and benefit provisions. FRS issues a publicly available financial report that includes financial statements and required supplementary information. That report may be obtained by contacting the State of Florida Department of Management Services, Division of Retirement, Bureau of Research, Education and Policy, 2639 North Monroe Street, Building C, Tallahassee, Florida 32399-1650 or by calling (850) 488-5540.

Effective July 1, 1998, the Legislature established a Deferred Retirement Option Program ("DROP"). This program allows eligible employees to defer receipt of monthly retirement benefit payments while continuing employment with a Florida Retirement System employer for a period not to exceed 60 months after electing to participate. Deferred monthly benefits are held in the Florida Retirement System Trust Fund and accrue interest.

Funding Policy - The Board is required to pay all contributions for full-time and part-time employees. Generally, employee participation in FRS is compulsory. The contribution rates are as follows (including a health insurance subsidy of 1.1%, .94 % and .94% for the years ended September 30, 2001, 2000, and 1999, respectively):

	October 1, 1998 Through <u>June 30, 1999</u>	July 1, 1999 Through <u>June 30, 2000</u>	July 1, 2000 Through <u>June 30, 2001</u>	July 1, 2001 Through <u>Sept 30, 2001</u>
Elected County Officials	27.93%	17.99%	16.99%	15.11%
Senior management service	24.04%	12.13%	11.13%	9.28%
Regular employees	16.45%	10.15%	9.15%	7.30%
Special risk administrative support	15.58%	12.47%	11.68%	9.83%
DROP participants	12.50%	12.50%	12.50%	12.67%

The County's contributions to the FRS amounted to approximately \$5,209,374, \$4,908,000 and \$6,049,000 for the years ended September 30, 2001, 2000 and 1999 respectively. The County contributed 100% of the required contributions for each of the years ended September 30, 2001, 2000 and 1999.

B. Other Postemployment Benefits

In 1987, the Florida Legislature established through Section 112.363, Florida Statutes, the Retiree Health Insurance Subsidy ("HIS") to assist retirees of all state-administered retirement systems in paying health insurance costs. For the period from October 1, 2000, through September 30, 2001, eligible retirees and beneficiaries received as much as \$5 per month for each year of creditable service completed at the time of retirement.

ST. JOHNS COUNTY, FLORIDA
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED SEPTEMBER 30, 2000

9. EMPLOYEE BENEFITS (continued)

The payments to individual retirees or beneficiaries at each year-end were at least \$50 but not more than \$150 per month.

To be eligible to receive HIS, a retiree under any state-administered retirement system must provide proof of health insurance coverage, which can include Medicare.

HIS is funded by required contributions from FRS' participating employers. The contribution rate is .94% of payroll for all active employees covered by the FRS. This contribution was added to the amount submitted for retirement contributions and was deposited in a separate trust fund from which HIS payments are authorized. If these contributions fail to provide full subsidy benefits to all participants, the subsidy payments may be reduced or canceled.

In addition to the HIS, Chapter 110.123, Florida Statutes, provides that retirees may participate in the State's group health insurance programs. Premiums are paid by the retiree.

C. Deferred Compensation Plan

The County offers its employees a deferred compensation plan (the "Plan") created in accordance with Section 457 of the Internal Revenue Code. This Plan (refer to Section 112.215, Florida Statutes), available to all regular payroll County employees, permits them to defer a portion of their salaries until future years. The deferred compensation is not available to employees until termination, retirement, death or unforeseeable emergency.

All amounts of compensation deferred under the Plan, all property and rights purchased with those amounts, and all income attributable to those amounts, property or rights are (notwithstanding the mandates of 26 U.S.C. s. 457 (b) (6)), all of the assets specified in subparagraph 1) held in trust for the exclusive benefit of participants and their beneficiaries as mandated by 26 U.S.C. s. 457 (g) (1).

The County does not contribute to the Plan. Participation under the Plan is solely at the discretion of the employee. The County has no liability for losses under the Plan but does have the duty of due care that would be required of an ordinary and prudent investor. During the 1997 fiscal year Chapter 97-8 of the Laws of Florida amended section 112.215, Florida Statutes, by creating the Deferred Compensation Trust Fund, which is an expendable trust fund, in the State Treasury.

D. Accrued Compensated Absences

Upon termination an employee may be paid for some or all of accrued vacation time. All County employees, except employees of the Tax Collector with ten years credited service can be paid for a portion of accrued sick leave. Accrued compensated absences are based on the following guidelines:

	VACATION	SICK LEAVE

11. CONTRIBUTED CAPITAL

Changes in contributed capital of the Enterprise Funds are summarized as follows:

Balance, October 1, 2000	\$24,858,073
Depreciation on contributed assets	(463,016)
Balance, September 30, 2001	<u>\$24,395,057</u>

As discussed in Note 2Q, the County adopted GASB Statement No. 33 in 2001. As a result, contributions are recorded as a component of net income in the Enterprise Funds and are no longer additions to contributed capital.

12. RISK MANAGEMENT

A. Public Entity Risk Pool

The County is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; injuries to employees; and natural disasters. The County belongs to the Florida Association of Counties Trust (the "Trust"), a public entity risk pool currently operating as a common risk management and insurance program for twenty-seven member counties. The County pays an annual premium to the Trust for its coverage. The premiums are designed to fund the liability risks assumed by the Trust and are based on certain actual exposures of each member. There were no claims paid which exceeded coverage during the last three fiscal years.

B. Self Insurance

St. Johns County provides health, life and accidental death and dismemberment insurance for its employees via a Self Insurance Internal Service Fund to account for and finance its self insured risks of loss. Under this program, the Health Insurance Internal Service Fund provides coverages up to a maximum of \$4,346,600. The Board purchases commercial insurance for claims in excess of coverage provided by the Fund.

Additionally, as of September 30, 2001, the Board's risks of loss related to workers compensation are no longer covered by the Hartford Specialty Company. Effective October 1, 2001, the Board obtained workers compensation coverage with Bituminous Insurance. The Board believes it is more economical to manage its risks internally and set aside assets for claim settlement in the Workers Compensation Internal Service Fund. The Workers Compensation Internal Service Fund services all claims for risk of workers compensation loss to which the Board is exposed under the previous risk pool, and the monthly premiums payable under the current policy.

ST. JOHNS COUNTY, FLORIDA
 NOTES TO FINANCIAL STATEMENTS
 FOR THE YEAR ENDED SEPTEMBER 30, 2000

12. RISK MANAGEMENT (continued)

All funds and constitutional officers of the County participate in both programs. The cost of providing claims servicing and claims payment is allocated by charging a "premium" to each fund and Officer based on a percentage of each organization's estimated current-year payroll. This charge considers recent trends in actual claims experience of the County as a whole and makes provision for catastrophe losses.

The September 30, 2001 claims liability of \$653,772 and \$636,497 reported in the Health Insurance and Worker's Compensation Funds, respectively, is based on the requirements of GASB Statement No. 10, which requires that a liability for claims be reported if information prior to the issuance of the financial statements indicates that it is probable that a liability has been incurred at the date of the financial statements and that the amount of loss can be reasonably estimated, including an estimate for liabilities incurred but not reported. Because actual claims liabilities depend on such complex factors as inflation, changes in legal doctrines, and damage awards, the process used in computing claims liability does not necessarily result in an exact amount. Claims liabilities are reevaluated periodically to take into consideration recently settled claims, the frequency of claims, and other economic and social factors. The claims liability at fiscal year end is shown at current dollar value.

Changes in the Health Insurance Fund's claims liability amount was as follows:

<u>Fiscal Year</u>	<u>Balance October 1</u>	<u>Current Year Claims/Changes in Estimates</u>	<u>Claim Payments</u>	<u>Balance September 30</u>
1999/2000	\$650,782	\$3,201,783	\$3,297,734	\$554,831
2000/2001	\$554,831	\$4,055,239	\$3,956,298	\$653,772

Changes in the Worker's Compensation Fund's claims liability amount was as follows:

<u>Fiscal Year</u>	<u>Balance October 1</u>	<u>Current Year Claims/Changes in Estimates</u>	<u>Claim Payments</u>	<u>Balance September 30</u>
1999/2000	\$ 522,444	\$1,318,981	\$ 580,794	\$1,260,631
2000/2001	\$1,260,631	\$1,208,380	\$1,832,514	\$ 636,497

C. Conventionally Insured Claims and Losses

The County retains conventional insurance coverage on all other types of insurable risks. Settled claims resulting from these risks have not exceeded conventional insurance coverage in any of the past three fiscal years.

13. DEFICIT BALANCE - INDIVIDUAL FUNDS

At September 30, 2001 the following funds had deficit balances in the amounts shown:

Galimore Center	685
Treasure Beach MSBU	38,357

PROPRIETARY FUNDS

	<u>\$3,376,428</u>

Deficits will be corrected by operating adjustments in fees charged to departments, future expected operating revenues, or operating transfers.

14. OTHER REQUIRED INDIVIDUAL FUND AND COMPLIANCE DISCLOSURES

A. Excess of Expenditures Over Appropriations

Expenditures exceeded appropriations in the following funds:

	<u>Excess of Expenditures Over Appropriations</u>
Sheriff	2,698,932
Tax Collector	15,764
Supervisor of Elections	3,432

B. Accrual for Landfill Closure and Post-Closure Costs

State and Federal laws and regulations require the County to place a final cover on its Tillman Ridge Phase II landfill site when it stops accepting waste and to perform certain maintenance and monitoring functions at the site for thirty years after closure. Although closure and post-closure care costs will be paid only near or after the date that the landfill stops accepting waste, the County reports a portion of these closure and post-closure care costs as an operating expense in each period based on landfill capacity used as of each balance sheet date. The \$8,052,396 reported as landfill closure and post-closure care liability at September 30, 2001, represents the cumulative amount reported to date based on the use of 100 percent of the estimated capacity of Phase II of the landfill (approximately \$5,689,230) and the remaining liability for the Tillman Ridge Phase I Landfill closure and post-closure care cost (approximately \$2,363,166).

ST. JOHNS COUNTY, FLORIDA
NOTES TO FINANCIAL STATEMENTS
FOR THE YEAR ENDED SEPTEMBER 30, 2000

14. OTHER REQUIRED INDIVIDUAL FUND AND COMPLIANCE DISCLOSURES
(continued)

These amounts are estimated based on what it would cost to perform all closure and post-closure care in 2001. The County finished closing Phase II of the landfill during this year. Actual cost may be higher due to inflation, changes in technology, or changes in landfill laws and regulations.

The County has entered into an alternative agreement for disposal of waste. The landfill discontinued accepting waste during 1999 and the County's solid waste is now being transported to an out of county landfill. The County constructed a transfer station at the landfill to meet these obligations.

The County is required by state and federal laws and regulations to provide proof of financial responsibility for closure and post-closure care. The County's method, which is established by State law, relies on various financial tests to provide this proof. The County is in compliance with these requirements at September 30, 2001.

C. Reconciliation Between the Actual Column of the Combined Statement of Revenues, Expenditures and Changes in Fund Balance - Budget and Actual and the Combined Statement of Revenues, Expenditures and Changes in Fund Balance

The County, as a practice, adopts budgets for all of its governmental funds except for the Records Modernization Trust, Teen Court, School Crossing Guard and Law Enforcement Education, and Forfeited Property. Florida Statutes do not require the adoption of an annual budget for the Records Modernization Trust, Teen Court, School Crossing Guard and Law Enforcement Education, and the Forfeited Property Funds. The differences between revenues, expenditures and fund balances between these budgetary and non-budgetary operating statements are summarized as follows:

15. COMMITMENTS AND CONTINGENCIES

A. Commitments

At September 30, 2001 the County had outstanding commitments relating to construction contracts of approximately \$61,000,000.

The Sheriff and Tax Collector are leasing various pieces of equipment under operating leases. During the fiscal year ended September 30, 2001 the lease payments on all operating leases amounted to \$241,000 and \$2,938 respectively.

The following is a schedule of future minimum rental payments required under operating leases that have initial or remaining non-cancelable lease terms in excess of one year as of September 30, 2001:

Year Ending September 30	
2002	\$101,837
2003	6,602
2004	<u>1,752</u>
Total minimum payments required	<u>\$110,191</u>

B. Contingencies

Pending Litigation

The County is contingently liable with respect to lawsuits and other claims incidental to the ordinary course of its operations. In the opinion of County management, based on the advice of legal counsel, the ultimate disposition of these lawsuits and claims will not have a material adverse effect on the financial position of the County.

APPENDIX B

GENERAL INFORMATION CONCERNING THE COUNTY

The following information concerning St. Johns County, Florida is included only for the purpose of providing general background information.

Location

St. Johns County (the "County") encompasses approximately 608 square miles and is located in the northeast region of the State of Florida. The County is located directly south of Duval County, Florida, and is bordered on the west by the St. Johns River, on the south by Flagler County, and on the east by the Atlantic Ocean.

There are three incorporated municipalities located in the County: St. Augustine, Hastings and St. Augustine Beach. St. Augustine, which was founded in 1565, is the oldest permanent European settlement in the United States and is the county seat. A small portion of the municipality of Marineland (primarily located in Flagler County) on which no improvements are located, is also a part of the County.

Government

The Board of County Commissioners of St. Johns County is organized under Article VIII of the Constitution of the State of Florida which empowers the creation of counties as a political subdivision of the state. St. Johns County is a nonchartered county and has the power of self government as provided by general and special law through county ordinances. Under the Constitution of the State of Florida, the offices of Clerk of Court, Property Appraiser, Sheriff, Tax Collector and Supervisor of Elections are specifically authorized and empowered to provide their functional services independently of the Board. The Board of County Commissioners of the County enacted an ordinance which established the office of the County Administrator, who serves as the Chief Administrative Officer of the County and is responsible for the administration of County departments, services and agencies as authorized by the Board of County Commissioners. The County School Board is a separately organized taxing entity not under the jurisdiction of the Board of County Commissioners and has specific legislative authority granted by the Constitution. The Board of County Commissioners is a five member body with its members elected countywide. The Board serves as the taxing authority for certain entities authorized by the Constitution of the State of Florida including the constitutional officers and special taxing districts that are authorized under legislation and approved by the Board of County Commissioners. Certain dependent county taxing districts also come under the purview of the Board's taxing limitations. The current general taxing limitation for the Board of County Commissioners is ten mills plus an additional ten mills in municipal service taxing or benefit units in unincorporated areas of the County, as authorized by the Legislature. A mill generates one dollar of tax for every one thousand dollars of taxable value.

Population

St. Johns County currently ranks ____ out of Florida's 67 counties in total gross population and ranks ____ statewide in the percentage change in population growth from ____ to 2001.

St. Johns County has experienced steady population growth, as shown below:

<u>Year</u>	<u>Population</u>

Commerce and Industry

A combination of historical significance, favorable climate, and available recreational facilities including public beaches, golf courses, tennis courts, and cultural events has made the County a national and international tourist destination attracting more than a million visitors annually.

The County is home to a number of state, national and international business and sports organizations all contributing to a stable economy. Among those headquartered in the County are the PGA Tour, Inc., Association of Tennis Professionals, Flagler College, Florida School for the Deaf and Blind, Florida National Guard, and Florida East Coast Railway. The World Golf

Village, located in the northwestern part of the County, is the home of the world Golf Hall of Fame, World Golf Village Resort Hotel, and the St. Johns County Convention Center.

While tourism ranks highly in the economy, manufacturing and commercial activities, including food processing, airplane modification and repair, book binding, aluminum extrusion and commercial fishing play key roles.

Section 2.08 Interchangeability, Negotiability and Transfer. Bonds, upon surrender thereof at the office of the Registrar with a written instrument of transfer satisfactory to the Registrar, duly executed by the Holder thereof or such Holder's attorney duly authorized in writing, may, at the option of the Holder thereof, be exchanged for an equal aggregate principal amount of registered Bonds of the same Series and maturity of any other authorized denominations.

The Bonds issued under this Resolution shall be and have all the qualities and incidents of negotiable instruments under the laws of the State of Florida, subject to the provisions for registration and transfer contained in this Resolution and in the Bonds. So long as any of the Bonds shall remain Outstanding, the Issuer shall cause to be maintained and kept, at the office of the Registrar, books for the registration and transfer of the Bonds.

Each Bond shall be transferable only upon the books of the Issuer, at the office of the Registrar, under such reasonable regulations as the Issuer may prescribe, by the Holder thereof in person or by such Holder's attorney duly authorized in writing upon surrender thereof together with a written instrument of transfer satisfactory to the Registrar duly executed and guaranteed by the Holder or such Holder's duly authorized attorney. Upon the transfer of any such Bond, the Issuer shall issue, and cause to be authenticated, in the name of the transferee a new Bond or Bonds of the same aggregate principal amount and Series and maturity as the surrendered Bond. The Issuer, the Registrar and any Paying Agent or fiduciary of the Issuer may deem and treat the Person in whose name any Outstanding Bond shall be registered upon

the books of the Issuer as the absolute owner of such Bond, whether such Bond shall be overdue or not, for the purpose of receiving payment of, or on account of, the principal or Redemption Price, if applicable, and interest on such Bond and for all other purposes, and all such payments so made to any such Holder or upon such Holder's order shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid and neither the Issuer nor the Registrar nor any Paying Agent or other fiduciary of the Issuer shall be affected by any notice to the contrary.

The Registrar, in any case where it is not also the Paying Agent in respect to any Series of Bonds, shall forthwith (a) following the fifteenth day prior to an interest payment date for such Series, (b) following the fifteenth day next preceding the date of first mailing of notice of redemption of any Bonds of such Series, and (c) at any other time as reasonably requested by the Paying Agent of such Series, certify and furnish to such Paying Agent the names, addresses and holdings of Bondholders and any other relevant information reflected in the registration books.

In all cases in which the privilege of exchanging Bonds or transferring Bonds is exercised, the Issuer shall execute and the Registrar shall authenticate and deliver such Bonds in accordance with the provisions of this Resolution. Execution of Bonds by the Chairman and the Clerk for purposes of exchanging, replacing or transferring Bonds may occur at the time of the original delivery of the Series of which such Bonds are a part. All Bonds surrendered in any such exchanges or transfers shall be canceled by the Registrar. For every such exchange or transfer of Bonds, the Issuer or the Registrar may make a charge sufficient to reimburse it for any tax, fee, expense or other governmental charge required to be paid with respect to such exchange or transfer. The Issuer and the Registrar shall not be obligated to make any such exchange or transfer of Bonds of any Series during the fifteen (15) days next preceding an Interest Date on the Bonds of such Series (other than Capital Appreciation Bonds and Variable Rate Bonds), or, in the case of any proposed redemption of Bonds, during the fifteen (15) days next preceding the redemption date established for such Bonds.

The Issuer may elect to issue any Bonds as uncertificated registered public obligations (not represented by instruments), commonly known as book-entry obligations, provided it shall establish a system of registration therefor by Supplemental Resolution.

Section 2.09 Coupon Bonds. The Issuer, at its discretion, may by Supplemental Resolution authorize the issuance of Coupon Bonds, registrable as to principal only or as to both principal and interest. Such Supplemental Resolution shall provide for the negotiability, transfer, interchangeability, denominations and form of such Bonds and coupons appertaining thereto. Coupon Bonds (other than Taxable Bonds) shall only be issued if an opinion of Bond Counsel is received to the effect that issuance of such Coupon Bonds will not adversely affect the exclusion of the interest payable on such Bonds from gross income for federal income tax purposes.

Section 2.10 Form of Bonds. Except as otherwise provided pursuant to Section 2.09 hereof and except for Capital Appreciation Bonds and Variable Rate Bonds, the form of which shall be provided by Supplemental Resolution, the Bonds shall be in substantially the

following form with such omissions, insertions and variations as may be necessary and/or desirable and approved by the Chairman or the Clerk prior to the issuance thereof (which necessity and/or desirability and approval shall be evidenced conclusively by the Issuer's delivery of the Bonds to the purchaser or purchasers thereof):

(Provisions on Reverse Side of Bond)

This bond is one of an authorized issue of bonds of the Issuer in the aggregate principal amount of \$ _____ (the "Bonds") of like date, tenor and effect, except as to maturity date, interest rate, denomination and number, issued to finance _____, in and for the Issuer, under the authority of and in full compliance with the Constitution and laws of the State of Florida, particularly Chapter 125, Florida Statutes, as amended, Section 336.025, Florida Statutes, as amended, and other applicable provisions of law (the "Act"), and a resolution duly adopted by the Board of County Commissioners of the Issuer on _____, 1992, as amended and supplemented (the "Resolution"), and is subject to all the terms and conditions of the Resolution.

The principal, premium, if any, and interest on this bond is payable solely from and secured by a prior lien upon and a pledge of the Issuer's portion of the six-cent local option gas tax distributed to the Issuer and the municipalities of St. Johns County by the Florida Department of Revenue from the state Local Option Gas Tax Trust Fund pursuant to and in the manner authorized by Section 336.025, Florida Statutes, as amended, and, until applied in accordance with the provisions of the Resolution, the proceeds of the Bonds and all moneys, including investments thereof, in certain of the funds and accounts established pursuant to the Resolution, all in the manner and to the extent described in the Resolution (collectively, the "Pledged Funds"). It is expressly agreed by the Registered Holder of this bond that the full faith and credit of neither the Issuer, the State of Florida, nor any political subdivision thereof, is pledged to the payment of the principal of or premium, if any, or interest on this bond and that the Registered Holder shall never have the right to require or compel the exercise of any taxing power of the Issuer, the State of Florida, or any political subdivision thereof, to the payment of such principal, premium, if any, and interest. This bond and the obligation evidenced hereby shall not constitute a lien upon any property of the Issuer, except the Pledged Funds, and shall be payable solely from the Pledged Funds in accordance with the terms of the Resolution.

Neither the members of the Board of County Commissioners of the Issuer nor any person executing this bond shall be liable personally hereon or be subject to any personal liability or accountability by reason of the issuance hereof.

(INSERT REDEMPTION PROVISIONS)

Notice of redemption having been given as aforesaid, the Bonds or portions of Bonds to be redeemed shall, on the redemption date, become due and payable at the redemption price therein specified, and from and after such date (unless the Issuer shall default in the payment of or provision for the redemption price) such Bonds or portions of Bonds shall cease to bear interest.

This bond is and has all the qualities and incidents of a negotiable instrument under the laws of the State of Florida, but may be transferred only in accordance with the terms of the Resolution only upon the books of the Issuer kept for that purpose at the office of the Registrar by the Registered Holder in person or by such Holder's attorney duly authorized in writing, upon the surrender of this bond together with a written instrument of transfer satisfactory to the Registrar duly executed by the Registered Holder or such Holder's attorney duly authorized in writing, and thereupon a new bond or bonds in the same aggregate principal amount shall be issued to the transferee in exchange therefor, and upon the payment of the charges, if any, prescribed in the Resolution. Each of the Bonds is issuable in fully registered form in the denomination of \$5,000 or any integral multiple thereof not exceeding the aggregate principal amount of the Bonds having the same maturity. The Issuer, the Registrar and any Paying Agent may treat the Registered Holder of this bond as the absolute owner hereof for all purposes, whether or not this bond shall be overdue, and shall not be affected by any notice to the contrary. The Issuer and the Registrar shall not be obligated to make any exchange or transfer of any Bonds during the fifteen (15) days next preceding an interest payment date, or in the case of any proposed redemption of any Bonds, during the fifteen (15) days next preceding the redemption date established for such Bonds.

It is hereby certified and recited that all acts, conditions and things required to exist, to happen and to be performed precedent to and in connection with the issuance of this bond, exist, have happened and have been performed, in regular and due form and time as required by the Constitution and laws of the State of Florida applicable thereto, and that the issuance of the Bonds does not violate any constitutional or statutory limitations or provisions.

ARTICLE III

REDEMPTION OF BONDS

Section 3.01 Privilege of Redemption. The terms of this Article III shall apply to redemption of Bonds other than Capital Appreciation Bonds or Variable Rate Bonds. The terms and provisions relating to redemption of Capital Appreciation Bonds and Variable Rate Bonds shall be provided by Supplemental Resolution.

Section 3.02 Selection of Bonds to be Redeemed. The Bonds shall be redeemed only in the principal amount of \$5,000 each and integral multiples thereof. The Issuer shall, at least sixty (60) days prior to the redemption date (unless a shorter time period shall be satisfactory to the Registrar) notify the Registrar of such redemption date and of the principal amount of Bonds to be redeemed. For purposes of any redemption of less than all of the Outstanding Bonds of a single maturity, the particular Bonds or portions of Bonds to be redeemed shall be selected not more than forty-five (45) days prior to the redemption date by the Registrar from the Outstanding Bonds of the maturity or maturities designated by the Issuer by such method as the Registrar shall deem fair and appropriate and which may provide for the selection for redemption of Bonds or portions of Bonds in principal amounts of \$5,000 and integral multiples thereof.

If less than all of the Outstanding Bonds of a single maturity are to be redeemed, the Registrar shall promptly notify the Issuer and Paying Agent (if the Registrar is not the Paying Agent for such Bonds) in writing of the Bonds or portions of Bonds selected for redemption and, in the case of any Bond selected for partial redemption, the principal amount thereof to be redeemed.

Section 3.03 Notice of Redemption. Unless waived by any Holder of Bonds to be redeemed, notice of any redemption made pursuant to this section shall be given by the Registrar on behalf of the Issuer by mailing a copy of an official redemption notice by first class mail, postage prepaid, at least thirty (30) days and not more than sixty (60) days prior to the date fixed for redemption to each Holder of Bonds to be redeemed at the address of such Holder shown on the registration books maintained by the Registrar or at such other address as shall be furnished in writing by such Holder to the Registrar; provided, however, that no defect in any notice given pursuant to this section to any Holder of Bonds to be redeemed nor failure to give such notice to any such Holder nor failure of any such Holder to receive such notice shall in any manner defeat the effectiveness of a call for redemption as to all other Holders of Bonds to be redeemed.

Every official notice of redemption shall be dated and shall state:

- (1) the redemption date,
- (2) the Redemption Price,

(3) if less than all outstanding Bonds are to be redeemed, the number (and, in the case of a partial redemption of any Bond, the principal amount) of each Bond to be redeemed.

(4) that on the redemption date the Redemption Price will become due and payable upon each such Bond or portion thereof called for redemption, and that interest thereon shall cease to accrue from and after said date, and

(5) that such Bonds to be redeemed, whether as a whole or in part, are to be surrendered for payment of the Redemption Price plus accrued interest at the office of the Paying Agent.

Prior to any redemption date, the Issuer shall deposit with the Paying Agent an amount of money sufficient to pay the Redemption Price of and accrued interest on all the Bonds or portions of Bonds which are to be redeemed on that date. Notwithstanding the foregoing, notice of the redemption of any Bonds insured by FGIC, other than mandatory sinking fund redemptions and excepting any notice that refers to any such Bonds that are the subject of an advance refunding, shall be given only if sufficient funds have been deposited with the Paying Agent to pay the Redemption Price of and accrued interest on the Bonds to be redeemed.

In addition to the foregoing notice, further notice shall be given by the Issuer as set out below, but no defect in said further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if notice thereof is given as above prescribed.

(1) Each further notice of redemption given hereunder shall contain the information required above for an official notice of redemption plus (a) the CUSIP numbers of all Bonds being redeemed; (b) the date of issue of the Bonds as originally issued; (c) the rate of interest borne by each Bond being redeemed; (d) the maturity date of each Bond being redeemed; and (e) any other descriptive information needed to identify accurately the Bonds being redeemed.

(2) Each further notice of redemption shall be sent at least thirty-five (35) days before the redemption date by registered or certified mail or overnight delivery service to any Insurer which shall have insured, or any Credit Bank which shall have provided a Credit Facility for, any of the Bonds being redeemed and to all registered securities depositories then in the business of holding substantial amounts of obligations of types similar to the type of which the Bonds consist (such depositories now being Depository Trust Company of New York, New York, Midwest Securities Trust Company of Chicago, Illinois, and Philadelphia Depository Trust Company of Philadelphia, Pennsylvania) and to one or more national information services that disseminate notices of redemption of obligations such as the Bonds.

(3) Each such further notice shall be published one time in The Bond Buyer of New York, New York or, if such publication is impractical or unlikely to reach a substantial number of the Holders of the Bonds, in some other financial newspaper or journal which

regularly carries notices of redemption of obligations similar to the Bonds, such publication to be made at least 30 days prior to the date fixed for redemption.

Section 3.04 Redemption of Portions of Bonds. Any Bond which is to be redeemed only in part shall be surrendered at any place of payment specified in the notice of redemption (with due endorsement by, or written instrument of transfer in form satisfactory to the Registrar duly executed by, the Holder thereof or such Holder's attorney duly authorized in writing) and the Issuer shall execute and the Registrar shall authenticate and deliver to the Holder of such Bond, without service charge, a new Bond or Bonds, of the same interest rate and maturity, and of any authorized denomination as requested by such Holder, in an aggregate principal amount equal to and in exchange for the unredeemed portion of the principal of the Bonds so surrendered.

Section 3.05 Payment of Redeemed Bonds. Official notice of redemption having been given substantially as aforesaid, the Bonds or portions of Bonds to be redeemed shall, on the redemption date, become due and payable at the Redemption Price therein specified, and from and after such date (unless the Issuer shall default in the payment of or provision for the Redemption Price) such Bonds or portions of Bonds shall cease to bear interest. Upon surrender of such Bonds for redemption in accordance with said notice, such Bonds shall be paid by the Registrar and/or Paying Agent at the appropriate Redemption Price, plus accrued interest. Each check or other transfer of funds issued by the Registrar and/or Paying Agent for the purpose of the payment of the Redemption Price of Bonds being redeemed shall bear the CUSIP number identifying, by issue and maturity, the Bonds being redeemed with the proceeds of such check or other transfer. Installments of interest due on or prior to the Redemption Date shall be payable as herein provided for payment of interest. All Bonds which have been redeemed shall be canceled by the Registrar and shall not be reissued.

ARTICLE IV

SECURITY, SPECIAL FUNDS AND APPLICATION THEREOF

Section 4.01 Bonds not to be Indebtedness of Issuer. The Bonds shall not be or constitute general obligations or indebtedness of the Issuer as "bonds" within the meaning of any constitutional or statutory provision, but shall be special obligations of the Issuer, payable solely from and secured by a prior lien upon and pledge of the Pledged Funds in accordance with the terms of this Resolution. The Issuer may cause any Series of Bonds to be payable from and secured by a Credit Facility or a Bond Insurance Policy not applicable to any one or more other Series of Bonds. No Holder of any Bond or any Credit Bank or any Insurer shall ever have the right to compel the exercise of the ad valorem taxing power of the Issuer to pay such Bond or shall be entitled to payment of such Bond from any moneys of the Issuer except the Pledged Funds, in the manner provided herein.

The Pledged Funds shall be subject to the lien of this pledge immediately upon the issuance and delivery of the Series 1992 Bonds, without any physical delivery by the Issuer

of the Pledged Funds or further act, and the lien of this pledge shall be valid and binding as against all parties having claims of any kind against the Issuer, in tort, contract or otherwise.

Section 4.02 Security for Bonds. The payment of the principal of or Redemption Price, if applicable, and interest on the Bonds shall be secured forthwith equally and ratably by a pledge of and prior lien upon the Pledged Funds; provided, however, a Series of Bonds may be further secured by a Credit Facility or Bond Insurance Policy not applicable to any one or more other Series of Bonds, as shall be provided by Supplemental Resolution, in addition to the security provided herein. The Issuer does hereby irrevocably pledge the Pledged Funds to the payment of the principal of or Redemption Price, if applicable, and interest on the Bonds.

Section 4.03 Construction Fund. Upon the issuance of Additional Bonds for the purpose of financing a Project, the Issuer covenants and agrees to establish a separate fund with an Authorized Depository to be known as the "St. Johns County Transportation Improvement Revenue Bonds Construction Fund," which shall be used only for payment of the Cost of Projects. Moneys in the Construction Fund, until applied in payment of any item of the Cost of a Project in the manner hereinafter provided, shall be held in trust by the Issuer and shall be subject to a lien and charge in favor of the Bondholders and for the further security of such Holders.

There shall be paid into the Construction Fund the amounts required to be so paid by the provisions of any Supplemental Resolution, and there may be paid into the Construction Fund, at the option of the Issuer, any moneys received for or in connection with a Project by the Issuer from any other source.

The Issuer shall establish within the Construction Fund a separate account for the each Project, the Cost of which is to be paid in whole or in part out of the Construction Fund.

The proceeds of insurance maintained pursuant to this Resolution against physical loss of or damage to a Project, or of contractors' performance bonds with respect thereto pertaining to the period of construction thereof, shall be deposited into the appropriate account of the Construction Fund.

The Issuer covenants that the acquisition and construction of each Project will be completed without delay and in accordance with sound engineering practices. The Issuer shall make disbursements or payments from the Construction Fund to pay the Cost of a Project upon the filing with the Clerk of documents and/or certificates signed by an Authorized Issuer Officer stating with respect to each disbursement or payment to be made: (1) the item number of the payment, (2) the name and address of the Person to whom payment is due, (3) the amount to be paid, (4) the Construction Fund account from which payment is to be made, (5) the purpose, by general classification, for which payment is to be made, and (6) that (A) each obligation, item of cost or expense mentioned therein has been properly incurred, is in payment of a part of the Cost of a Project and is a proper charge against the account of the Construction Fund from which payment is to be made and has not been the basis of any previous disbursement or payment, or (B) each obligation, item of cost or expense mentioned therein has been paid by the Issuer, is a reimbursement of a part of the Cost of a Project, is a proper charge against the

account of the Construction Fund from which payment is to be made, has not been theretofore reimbursed to the Issuer or otherwise been the basis of any previous disbursement or payment and the Issuer is entitled to reimbursement thereof. The Clerk shall retain all such documents and/or certificates of the Authorized Issuer Officers for seven (7) years from the dates of such documents and/or certificates. The Clerk shall make available the documents and/or certificates at all reasonable times for inspection by any Bondholder or the agent or representative of any Bondholder.

Notwithstanding any of the other provisions of this Section 4.03, to the extent that other moneys are not available therefor, amounts in the Construction Fund shall be applied to the payment of principal of or Redemption Price, if applicable, and interest on Bonds when due.

The date of completion of a Project shall be determined by the Authorized Issuer Officer who shall certify such fact in writing to the Governing Body. Promptly after the date of the completion of a Project, and after paying or making provisions for the payment of all unpaid items of the Cost of such Project, the Issuer shall deposit in the following order of priority any balance of moneys remaining in the Construction Fund in (1) another account of the Construction Fund for which the Authorized Issuer Officer has stated that there are insufficient moneys present to pay the Cost of the related Project, (2) the Reserve Account, to the extent of a deficiency therein, and (3) such other fund or account of the Issuer; including those established hereunder, as shall be determined by the Governing Body, provided the Issuer has received an opinion of Bond Counsel to the effect that such transfer shall not adversely affect the exclusion, if any, of interest on the Bonds from gross income for federal income tax purposes.

Section 4.04 Funds and Accounts. The Issuer covenants and agrees to establish with one or more Authorized Depositories separate funds to be known as the "St. Johns County Transportation Improvement Revenue Bonds Revenue Fund," the "St. Johns County Transportation Improvement Revenue Bonds Debt Service Fund" and the "St. Johns County Transportation Improvement Revenue Bonds Rebate Fund." The Issuer shall maintain in the Revenue Fund two accounts: the "Restricted Revenue Account" and the "Unrestricted Revenue Account." The Issuer shall maintain in the Debt Service Fund four accounts: the "Interest Account," the "Principal Account," the "Bond Amortization Account," and the "Reserve Account." Moneys in the Restricted Revenue Account and the Debt Service Fund, until applied in accordance with the provisions hereof, shall be subject to a lien and charge in favor of the Holders and for the further security of the Holders.

The Issuer shall at any time and from time to time appoint one or more Authorized Depositories to hold, for the benefit of the Issuer and/or the Bondholders, any one or more of the funds and accounts established hereby. Such depository or depositories shall perform at the direction of the Issuer the duties of the Issuer in depositing, transferring and disbursing moneys to and from each of such funds and accounts as herein set forth, and all records of such depository in performing such duties shall be open at all reasonable times to inspection by the Issuer and its agent and employees.

Section 4.05 Flow of Funds.

(A) Commencing on the day on which delivery of the Series 1992 Bonds shall be made to the purchasers thereof, the Issuer shall deposit the Gas Tax Revenues into the Restricted Revenue Account, promptly upon receipt thereof. On or before the last day of each month, commencing with the month in which delivery of the Series 1992 Bonds shall be made to the purchasers thereof, the moneys in the Restricted Revenue Account shall be deposited or credited in the following manner and in the following order of priority:

(1) Interest Account. The Issuer shall deposit into or credit to the Interest Account the sum which, together with the balance in said account, shall equal the interest on all Outstanding Bonds accrued and unpaid and to accrue to the end of the then current calendar month (assuming that a year consists of twelve (12) equal calendar months of thirty (30) days each). Moneys in the Interest Account shall be applied by the Issuer to pay interest on the Bonds as and when the same shall become due, whether by redemption or otherwise, and for no other purpose. The Issuer shall adjust the amount of the deposit into the Interest Account not later than the month immediately preceding any Interest Date so as to provide sufficient moneys in the Interest Account to pay the interest coming due on the Bonds on such Interest Date.

(2) Principal Account. Next, the Issuer shall deposit into or credit to the Principal Account the sum which, together with the balance in said account, shall equal (a) the principal amount of all Outstanding Bonds other than Term Bonds due and unpaid, (b) that portion of the principal amount of the Bonds other than Term Bonds next due which would have accrued on such Bonds next due during the then current calendar month if such principal amount thereof were deemed to accrue monthly (assuming that a year consists of twelve (12) equal calendar months of thirty (30) days each) in equal installments from a date one year preceding the due date of such Bonds next due and (c) the portion of the principal amount of the Bonds other than Term Bonds next due which shall have accrued on such basis in prior months. Serial Bonds which are Capital Appreciation Bonds (including their respective interest components) shall be payable entirely from moneys in the Principal Account on their respective maturity dates, and monthly deposits or credits to the Principal Account to provide funds for such purpose shall commence in the month which is one year prior to each such maturity date. Not later than the month immediately preceding any principal payment date, the Issuer shall adjust the amount of the deposit into the Principal Account so as to provide sufficient moneys in the Principal Account to pay the principal on the Bonds other than Term Bonds becoming due on such principal payment date. Moneys in the Principal Account shall be applied by the Issuer to pay the principal of the Bonds other than Term Bonds as and when the same shall become due, whether at maturity or otherwise, and for no other purpose.

(3) Bond Amortization Account. Payments to the Bond Amortization Account shall be on a parity with payments to the Principal Account. Commencing in the month which is one year prior to the due date of each Amortization Installment, the Issuer shall deposit into or credit to the Bond Amortization Account the sum which, together with the balance in said account held for the credit of such Amortization Installment and all Outstanding Term Bonds due and unpaid, shall equal (a) the principal amount of all such Outstanding Term Bonds due and

unpaid, (b) that portion of such Amortization Installment which would have accrued during the then current calendar month if such Amortization Installment were deemed to accrue monthly (assuming that a year consists of twelve (12) equal calendar months of thirty (30) days each) in equal amounts from a date one year preceding such due date and (c) the portion of such Amortization Installment which shall have accrued on such basis in prior months. Term Bonds which are Capital Appreciation Bonds (including their respective interest components) shall be payable entirely from moneys in the Bond Amortization Account on the respective due dates of the Amortization Installments applicable thereto, and monthly deposits or credits to the Bond Amortization Account to provide funds for such purpose shall commence in the month which is one year prior to each such Amortization Installment due date. The Issuer shall adjust the amount of the deposit into the Bond Amortization Account not later than the month immediately preceding any date for payment of an Amortization Installment so as to provide sufficient moneys in the Bond Amortization Account to pay such Amortization Installment on such date. Moneys in the Bond Amortization Account shall be applied by the Issuer to purchase or redeem or pay at maturity Term Bonds in the manner herein provided, and for no other purpose.

Amounts accumulated in the Bond Amortization Account with respect to any Amortization Installment may be applied by the Issuer, on or prior to the sixtieth (60th) day preceding the due date of such Amortization Installment (i) to the purchase of Term Bonds of the Series and maturity for which such Amortization Installment was established, at a price not greater than the Redemption Price at which such Term Bonds may be redeemed on the first date thereafter on which such Term Bonds shall be subject to redemption, or (ii) to the redemption at the applicable Redemption Price of such Term Bonds. The applicable Redemption Price (or principal amount of maturing Term Bonds) of any Term Bonds so purchased or redeemed shall be deemed to constitute part of the Bond Amortization Account until such Amortization Installment date, for the purposes of calculating the amount of such Account. As soon as practicable after the sixtieth (60th) day preceding the due date of any such Amortization Installment, the Issuer shall proceed to call for redemption on such due date, by causing notice to be given as provided in Section 3.03 hereof, Term Bonds of the Series and maturity for which such Amortization Installment was established (except in the case of Term Bonds maturing on an Amortization Installment date) in such amount as shall be necessary to complete the retirement of the unsatisfied balance of such Amortization Installment. The Issuer shall pay out of the Bond Amortization Account and the Interest Account to the respective Paying Agents, on or before the day preceding such redemption date (or maturity date), the amount required for the redemption (or for the payment of such Term Bonds then maturing), and such amount shall be applied by such Paying Agents to such redemption (or payment). All expenses in connection with the purchase or redemption of Term Bonds shall be paid by the Issuer from the Restricted Revenue Account.

(4) Reserve Account. Next, the Issuer shall deposit into or credit to the Reserve Account such sum, if any, as will be necessary to immediately restore the funds on deposit therein to an amount equal to the Reserve Account Requirement including the reinstatement of any Reserve Account Insurance Policy or Reserve Account Letter of Credit on deposit therein or the cash replacement thereof and the payment or reimbursement of all charges and expenses described in the fifth paragraph below; but in any event, with respect to any such replenishment due to a withdrawal from the Reserve Account, the replenishment shall be made in not more

than twelve (12) equal and consecutive monthly payments, the first such payment to commence on the first day of the first month following the month in which such deficiency arises, and with respect to any such replenishment due to a market valuation deficiency, the replenishment shall be restored not later than the next succeeding quarterly valuation date as described in Section 4.07 hereof. On or prior to each principal and interest payment date for the Bonds, moneys in the Reserve Account shall be applied by the Issuer to the payment of the principal of or Redemption Price, if applicable, and interest on the Bonds to the extent moneys in the Interest Account, the Principal Account and the Bond Amortization Account shall be insufficient for such purpose. Whenever there shall be surplus moneys in the Reserve Account by reason of a decrease in the Reserve Account Requirement or as a result of a deposit therein of a Reserve Account Insurance Policy and/or a Reserve Account Letter of Credit, such surplus moneys shall be deposited by the Issuer into the Principal Account, or such other appropriate fund or account of the Issuer, provided such deposit to such other fund or account will not adversely affect the exclusion from gross income of interest on the Bonds for federal income tax purposes.

Upon the issuance of any Series of Bonds, under the terms, limitations and conditions as herein provided, the Issuer shall provide for the funding of the Reserve Account in an amount equal to the Reserve Account Requirement. Such required amount may be paid in full or in part from the proceeds of such Series of Bonds or may be accumulated in equal and consecutive monthly payments from the Revenue Fund, commencing on the date of issuance of such Series of Bonds, on a parity with the payments required by the first sentence of this part (4), to the Reserve Account over a period of months from the date of issuance of such Series of Bonds, which shall not exceed the greater of (a) twenty-four (24) months, or (b) the number of months for which interest on such Series of Bonds has been capitalized, as determined by Supplemental Resolution.

Whenever moneys on deposit in the Reserve Account, together with the other available amounts in the Debt Service Fund, are sufficient to fully pay all Outstanding Bonds (including principal and interest thereon) in accordance with their terms, the funds on deposit in the Reserve Account shall be applied to the payment of Bonds.

Notwithstanding the foregoing provisions, in lieu of the required deposits into the Reserve Account, the Issuer may, at its sole option and discretion, cause to be deposited a Reserve Account Insurance Policy and/or Reserve Account Letter of Credit in an amount equal to the difference between the Reserve Account Requirement applicable thereto and the sums, if any, remaining on deposit in the Reserve Account after the deposit of such Reserve Account Insurance Policy and/or Reserve Account Letter of Credit. Such Reserve Account Insurance Policy and/or Reserve Account Letter of Credit shall be payable to the Paying Agent for such Series (upon the giving of notice as required thereunder) on any interest payment or redemption date on which a deficiency exists which cannot be cured by funds in any other fund or account held pursuant to this Resolution and available for such purpose. The issuer providing such Reserve Account Insurance Policy and/or Reserve Account Letter of Credit shall be either (a) an insurer (i) whose municipal bond insurance policies insuring the payment, when due, of the principal of and interest on municipal bond issues results in such issues being rated in one of the two highest rating categories (without regard to gradations, such as "plus" or "minus" of such categories) by either Standard & Poor's Corporation or Moody's Investors Service, or (ii) who

holds one of the two highest policyholder ratings accorded insurers by A. M. Best & Company, or any comparable service, or (b) a commercial bank, insurance company or other financial institution the bonds payable or guaranteed by which have, or whose obligation to pay is guaranteed by a commercial bank, insurance company or other financial institution which has, been assigned a rating by either Moody's Investors Service or Standard & Poor's Corporation in one of the two highest rating categories (without regard to gradations, such as "plus" or "minus" of such categories).

If fifteen (15) days prior to an interest payment or mandatory redemption date, the Issuer shall determine that a deficiency exists in the amount of moneys available to pay in accordance with the terms hereof interest and/or principal due on Bonds on such date, the Issuer shall immediately notify (a) the issuer of the applicable Reserve Account Insurance Policy and/or the issuer of the Reserve Account Letter of Credit, and (b) the Insurer, if any, of the amount of such deficiency and the date on which such payment is due, and shall take all action to cause such issuer or Insurer to provide moneys sufficient to pay all amounts due on such interest payment or redemption date.

If a disbursement is made from a Reserve Account Insurance Policy and/or Reserve Account Letter of Credit provided pursuant to this Section 4.05(A)(4), the Issuer shall reinstate the maximum limits of such Reserve Account Insurance Policy and/or Reserve Account Letter of Credit immediately following such disbursement from moneys available in the Reserve Account in accordance with the provisions of the first paragraph of this Section 4.05(A)(4), by depositing funds in the amount of the disbursement made under such instrument, with the issuer thereof, together with interest thereon to the date of reimbursement at the rate set forth in such Reserve Account Insurance Policy or such Reserve Account Letter of Credit, or the agreement relating thereto referred to in the next succeeding paragraph, but in no case greater than the maximum rate of interest permitted by law. In addition, and in the same manner, the Issuer shall reimburse the issuer of the Reserve Account Insurance Policy and/or the issuer of the Reserve Account Letter of Credit for all reasonable expenses incurred by such issuer in connection with the draw on such Reserve Account Insurance Policy or the Reserve Account Letter of Credit, as the case may be, or the agreement relating thereto referred to in the next succeeding paragraph.

The Issuer may evidence its obligation to reimburse the issuer of any Reserve Account Letter of Credit or Reserve Account Insurance Policy by executing and delivering to such issuer a promissory note therefor and/or an agreement relating thereto, which shall be approved by Supplemental Resolution, provided, however, any such note and any payment obligations of the Issuer under such agreement (a) shall not be a general obligation of the Issuer the payment of which is secured by the full faith and credit or taxing power of the Issuer, and (b) shall be payable solely from moneys available in the Reserve Account deposited therein from the Restricted Revenue Account in accordance with the provisions of the first paragraph of this Section 4.05(A)(4). All of the provisions of such promissory note or such agreement, when executed and delivered by the Issuer, shall be deemed to be a part of this Resolution as fully and to the same extent as if incorporated verbatim herein.

To the extent the Issuer causes to be deposited into the Reserve Account, a Reserve Account Insurance Policy and/or a Reserve Account Letter of Credit for a term of years shorter than the life of the Series of Bonds so insured or secured, then the Reserve Account Insurance Policy and/or the Reserve Account Letter of Credit shall provide, among other things, that the issuer thereof shall provide the Issuer with notice as of each anniversary of the date of the issuance of the Reserve Account Insurance Policy and/or the Reserve Account Letter of Credit of the intention of the issuer thereof to either (a) extend the term of the Reserve Account Insurance Policy and/or the Reserve Account Letter of Credit beyond the expiration dates thereof, or (b) terminate the Reserve Account Insurance Policy and/or the Reserve Account Letter of Credit on the initial expiration dates thereof or such other future date as the issuer thereof shall have established. If the issuer of the Reserve Account Insurance Policy and/or the Reserve Account Letter of Credit notifies the Issuer pursuant to clause (b) of the immediately preceding sentence or if the Issuer terminates the Reserve Account Letter of Credit and/or Reserve Account Insurance Policy, then the Issuer shall deposit into the Reserve Account, on or prior to the fifteenth (15th) day of the first full calendar month following the date on which such notice is received by the Issuer and on or prior to the fifteenth (15th) day of each calendar month thereafter, such sums as shall be sufficient to pay an amount equal to a fraction, the numerator of which is one (1) and the denominator of which is equal to the number of months remaining in the term of the Reserve Account Insurance Policy and/or the Reserve Account Letter of Credit, of the amount of the Reserve Account Insurance Policy and/or the Reserve Account Letter of Credit being terminated on the date such notice was received, until amounts on deposit in the Reserve Account, as a result of the aforementioned deposits, and no later than upon the expiration of such Reserve Account Insurance Policy and/or such Reserve Account Letter of Credit, shall be equal to the Reserve Account Requirement applicable thereto.

If any Reserve Account Letter of Credit or Reserve Account Insurance Policy shall terminate prior to the stated expiration date thereof, the Issuer agrees that it shall fund the Reserve Account over a period not to exceed twenty-four (24) months during which it shall make consecutive equal monthly payments in order that the amount on deposit in such account at the end of such period shall equal the Reserve Account Requirement; provided, the Issuer may, at its sole option and discretion, obtain a new Reserve Account Letter of Credit or a new Reserve Account Insurance Policy in lieu of making the payments required by this paragraph.

Prior to deposit in the Reserve Account, any Reserve Account Letter of Credit or Reserve Account Insurance Policy shall be approved in writing by each Insurer and Credit Bank and shall conform to such additional or different restrictions as such Insurer or Credit Bank shall require.

(5) Unrestricted Revenue Account. The balance of any moneys remaining in the Restricted Revenue Account after the deposits required by parts (1) through (4) of this subsection (A) may be transferred, at the discretion of the Issuer, to the Unrestricted Revenue Account or to any other appropriate fund or account of the Issuer and used by the Issuer for any lawful purpose.

(B) The Issuer, in its discretion, may use moneys in the Principal Account and the Interest Account to purchase or redeem Bonds coming due on the next principal payment

date, provided such purchase or redemption does not adversely affect the Issuer's ability to pay the principal or interest coming due on such principal payment date on the Bonds not so purchased or redeemed.

(C) At least one (1) business day prior to the date established for payment of any principal of or Redemption Price, if applicable, or interest on the Bonds, the Issuer shall withdraw from the Debt Service Fund sufficient moneys to pay such principal or Redemption Price, if applicable, or interest and deposit such moneys with the Paying Agent for the Bonds to be paid.

(D) In the case of Bonds secured by a Credit Facility, amounts on deposit in any funds or accounts established for such Bonds may be applied as provided in the applicable Supplemental Resolution to reimburse the Credit Bank for amounts drawn under such Credit Facility to pay the principal of or Redemption Price, if applicable, and interest on such Bonds or to pay the purchase price of any such Bonds which are tendered by the Holders thereof for payment.

Section 4.06 Rebate Fund. Amounts on deposit in the Rebate Fund shall be held in trust by the Issuer and used solely to make required rebates to the United States Treasury (except to the extent the same may be transferred to the Revenue Fund) and the Bondholders shall have no right to have the same applied for debt service on the Bonds. The Issuer agrees to undertake all actions required of it in its arbitrage certificate relating to each series of Bonds (other than Taxable Bonds), and other instructions from Bond Counsel pertaining to required rebates to the United States Treasury, delivered in connection with or subsequent to the issuance of such Bonds, including, but not limited to:

(A) making a determination in accordance with the Code of the amount required to be deposited in the Rebate Fund;

(B) depositing from moneys in the Revenue Fund or from other moneys of the Issuer derived from sources other than ad valorem taxation and legally available for such purpose the amount determined in subsection (A) above into the Rebate Fund;

(C) paying on the dates and in the manner required by the Code to the United States Treasury from the Rebate Fund and any other then legally available moneys of the Issuer such amounts as shall be required by the Code to be rebated to the United States Treasury; and

(D) keeping such records of the determinations made pursuant to this Section 4.06 as shall be required by the Code, as well as evidence of the fair market value of any investments purchased with proceeds of the Bonds.

The provisions of the above-described arbitrage certificate and instructions of Bond Counsel may be amended from time to time as shall be necessary, in the opinion of Bond Counsel, to comply with the provisions of the Code.

Public Financial Management, Inc., Philadelphia, Pennsylvania, is hereby appointed to serve as rebate administrator hereunder with respect to every Series of the Bonds until the Issuer shall by resolution appoint as successor rebate administrator any Bond Counsel or any certified public accountant, bank or trust company, or other agent of the Issuer who shall be qualified to assure compliance by the Issuer with the requirements of this section. The rebate administrator is hereby authorized to hire counsel, accountants, and other experts which the rebate administrator may, in its sole discretion, determine advisable for the purpose of obtaining the required calculations of the rebate amounts and determinations as to the due dates for the rebate thereof and other matters necessary for compliance with Section 148(f) of the Code as the same relates to the Bonds. The rebate administrator will not be liable for any loss occasioned by its reliance upon the instructions of such experts or upon the Issuer's certification of the amounts earned on nonpurpose investments, as such proceeds of the Bonds shall be invested. The duties and responsibilities of the rebate administrator may be performed by more than one Person.

Section 4.07 Investments. The Construction Fund, the Restricted Revenue Account and the Debt Service Fund shall be continuously secured in the manner by which the deposit of public funds are authorized to be secured by the laws of the State. Moneys on deposit in the Construction Fund, the Restricted Revenue Account and the Debt Service Fund, other than the Reserve Account, may be invested and reinvested in Authorized Investments maturing not later than the date on which the moneys therein will be needed. Moneys on deposit in the Reserve Account may be invested or reinvested in Authorized Investments which shall mature no later than five (5) years from the date of acquisition thereof.

Any and all income received by the Issuer from the investment of moneys in the Construction Fund, the Rebate Fund, the Restricted Revenue Account in the Revenue Fund and the Interest Account, the Principal Account, the Bond Amortization Account and the Reserve Account (to the extent the amount therein is less than the Reserve Account Requirement) in the Debt Service Fund shall be retained in such respective fund or account unless otherwise required by applicable law. To the extent that the amount in the Reserve Account is greater than the Reserve Account Requirement, any and all income received by the Issuer from the investment of moneys in the Reserve Account shall be deposited in the Interest Account.

All investments shall be valued as frequently as deemed necessary by any Insurer or Credit Bank, but not less often than quarterly, at the market value thereof, exclusive of accrued interest. Deficiencies in the amount on deposit in any fund or account resulting from a decline in market value shall be restored no later than the succeeding quarterly valuation date. Nothing contained in this Resolution shall prevent any Authorized Investments acquired as investments of or security for funds held under this Resolution from being issued or held in book-entry form on the books of the Department of the Treasury of the United States.

Section 4.08 Separate Accounts. The moneys required to be accounted for in each of the foregoing funds and accounts established herein may be deposited in a single Authorized Depository account, and funds allocated to the various funds and accounts established herein may be invested in a common investment pool, provided that adequate accounting records

are maintained to reflect and control the restricted allocation of the moneys on deposit therein and such investments for the various purposes of such funds and accounts as herein provided.

The designation and establishment of the various funds and accounts in and by this Resolution shall not be construed to require the establishment of any completely independent, self-balancing funds as such term is commonly defined and used in governmental accounting, but rather is intended solely to constitute an earmarking of certain revenues for certain purposes and to establish certain priorities for application of such revenues as herein provided.

ARTICLE V

SUBORDINATED INDEBTEDNESS, ADDITIONAL BONDS AND COVENANTS OF ISSUER

Section 5.01 Subordinated Indebtedness. The Issuer will not issue any other obligations, except under the conditions and in the manner provided herein, payable from the Pledged Funds or voluntarily create or cause to be created any debt, lien, pledge, assignment, encumbrance or other charge having priority to or being on a parity with the lien thereon in favor of the Bonds and the interest thereon. The Issuer may at any time or from time to time issue evidences of indebtedness that are not Additional Bonds and that are payable in whole or in part out of the Pledged Funds and which may be secured by a pledge of the Pledged Funds; provided, however, that such pledge shall be, and shall be expressed to be, subordinated in all respects to the pledge of the Pledged Funds created by this Resolution. The Issuer shall have the right to covenant with the holders from time to time of any Subordinated Indebtedness to add to the conditions, limitations and restrictions under which any Additional Bonds may be issued pursuant to Section 5.02 hereof. The Issuer agrees to pay promptly any Subordinated Indebtedness as the same shall become due from such funds and in such manner as provided in the resolution of the Issuer authorizing the same.

Section 5.02 Issuance of Additional Bonds. The Issuer may issue one or more Series of Additional Bonds for any one or more of the following purposes: financing the Cost of a Project, or the completion thereof, or refunding any or all Outstanding Bonds or of any Subordinated Indebtedness of the Issuer. Additional Bonds shall be deemed to have been issued pursuant to this Resolution the same as the Outstanding Bonds, and all of the other covenants and other provisions of this Resolution (except as to details of such Additional Bonds inconsistent therewith) shall be for the equal benefit, protection and security of the Holders of all Bonds issued pursuant to this Resolution; provided, however, any Supplemental Resolution authorizing the issuance of Additional Bonds may provide, with the prior written consent the Insurer and the Credit Bank, that any of the covenants herein contained will not be applicable to such Additional Bonds, provided that such provision shall not, in the opinion of Bond Counsel, adversely affect the rights of the Holders of any Bonds which shall then be Outstanding. Except as provided in Sections 4.02 and 4.05 hereof, all Bonds, regardless of the time or times of their issuance, shall rank equally with respect to their lien on the Pledged Funds and their sources and security for payment therefrom without preference of any Bonds over any other; provided, however, that the Issuer shall include a provision in any Supplemental Resolution authorizing the issuance of Variable Rate Bonds pursuant to this Section 5.02 that in the event the principal thereof is

accelerated due to such Bonds being held by the issuer of a Credit Facility, the lien of such Bonds on the Pledged Funds shall be subordinate in all respects to the pledge of the Pledged Funds created by this Resolution. No such Additional Bonds shall be issued by the Issuer unless the following conditions are complied with:

(A) The Issuer shall certify that it is current in all deposits into the various funds and accounts established hereby and all payments theretofore required to have been deposited or made by it under the provisions of this Resolution and has complied with the covenants and agreements of this Resolution.

(B) There shall have been obtained and filed with the Issuer a certificate of an independent certified public accountant: (1) stating that such accountant has examined the books and records of the Issuer relating to collection and receipt of the Gas Tax Revenues; (2) setting forth the amount of Gas Tax Revenues for the immediately preceding Fiscal Year or any twelve (12) consecutive months selected by the Issuer from the eighteen (18) months immediately preceding the issuance of such Additional Bonds; (3) stating that such Gas Tax Revenues equal the sum of at least (a) 1.35 times the Maximum Debt Service Requirement of all Outstanding Bonds and such Additional Bonds then proposed to be issued and (b) 1.00 times the maximum annual debt service for all Subordinated Indebtedness then outstanding (such maximum annual debt service computed in a manner substantially similar to the manner in which the Maximum Debt Service Requirement is computed); and (4) stating that no Event of Default was disclosed in the report of the most recent Annual Audit, or if such Event of Default was so disclosed, that it shall have been cured.

(C) In computing Maximum Debt Service Requirement for purposes of this Section 5.02, the interest rate on outstanding Variable Rate Bonds, and on additional parity Variable Rate Bonds then proposed to be issued, shall be deemed to be the Maximum Interest Rate applicable thereto.

(D) In the event any Additional Bonds are issued for the purpose of refunding any Bonds then Outstanding, the conditions of Section 5.02(B) shall not apply, provided that the issuance of such Additional Bonds shall not result in an increase in the aggregate amount of principal of and interest on the Outstanding Bonds becoming due in the current Fiscal Year and all subsequent Fiscal Years. The conditions of Section 5.02(B) hereof shall apply to Additional Bonds issued to refund Subordinated Indebtedness and to Additional Bonds issued for refunding purposes which cannot meet the conditions of this paragraph.

(E) In the event that the total amount of any Series of Bonds authorized to be issued shall not be issued simultaneously, such Bonds which shall be issued subsequently shall be subject to the conditions of Section 5.02(B) hereof.

(F) In addition to all of the other requirements specified in this Section 5.02, the Issuer must comply with any applicable provisions of any financing documents relating to outstanding Subordinated Indebtedness to the extent such provisions impact on the ability of the Issuer to issue Additional Bonds.

Section 5.03 Bond Anticipation Notes. The Issuer may issue notes in anticipation of the issuance of Bonds which shall have such terms and details and be secured in such manner, not inconsistent with this Resolution, as shall be provided by resolution of the Issuer.

Section 5.04 Accession of Subordinated Indebtedness to Parity Status with Bonds. The Issuer may provide for the accession of Subordinated Indebtedness to the status of complete parity with the Bonds, if (A) the Issuer shall meet all the requirements imposed upon the issuance of Additional Bonds by Section 5.02 hereof, assuming, for purposes of said requirements, that such Subordinated Indebtedness shall be Additional Bonds, and (B) the Issuer shall provide for the funding of the Reserve Account, upon such accession, in an amount equal to the increase in the amount of the Reserve Account Requirement occasioned by such accession in accordance with Section 4.05(A)(4) hereof. If the aforementioned conditions are satisfied, the Subordinated Indebtedness shall be deemed to have been issued pursuant to this Resolution the same as the Outstanding Bonds, and such Subordinated Indebtedness shall be considered Bonds for all purposes provided in this Resolution.

Section 5.05 Books and Records. The Issuer will keep books, records and accounts of the receipt of the Pledged Funds in accordance with generally accepted accounting principles, and any Credit Bank, Insurer, or Holder of any Bonds Outstanding or the duly authorized representatives thereof shall have the right at all reasonable times to inspect all books, records and accounts of the Issuer relating thereto.

The Issuer covenants that within one hundred eighty (180) days of the close of each Fiscal Year it will cause to be prepared and filed with the Clerk and mailed to all Credit Banks, Insurers and Holders who shall have filed their names and addresses with the Clerk for such purpose a statement setting forth in respect of the preceding Fiscal Year: (A) the amount of the Gas Tax Revenues received in the preceding Fiscal Year; (B) the total amounts deposited to the credit of each fund and account created under the provisions of this Resolution; (C) the principal amount of all Bonds issued, paid, purchased or redeemed; and (D) the amounts on deposit at the end of such Fiscal Year to the credit of each such fund or account.

Section 5.06 Annual Audit. The Issuer shall, immediately after the close of each Fiscal Year, cause the financial statements of the Issuer to be properly audited by a recognized independent firm of certified public accountants, and shall require such accountants to complete their report of such Annual Audit in accordance with applicable law. Such Annual Audits shall contain, but not be limited to, a balance sheet, an income statement, a statement of changes in financial position, a statement of change in retained earnings, a statement of insurance coverage, and any other statements as required by law or accounting convention, and a certificate by such accountants disclosing any material default on the part of the Issuer of any covenant or agreement herein. Each Annual Audit shall be in conformity with generally accepted accounting principles. A copy of each Annual Audit shall regularly be furnished to any Credit Bank, to any Insurer and to any Holder who shall have furnished an address to the Clerk and requested in writing that the same be furnished to such Holder. The Issuer shall be permitted to make a reasonable charge for furnishing to any Holder such Annual Audit.

Section 5.07 No Impairment. The pledging of the Pledged Funds in the manner provided herein shall not be subject to repeal, modification or impairment by any subsequent ordinance, resolution or other proceedings of the Governing Body.

Section 5.08 Collection of Gas Tax Revenues. The Issuer covenants to do all things necessary on its part to continue the levy and collection of the Gas Tax Revenues in compliance with Chapter 336.025, Florida Statutes, as amended, and any successor provision of law. The Issuer will at all times comply with all of the requirements and conditions of Chapter 218, Parts II and VI, Florida Statutes, as amended, and take every necessary action to remain qualified to receive distribution of the Gas Tax Revenues; and the Issuer will not take any action which will jeopardize its eligibility for receipt of such funds which may adversely effect its undertakings as provided in this Instrument. The Issuer will take all actions legally available to the Issuer to increase or maximize its entitlement to the Gas Tax Revenues under that certain Interlocal Agreement dated June 18, 1985, between the Issuer and the City of St. Augustine, Florida, as amended and restated on June 10, 1986 (the "Interlocal Agreement"). Other than as set forth in the provisions of the Interlocal Agreement as of the date hereof, the Issuer will not take any action or enter into any agreement that shall result in reducing the level of Gas Tax Revenues distributed to the Issuer from that prevailing at the time the Issuer takes such action or enters into such agreement.

Section 5.09 Special Covenants Relating to Reserve Account Insurance Policy or Reserve Account Letter of Credit.

(A) The Issuer shall annually submit to the issuer of the Reserve Account Insurance Policy and/or the Reserve Account Letter of Credit, records of withdrawals on such Reserve Account Insurance Policy or such Reserve Account Letter of Credit, as the case may be, received by the Paying Agent and remaining unpaid, the respective dates of such withdrawals, the interest accrued on such withdrawals and the aggregate amount of interest due by the Issuer to the issuer of such Reserve Account Insurance Policy or such Reserve Account Letter of Credit, as the case may be.

(B) The Issuer hereby acknowledges that the issuer of the Reserve Account Insurance Policy and/or the Reserve Account Letter of Credit shall be deemed a third-party beneficiary of this Resolution for the purpose of enforcing the terms, conditions and obligations of this Resolution which benefit the issuer of such Reserve Account Insurance Policy or such Reserve Account Letter of Credit, as the case may be.

Section 5.10 Covenants with Credit Banks and Insurers. The Issuer may make such covenants as it may in its sole discretion determine to be appropriate with any Insurer, Credit Bank or other financial institution that shall agree to insure or to provide for Bonds of any one or more Series credit or liquidity support that shall enhance the security or the value of such Bonds. Such covenants may be set forth in the applicable Supplemental Resolution and shall be binding on the Issuer, the Registrar, the Paying Agent and all the Holders of Bonds the same as if such covenants were set forth in full in this Resolution.

Section 5.11 Federal Income Tax Covenants: Taxable Bonds.

(A) The Issuer covenants with the Holders of each Series of Bonds (other than Taxable Bonds), that it shall not use the proceeds of such Series of Bonds in any manner which would cause the interest on such Series of Bonds to be or become includable in the gross income of the Holder thereof for federal income tax purposes.

(B) The Issuer covenants with the Holders of each Series of Bonds (other than Taxable Bonds) that neither the Issuer nor any Person under its control or direction will knowingly make any use of the proceeds of such Series of Bonds (or amounts deemed to be proceeds under the Code) in any manner which would cause such Series of Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code, and neither the Issuer nor any such other Person shall knowingly do any act or fail to do any act which would cause the interest on such Series of Bonds to become includable in the gross income of the Holder thereof for federal income tax purposes.

(C) The Issuer hereby covenants with the Holders of each Series of Bonds (other than Taxable Bonds) that it will comply with all provisions of the Code necessary to maintain the exclusion of interest on the Bonds from the gross income of the Holder thereof for federal income tax purposes, including, in particular, the payment of any amount required to be rebated to the United States Treasury pursuant to the Code.

(D) The Issuer may, if it so elects, issue one or more Series of Taxable Bonds the interest on which is (or may be) includable in the gross income of the Holder thereof for federal income taxation purposes, so long as each Bond of such Series states in the body thereof that interest payable thereon is (or may be) subject to federal income taxation and provided that the issuance thereof will not cause the interest on any other Bonds theretofore issued hereunder to be or become includable in the gross income of the Holder thereof for federal income tax purposes. The covenants set forth in subsections (A), (B) and (C) of this Section 5.11 shall not apply to any Taxable Bonds.

SECTION 5.12 FGIC as Insured. Notwithstanding any provisions to the contrary contained herein, the following provisions shall apply so long as a Bond Insurance Policy issued by FGIC shall be in full force and effect:

(A) The Issuer will deliver to FGIC the following information:

(1) Within 120 days after the end of each of the Issuer's Fiscal Years, the budget for the new year, the annual audited financial statements, a statement of the amount on deposit in the Reserve Account as of the last valuation, and, if not presented in the audited financial statements, a statement of the Pledged Funds pledged to the payment of the Bonds in such Fiscal Year;

(2) Official statement or other disclosure, if any, prepared in connection with the issuance of additional debt, whether or not on a parity with the Series 1992 Bonds, within thirty (30) days after the sale thereof;

(3) Notice of any draw upon or deficiency due to market fluctuation in the amount, if any, on deposit in the Reserve Account;

(4) Notice of the redemption, other than mandatory sinking fund redemption, of any Bonds insured by FGIC, including the principal amount, maturities and CUSIP numbers thereof; and

(5) Such additional information as FGIC may reasonably request from time to time.

(B) Any successor Paying Agent must have combined capital, surplus and undivided profits of at least \$50 million, unless FGIC shall otherwise approve; no resignation or removal of the Paying Agent shall become effective until a successor has been appointed and has accepted the duties of Paying Agent; and FGIC shall be furnished with written notice of the resignation or removal of the Paying Agent and the appointment of any successor thereto.

(C) Only cash, direct non-callable obligations of the United States of America and securities fully and unconditionally guaranteed as to the timely payment of principal and interest by the United States of America, to which direct obligation or guarantee the full faith and credit of the United States of America has been pledged, Rescorp interest strips, CATS, TIGRS, STRPS, or defeased municipal bonds rated "AAA" by Standard & Poor's Corporation or "Aaa" by Moody's Investors Service (or any combination thereof) shall be used to effect defeasance of Bonds insured by FGIC unless FGIC otherwise approves. In the event of an advance refunding of such Bonds, the Issuer shall cause to be delivered a verification report of an independent nationally recognized certified public accountant.

(D) If, on the third day preceding any Interest Date for Bonds insured by FGIC there is not on deposit with the Paying Agent sufficient moneys available to pay all principal of and interest on such Bonds due on such date, the Paying Agent shall immediately notify FGIC and Citibank, N.A., New York, New York, or its successor as its Fiscal Agent (the "Fiscal Agent") of the amount of such deficiency. If, by said Interest Date, the Issuer has not provided the amount of such deficiency, the Paying Agent shall simultaneously make available to FGIC and to the Fiscal Agent the registration books for such Bonds maintained by the Paying Agent. In addition:

(1) The Paying Agent shall provide FGIC with a list of the Bondholders entitled to receive principal or interest payments from FGIC under the terms of the applicable Bond Insurance Policy and shall make arrangements for FGIC and its Fiscal Agent (a) to mail checks or drafts to Bondholders entitled to receive full or partial interest payments from FGIC and (b) to pay principal of such Bonds surrendered to the Fiscal Agent by the Bondholders entitled to receive full or partial principal payments from FGIC; and

(2) The Paying Agent shall, at the time it makes the registration books available to FGIC pursuant to (1) above, notify Bondholders entitled to receive the payment of principal of or interest on such Bonds from FGIC (a) as to the fact of such entitlement,

(b) that FGIC will remit to them all or part of the interest payments coming due subject to the terms of the applicable Bond Insurance Policy, (c) that, except as provided in paragraph (E) below, in the event that any Bondholder is entitled to receive full payment of principal from FGIC, such Bondholder must tender such Bond with the instrument of transfer in the form provided on the Bond executed in the name of FGIC, and (d) that, except as provided in paragraph (E) below, in the event that such Bondholder is entitled to receive partial payment of principal from FGIC, such Bondholder must tender such Bond for payment first to the Paying Agent, which shall note on such Bond the portion of principal paid by the Paying Agent, and then, with an acceptable form of assignment of the unpaid portion of principal executed in the name of FGIC, to the Fiscal Agent, which will then pay the unpaid portion of principal to the Bondholder subject to the terms of the applicable Bond Insurance Policy.

(E) In the event that the Paying Agent has notice that any payment of principal of or interest on a Bond insured by FGIC has been recovered from a Bondholder pursuant to the United States Bankruptcy Code by a paying agent in bankruptcy in accordance with the final, nonappealable order of a court having competent jurisdiction, the Paying Agent shall, at the time it provides notice to FGIC, notify all Bondholders that in the event that any Bondholder's payment is so recovered, such Bondholder will be entitled to payment from FGIC to the extent of such recovery, and the Paying Agent shall furnish to FGIC its records evidencing the payments of principal of and interest on the Bonds which have been made by the Paying Agent and subsequently recovered from Bondholders, and the dates on which such payments were made.

(F) FGIC shall, to the extent it makes payment of principal of or interest on the Bonds, become subrogated to the rights of the recipients of such payments in accordance with the terms of the applicable Bond Insurance Policy and, to evidence such subrogation (1) in the case of subrogation as to claims for past due interest, the Paying Agent shall note FGIC's rights as subrogee on the registration books maintained by the Paying Agent upon receipt from FGIC of proof of the payment of interest thereon to the Bondholders of such Bonds and (2) in the case of subrogation as to claims for past due principal, the Paying Agent shall note FGIC's rights as subrogee on the registration books for such Bonds maintained by the Paying Agent upon receipt of proof of the payment of principal thereof to the Bondholders of such Bonds. Notwithstanding anything in this Resolution or the Bonds to the contrary, the Paying Agent shall make payment of such past due interest and past due principal directly to FGIC to the extent that FGIC is a subrogee with respect thereto.

ARTICLE VI

DEFAULTS AND REMEDIES

Section 6.01 Events of Default. The following events shall each constitute an "Event of Default" hereunder:

(A) Default shall be made in the payment of the principal of, Amortization Installment, redemption premium or interest on any Bond when due.

(B) There shall occur the dissolution or liquidation of the Issuer, or the filing by the Issuer of a voluntary petition in bankruptcy, or the commission by the Issuer of any act of bankruptcy, or adjudication of the Issuer as a bankrupt, or assignment by the Issuer for the benefit of its creditors, or appointment of a receiver for the Issuer, or the entry by the Issuer into an agreement of composition with its creditors, or the approval by a court of competent jurisdiction of a petition applicable to the Issuer in any proceeding for its reorganization instituted under the provisions of the Federal Bankruptcy Act, as amended, or under any similar act in any jurisdiction which may now be in effect or hereafter enacted.

(C) The Issuer shall default in the due and punctual performance of any other of the covenants, conditions, agreements and provisions contained in the Bonds or in this Resolution on the part of the Issuer to be performed, and such default shall continue for a period of thirty (30) days after written notice of such default shall have been received from any Insurer or the Holders of not less than twenty-five percent (25%) of the aggregate principal amount of Bonds Outstanding or any Credit Bank. Notwithstanding the foregoing, the Issuer shall not be deemed in default hereunder if such default can be cured within a reasonable period of time and if the Issuer in good faith institutes curative action and diligently pursues such action until the default has been corrected.

Notwithstanding the foregoing, in determining whether a payment default has occurred or whether a payment on the Bonds has been made under this Resolution, no effect shall be given to payments made under a Bond Insurance Policy.

Section 6.02 Remedies. Any Holder of Bonds issued under the provisions of this Resolution or any trustee or receiver acting for such Bondholders may either at law or in equity, by suit, action, mandamus or other proceedings in any court of competent jurisdiction, protect and enforce any and all rights under the laws of the State, or granted and contained in this

Resolution, and may enforce and compel the performance of all duties required by this Resolution or by any applicable statutes to be performed by the Issuer or by any officer thereof.

The Holder or Holders of Bonds in an aggregate principal amount of not less than twenty-five percent (25%) of the Bonds then Outstanding may by a duly executed certificate in writing appoint a trustee for Holders of Bonds issued pursuant to this Resolution with authority to represent such Bondholders in any legal proceedings for the enforcement and protection of the rights of such Bondholders and such certificate shall be executed by such Bondholders or their duly authorized attorneys or representatives, and shall be filed in the office of the Clerk. Notice of such appointment, together with evidence of the requisite signatures of the Holders of not less than twenty-five percent (25%) in aggregate principal amount of Bonds Outstanding and the trust instrument under which the trustee shall have agreed to serve shall be filed with the Issuer and the trustee and notice of appointment shall be given to all Holders of Bonds in the same manner as notices of redemption are given hereunder. After the appointment of the first trustee hereunder, no further trustees may be appointed; however, the Holders of a majority in aggregate principal amount of all the Bonds then Outstanding may remove the trustee initially appointed and appoint a successor and subsequent successors at any time.

The Insurer and the Credit Bank shall receive immediate notice of any payment default and notice of any other default known to the Issuer or the Paying Agent within thirty (30) days of such person's knowledge thereof, and the Paying Agent shall not take any Bond Insurance Policy or Credit Facility into account in determining whether the rights of Bondholders are adversely affected by actions taken pursuant to the terms and provisions of this Resolution.

Nothing contained in this Section 6.02 shall be deemed to waive any right of the Issuer pertaining to venue.

Section 6.03 Directions to Trustee as to Remedial Proceedings. The Holders of a majority in principal amount of the Bonds then Outstanding (or any Insurer insuring, or any Credit Bank providing a Credit Facility for, any then Outstanding Bonds) have the right, by an instrument or concurrent instruments in writing executed and delivered to the trustee, to direct the method and place of conducting all remedial proceedings to be taken by the trustee hereunder, provided that such direction shall not be otherwise than in accordance with law or the provisions hereof, and that the trustee shall have the right to decline to follow any such direction which in the opinion of the trustee would be unjustly prejudicial to Holders of Bonds not parties to such direction.

The Insurer and the Credit Bank shall be a party in interest hereunder and as a party entitled to (A) notify the Issuer and the Paying Agent of the occurrence of an Event of Default and (B) request the Paying Agent to intervene in judicial proceedings that affect the Bonds or the security therefor. The Paying Agent shall accept notice of default from any Insurer or Credit Bank and act in accordance with Section 5.12 hereof with respect thereto.

Section 6.04 Remedies Cumulative. No remedy herein conferred upon or reserved to the Bondholders is intended to be exclusive of any other remedy or remedies, and

each and every such remedy shall be cumulative, and shall be in addition to every other remedy given hereunder or now or hereafter existing at law or in equity or by statute.

Section 6.05 Waiver of Default. No delay or omission of any Bondholder to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default, or an acquiescence therein; and every power and remedy given by Section 6.02 of this Resolution to the Bondholders may be exercised from time to time, and as often as may be deemed expedient.

Section 6.06 Application of Moneys After Default. If an Event of Default shall happen and shall not have been remedied, the Issuer or a trustee or receiver appointed by a court of competent jurisdiction for the purpose shall apply all Pledged Funds as follows and in the following order:

(A) To the payment of the reasonable and proper charges, expenses and liabilities of the trustee or receiver, Registrar and Paying Agent hereunder; and

(B) To the payment of the interest and principal or Redemption Price, if applicable, then due on the Bonds, as follows:

(1) Unless the principal of all the Bonds shall have become due and payable, all such moneys shall be applied:

FIRST: to the payment to the Persons entitled thereto of all installments of interest then due, in the order of the maturity of such installments, and, if the amount available shall not be sufficient to pay in full any particular installment, then to the payment ratably, according to the amounts due on such installment, to the Persons entitled thereto, without any discrimination or preference;

SECOND: to the payment to the Persons entitled thereto of the unpaid principal of any of the Bonds which shall have become due at maturity or upon mandatory redemption prior to maturity (other than Bonds called for redemption for the payment of which moneys are held pursuant to the provisions of Section 8.01 of this Resolution), in the order of their due dates, with interest upon such Bonds from the respective dates upon which they became due, and, if the amount available shall not be sufficient to pay in full Bonds due on any particular date, together with such interest, then to the payment first of such interest, ratably according to the amount of such interest due on such date, and then to the payment of such principal, ratably according to the amount of such principal due on such date, to the Persons entitled thereto without any discrimination or preference; and

THIRD: to the payment of the Redemption Price of any Bonds called for optional redemption pursuant to the provisions of this Resolution.

(2) If the principal of all the Bonds shall have become due and payable, all such moneys shall be applied to the payment of the principal and interest then due and unpaid upon the Bonds, with interest thereon as aforesaid, without preference or priority of principal over interest or of interest over principal, or of any installment of interest over any other installment of interest, or of any Bond over any other Bond, ratably, according to the amounts due respectively for principal and interest, to the Persons entitled thereto without any discrimination or preference.

Section 6.07 Control by Insurer or Credit Bank. Upon the occurrence and continuance of an Event of Default, each Insurer or Credit Bank, if such Insurer or Credit Bank shall have honored all of its commitments under its Bond Insurance Policy or its Credit Facility, as the case may be, shall be entitled to direct and control the enforcement of all rights and remedies with respect to the Bonds it shall insure or for which such Credit Facility is provided.

For all purposes of Article VI, except the giving of notice of default to Bondholders, the Insurer shall be deemed to be the sole holder of all Bonds it has insured and the Credit Bank shall be deemed to be the sole holder of all Bonds for which it has provided a Credit Facility for so long as it has not failed to comply with its payment obligations under its Bond Insurance Policy or its Credit Facility, as the case may be.

ARTICLE VII

SUPPLEMENTAL RESOLUTIONS

Section 7.01 Supplemental Resolution Without Bondholders' Consent. The Issuer, from time to time and at any time, may adopt such Supplemental Resolutions without the consent of the Bondholders (which Supplemental Resolution shall thereafter form a part hereof) for any of the following purposes:

(A) To cure any ambiguity or formal defect or omission or to correct any inconsistent provisions in this Resolution or to clarify any matters or questions arising hereunder.

(B) To grant to or confer upon the Bondholders any additional rights, remedies, powers, authority or security that may lawfully be granted to or conferred upon the Bondholders.

(C) To add to the conditions, limitations and restrictions on the issuance of Bonds under the provisions of this Resolution other conditions, limitations and restrictions thereafter to be observed.

(D) To add to the covenants and agreements of the Issuer in this Resolution other covenants and agreements thereafter to be observed by the Issuer or to surrender any right or power herein reserved to or conferred upon the Issuer.

(E) To specify and determine at any time prior to the first delivery of any Series of Bonds the matters and things referred to in Sections 2.01, 2.02 or 2.09 hereof, and also any other matters and things relative to such Bonds which are not contrary to or inconsistent with

this Resolution as theretofore in effect, or to amend, modify or rescind any such authorization, specification or determination.

(F) To authorize a Project or to change or modify the description of any Project.

(G) To specify and determine matters necessary or desirable for the issuance of Capital Appreciation Bonds or Variable Rate Bonds.

(H) To authorize Additional Bonds or Subordinated Indebtedness.

(I) To make any other change that, in the opinion of Bond Counsel, would not materially adversely affect the security for the Bonds. In making such determination, Bond Counsel shall not take into consideration any Bond Insurance Policy.

Except Supplemental Resolutions described in subsections (E), (F) and (H) of this Section 7.01, no Supplemental Resolution adopted pursuant to this Article VII shall become effective unless approved by every Insurer; and the Issuer covenants and agrees to furnish to each Insurer a certified copy of each Supplemental Resolution.

Section 7.02 Supplemental Resolution With Bondholders', Insurer's and Credit Bank's Consent. Subject to the terms and provisions contained in this Section 7.02 and Sections 7.01, 7.03 hereof, the Holder or Holders of not less than a majority in aggregate principal amount of the Bonds then Outstanding shall have the right, from time to time, anything contained in this Resolution to the contrary notwithstanding, to consent to and approve the adoption of such Supplemental Resolution or Resolutions hereto as shall be deemed necessary or desirable by the Issuer for the purpose of supplementing, modifying, altering, amending, adding to or rescinding, in any particular, any of the terms or provisions contained in this Resolution; provided, however, that if such modification or amendment will, by its terms, not take effect so long as any Bonds of any specified Series or maturity remain Outstanding, the consent of the Holders of such Bonds shall not be required and such Bonds shall not be deemed to be Outstanding for the purpose of any calculation of Outstanding Bonds under this Section 7.02. Any Supplemental Resolution which is adopted in accordance with the provisions of this Section 7.02 shall also require the written consent of the Insurer of, or any Credit Bank providing a Credit Facility for, any Bonds which are Outstanding at the time such Supplemental Resolution shall take effect. No Supplemental Resolution may be approved or adopted which shall permit or require (A) an extension of the maturity of the principal of or the payment of the interest on any Bond issued hereunder, (B) reduction in the principal amount of any Bond or the Redemption Price or the rate of interest thereon, (C) the creation of a lien upon or a pledge of the Pledged Funds other than the liens and pledges created or authorized by this Resolution which adversely affects any Bondholders, (D) a preference or priority of any Bond or Bonds over any other Bond or Bonds, or (E) a reduction in the aggregate principal amount of the Bonds required for consent to such Supplemental Resolution. Nothing herein contained, however, shall be construed as making necessary the approval by Bondholders, the Insurer or the Credit Bank of the adoption of any Supplemental Resolution as authorized in Section 7.01 hereof.

If at any time the Issuer shall determine that it is necessary or desirable to adopt any Supplemental Resolution pursuant to this Section 7.02, the Clerk shall cause the Registrar to give notice of the proposed adoption of such Supplemental Resolution and the form of consent to such adoption to be mailed, postage prepaid, to all Bondholders at their addresses as they appear on the registration books and to all Insurers of, and Credit Banks providing a Credit Facility for, Bonds Outstanding. Such notice shall briefly set forth the nature of the proposed Supplemental Resolution and shall state that copies thereof are on file at the offices of the Clerk and the Registrar for inspection by all Bondholders. The Issuer shall not, however, be subject to any liability to any Bondholder by reason of its failure to cause the notice required by this Section 7.02 to be mailed and any such failure shall not affect the validity of such Supplemental Resolution when consented to and approved as provided in this Section 7.02.

Whenever the Issuer shall deliver to the Clerk an instrument or instruments in writing purporting to be executed by the Holders of not less than a majority in aggregate principal amount of the Bonds then Outstanding, which instrument or instruments shall refer to the proposed Supplemental Resolution described in such notice and shall specifically consent to and approve the adoption thereof in substantially the form of the copy thereof referred to in such notice, thereupon, but not otherwise, the Issuer may adopt such Supplemental Resolution in substantially such form, without liability or responsibility to any Holder of any Bond, whether or not such Holder shall have consented thereto.

If the Holders of not less than a majority in aggregate principal amount of the Bonds Outstanding at the time of the adoption of such Supplemental Resolution shall have consented to and approved the adoption thereof as herein provided, no Holder of any Bond shall have any right to object to the adoption of such Supplemental Resolution, or to object to any of the terms and provisions contained therein or the operation thereof, or in any manner to question the propriety of the adoption thereof, or to enjoin or restrain the Issuer from adopting the same or from taking any action pursuant to the provisions thereof.

Upon the adoption of any Supplemental Resolution pursuant to the provisions of this Section 7.02, this Resolution shall be deemed to be modified and amended in accordance therewith, and the respective rights, duties and obligations under this Resolution of the Issuer and all Holders of Bonds then Outstanding shall thereafter be determined, exercised and enforced in all respects under the provisions of this Resolution as so modified and amended.

Section 7.03 Amendment with Consent of Insurer and/or Credit Bank Only. If all of the Bonds Outstanding hereunder are insured or secured as to payment of principal and interest by an Insurer or Insurers and/or by a Credit Facility provided by a Credit Bank or Credit Banks, and the Insurer or Insurers and/or the Credit Bank or Credit Banks, as applicable, are not in default, and the Bonds, at the time of the hereinafter described amendment, shall be rated by the rating agencies which shall have rated the Bonds at the time such Bonds were insured or such Credit Facility was provided no lower than the ratings assigned thereto by such rating agencies on the date such Bonds were insured or such Credit Facility was provided, the Issuer may adopt one or more Supplemental Resolutions pursuant to this Section 7.03 amending all or any part of Articles I, IV, V, VI and VIII hereof with the written consent of said Insurer or Insurers and/or said Credit Bank or Credit Banks, as applicable, and the acknowledgment by

said Insurer or Insurers and/or said Credit Bank or Credit Banks that its Bond Insurance Policy or its Credit Facility, as the case may be, will remain in full force and effect. If the Issuer shall provide to Moody's Investors Service and Standard & Poor's Corporation notice of such amendment and a copy thereof at least 15 days in advance of its adoption, the consent of the Holders of any Bonds shall not be necessary. The foregoing right of amendment, however, does not apply to any amendment to Section 5.11 hereof with respect to the exclusion, if applicable, of interest on said Bonds from the gross income of the Holders thereof for federal income tax purposes nor may any such amendment deprive the Holders of any Bond of right to payment of the Bonds from, and their lien on, the Pledged Funds and any additional security pledged hereunder. Upon filing with the Clerk of evidence of such notice to such rating agencies and such consent of the Insurer or Insurers and/or the Credit Bank or Credit Banks as aforesaid, the Issuer may adopt such Supplemental Resolution. After the adoption by the Issuer of such Supplemental Resolution, notice thereof shall be mailed in the same manner as notice of an amendment under Section 7.02 hereof. Anything contained in this Section 7.03 to the contrary notwithstanding, any Supplemental Resolution adopted pursuant to this Section 7.03 shall be subject to the prior written consent of FGIC so long as any Bonds insured by FGIC shall remain Outstanding.

ARTICLE VIII

MISCELLANEOUS

Section 8.01 Defeasance. If the Issuer shall pay or cause to be paid or there shall otherwise be paid to the Holders of all Bonds the principal or Redemption Price, if applicable, and interest due or to become due thereon, at the times and in the manner stipulated therein and in this Resolution, then the pledge of the Pledged Funds and any additional security pledged hereunder, and all covenants, agreements and other obligations of the Issuer to the Bondholders, shall thereupon cease, terminate and become void and be discharged and satisfied. In such event, the Paying Agents shall pay over or deliver to the Issuer all money or securities held by them pursuant to this Resolution which are not required for the payment or redemption of Bonds not theretofore surrendered for such payment or redemption.

Any Bonds or interest installments appertaining thereto, whether at or prior to the maturity or redemption date of such Bonds, shall be deemed to have been paid within the meaning of this Section 8.01 if (A) in case any such Bonds are to be redeemed prior to the maturity thereof, there shall have been taken all action necessary to call such Bonds for redemption and notice of such redemption shall have been duly given or provision shall have been made for the giving of such notice, and (B) there shall have been deposited in irrevocable trust with a banking institution or trust company by or on behalf of the Issuer either moneys in an amount which shall be sufficient, or Securities the principal of and the interest on which when due will provide moneys which, together with the moneys, if any, deposited with such bank or trust company at the same time shall be sufficient, to pay the principal of or Redemption Price, if applicable, and interest due and to become due on said Bonds on and prior to the redemption date or maturity date thereof, as the case may be. Neither the Securities nor any moneys so deposited with such bank or trust company nor any moneys received by such bank or trust company on account of principal of or Redemption Price, if applicable, or interest on said

Securities shall be withdrawn or used for any purpose other than, and all such moneys shall be held in trust for and be applied to, the payment, when due, of the principal of or Redemption Price, if applicable, of the Bonds for the payment or redemption of which they were deposited and the interest accruing thereon to the date of maturity or redemption thereof; provided, however, the Issuer may substitute new Securities and moneys for the deposited Securities and moneys if the new Securities and moneys are sufficient to pay the principal of or Redemption Price, if applicable, and interest on such Bonds.

For purposes of determining whether Variable Rate Bonds shall be deemed to have been paid prior to the maturity or the redemption date thereof, as the case may be, by the deposit of moneys, or specified Securities and moneys, if any, in accordance with this Section 8.01, the interest to come due on such Variable Rate Bonds on or prior to the maturity or redemption date thereof, as the case may be, shall be calculated at the Maximum Interest Rate; provided, however, that if on any date, as a result of such Variable Rate Bonds having borne interest at less than the Maximum Interest Rate for any period, the total amount of moneys and specified Securities on deposit for the payment of interest on such Variable Rate Bonds is in excess of the total amount which would have been required to be deposited on such date in respect of such Variable Rate Bonds in order to satisfy this Section 8.01, such excess shall be paid to the Issuer free and clear of any trust, lien, pledge or assignment securing the Bonds or otherwise existing under this Resolution.

In the event the Bonds for which moneys are to be deposited for the payment thereof in accordance with this Section 8.01 are not by their terms subject to redemption within the next succeeding sixty (60) days, the Issuer shall cause the Registrar to mail a notice to the Holders of such Bonds that the deposit required by this Section 8.01 of moneys or Securities has been made and said Bonds are deemed to be paid in accordance with the provisions of this Section 8.01 and stating such maturity or redemption date upon which moneys are to be available for the payment of the principal of or Redemption Price, if applicable, and interest on said Bonds.

Nothing herein shall be deemed to require the Issuer to call any of the Outstanding Bonds for redemption prior to maturity pursuant to any applicable optional redemption provisions, or to impair the discretion of the Issuer in determining whether to exercise any such option for early redemption.

In the event that the principal of or Redemption Price, if applicable, and interest due on the Bonds or any portion thereof shall be paid by an Insurer or Insurers or a Credit Bank or Credit Banks, such Bonds or any portion thereof shall remain Outstanding, shall not be defeased and shall not be considered paid by the Issuer, and the pledge of the Pledged Funds and any additional security pledged hereunder, and all covenants, agreements and other obligations of the Issuer to the Bondholders shall continue to exist and such Insurer or Insurers or such Credit Bank or Credit Banks shall be subrogated to the rights of such Bondholders.

Section 8.02 Capital Appreciation Bonds. For the purposes of (A) receiving payment of the Redemption Price if a Capital Appreciation Bond is redeemed prior to maturity, or (B) receiving payment of a Capital Appreciation Bond if the principal of all Bonds becomes

due and payable under the provisions of this Resolution, or (C) computing the amount of Bonds held by the Holder of a Capital Appreciation Bond in giving to the Issuer or any trustee or receiver appointed to represent the Bondholders any notice, consent, request or demand pursuant to this Resolution for any purpose whatsoever, the principal amount of a Capital Appreciation Bond shall be deemed to be its Accreted Value. For the purpose of determining the aggregate principal amount of Capital Appreciation Bonds which may be issued hereunder, only the aggregate principal amount of such Bonds at their initial offering shall be counted, without regard to the aggregated Accreted Value or face amount of such Bonds which shall be payable at their respective maturities.

Section 8.03 General Authority. The members of the Governing Body and the Issuer's officers, attorneys and other agents and employees are hereby authorized to do all acts and things required of them by this Resolution or desirable or consistent with the requirements hereof for the full, punctual and complete performance of all of the terms, covenants and agreements contained in the Bonds and this Resolution, and they are hereby authorized to execute and deliver all documents which shall be required by Bond Counsel or the initial purchasers of the Bonds to effectuate the sale of the Bonds to said initial purchasers.

Section 8.04 No Personal Liability. No representation, statement, covenant, warranty, stipulation, obligation or agreement herein contained, or contained in the Bonds, or in any certificate or other instrument to be executed on behalf of the Issuer in connection with the issuance of the Bonds, shall be deemed to be a representation, statement, covenant, warranty, stipulation, obligation or agreement of any member of the Governing Body, officer, employee or agent of the Issuer in his or her individual capacity, and none of the foregoing persons nor any officer of the Issuer executing the Bonds, or any certificate or other instrument to be executed in connection with the issuance of the Bonds, shall be liable personally thereon or be subject to any personal liability or accountability by reason of the execution or delivery thereof.

Section 8.05 No Third Party Beneficiaries. Except such other Persons as may be expressly described herein or in the Bonds, nothing in this Resolution, or in the Bonds, expressed or implied, is intended or shall be construed to confer upon any Person other than the Issuer and the Holders any right, remedy or claim, legal or equitable, under and by reason of this Resolution or any provision hereof, or of the Bonds, all provision hereof and thereof being intended to be and being for the sole and exclusive benefit of the Issuer and the Persons who shall from time to time be the Holders.

Section 8.06 Sale of Bonds. The Bonds shall be issued and sold at public or private sale at one time or in installments from time to time and at such price or prices as shall be consistent with the provisions of the Act, the requirements of this Resolution and other applicable provisions of law.

Section 8.07 Severability of Invalid Provisions. If any one or more of the covenants, agreements or provisions of this Resolution shall be held contrary to any express provision of law or contrary to the policy of express law, though not expressly prohibited, or against public policy, or shall for any reason whatsoever be held invalid, then such covenants,

agreements or provisions shall be null and void and shall be deemed separable from the remaining covenants, agreements and provisions of this Resolution and shall in no way affect the validity of any of the other covenants, agreements or provisions hereof or of the Bonds issued hereunder.

Section 8.08 Repeal of Inconsistent Resolutions. All resolutions or parts thereof in conflict herewith are hereby superseded and repealed to the extent of such conflict.

Section 8.09 Table of Contents and Headings not Part Hereof. The Table of Contents preceding the body of this Resolution and the headings preceding the several articles and sections hereof shall be solely for convenience of reference and shall not constitute a part of this Resolution or affect its meaning, construction or effect.

Section 8.10 Effective Date. This Resolution shall take effect immediately upon its adoption.

Section 4. Content of Annual Reports. The Issuer's Annual Report shall contain or include by reference the following:

(a) The audited financial statements of the Issuer for the prior Fiscal Year, prepared in accordance with generally accepted accounting principles as promulgated to apply to governmental entities from time to time by the Governmental Accounting Standards Board. If the Issuer's audited financial statements are not available by the time the Annual Report is required to be filed pursuant to Section 3(a), the Annual Report shall contain unaudited financial statements in a format similar to the financial statements contained in the Official Statement relating to the Bonds, and the audited financial statements shall be filed in the same manner as the Annual Report when they become available; and

(b) An update of the following portions of the Official Statement relating to the Bonds: (i) the tables relating to local government half-cent sales tax revenues and debt service coverage contained under the caption "Source of Payment" under the heading "AUTHORITY AND SECURITY FOR THE SERIES 2002 BONDS," and (ii) the table entitled "St. Johns County Net Debt Statement as of September 30, 2001" under "Appendix B - General Information Concerning the County." Such update shall include only financial information for the prior Fiscal Year and shall not include any projections for future Fiscal Years.

The information provided under Section 4(b) may be included by specific reference to other documents, including official statements of debt issues of the Issuer or related public entities, which have been submitted to each of the Repositories or the Securities and Exchange Commission. If the document included by reference is a final official statement, it must be available from the Municipal Securities Rulemaking Board. The Issuer shall clearly identify each such other document so included by reference.

Section 5. Reporting of Listed Events.

(a) Pursuant to the provisions of this Section 5, the Issuer shall give, or cause to be given, notice of the occurrence of any of the following events with respect to the Bonds, if material:

- (i) Principal and interest payment delinquencies.
- (ii) Non-payment related defaults.
- (iii) Modifications to rights of Bondholders.
- (iv) Bond calls.
- (v) Defeasances.
- (vi) Rating changes.
- (vii) Adverse tax opinions or events affecting the tax-exempt status of the Bonds.
- (viii) Unscheduled draws on debt service reserves reflecting financial difficulties.

(ix) Unscheduled draws on credit enhancements reflecting financial difficulties.

(x) Substitution of credit or liquidity providers or their failure to perform.

(xi) Release, substitution or sale of property securing repayment of the Bonds.

(b) Whenever the Issuer obtains knowledge of the occurrence of a Listed Event, the Issuer shall as soon as possible determine if such event would be material under applicable federal securities laws.

(c) If the Issuer determines that knowledge of the occurrence of a Listed Event would be material under applicable federal securities laws, the Issuer shall promptly file a notice of such occurrence by completing a Cover Sheet and delivering it to (i) each National Repository or the Municipal Securities Rulemaking Board and (ii) the State Repository. Notwithstanding the foregoing, notice of Listed Events described in Section 5(a)(iv) and Section 5(a)(v) need not be given under this Section 5 any earlier than the notice (if any) of the underlying event is given to Holders of affected Bonds pursuant to the Resolution.

Section 6. Termination of Reporting Obligation. The Issuer's obligations under this Disclosure Certificate shall terminate upon the legal defeasance, prior redemption or payment in full of all of the Bonds. If such termination occurs prior to the final maturity of the Bonds, the Issuer shall give notice of such termination in the same manner as for a Listed Event under Section 5(c).

Section 7. Dissemination Agent. The Issuer may, from time to time, appoint or engage a Dissemination Agent to assist it in carrying out its obligations under this Disclosure Certificate, and may discharge any such Dissemination Agent, with or without appointing a successor Dissemination Agent. The Dissemination Agent shall not be responsible in any manner for the content of any notice or report prepared by the Issuer pursuant to this Disclosure Certificate.

Section 8. Amendment; Waiver. Notwithstanding any other provision of this Disclosure Certificate, the Issuer may amend this Disclosure Certificate, and any provision of this Disclosure Certificate may be waived, provided that the following conditions are satisfied:

(a) If the amendment or waiver relates to the provisions of Section 3(a), Section 4 or Section 5(a), it may only be made in connection with a change in circumstances that arises from a change in legal requirements, change in law, or change in the identity, nature or status of the Issuer, or the type of business conducted:

(b) The undertaking, as amended or taking into account such waiver, would, in the opinion of nationally recognized bond counsel, have complied with the requirements of the Rule at the time of the original issuance of the Bonds, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances; and

(c) The amendment or waiver either (i) is approved by the Holders of the Bonds in the same manner as provided in the Resolution for amendments to the Resolution with the consent of Holders, or (ii) does not, in the opinion of nationally recognized bond counsel, materially impair the interests of the Holders or Beneficial Owners of the Bonds.

In the event of any amendment or waiver of a provision of this Disclosure Certificate, the Issuer shall describe such amendment in the next Annual Report, and shall include, as applicable, a narrative explanation of the reason for the amendment or waiver and its impact on the type (or in the case of a change of accounting principles, on the presentation) of financial information or operating data being presented by the Issuer. In addition, if the amendment relates to the accounting principles to be followed in preparing financial statements, (i) notice of such change shall be given in the same manner as for a Listed Event under Section 5(c) and (ii) the Annual Report for the year in which the change is made should present a comparison (in narrative form and also, if feasible, in quantitative form) between the financial statements as prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles.

Section 9. Additional Information. Nothing in this Disclosure Certificate shall be deemed to prevent the Issuer from disseminating any other information, using the means of dissemination set forth in this Disclosure Certificate or any other means of communication, or including any other information in any Annual Report or notice of occurrence of a Listed Event, in addition to that which is required by this Disclosure Certificate. If the Issuer chooses to include any information in any Annual Report or notice of occurrence of a Listed Event in addition to that which is specifically required by this Disclosure Certificate, the Issuer shall have no obligation under this Disclosure Certificate to update such information or include it in any future Annual Report or notice of occurrence of a Listed Event.

Section 10. Default. In the event of a failure of the Issuer to comply with any provision of this Disclosure Certificate, any Holder or Beneficial Owner of the Bonds may take such actions as may be necessary and appropriate, including seeking mandamus or specific performance by court order, to cause the Issuer to comply with its obligations under this Disclosure Certificate; provided, however, the sole remedy under this Disclosure Certificate in the event of any failure of the Issuer to comply with this Disclosure Certificate shall be an action to compel performance. A default under this Disclosure Certificate shall not be deemed an Event of Default under the Resolution.

Section 11. Beneficiaries. This Disclosure Certificate shall inure solely to the benefit of the Issuer, the Dissemination Agent, the Participating Underwriter and Holders and Beneficial Owners from time to time of the Bonds, and shall create no rights in any other person or entity.

The Honorable Chairman and Members

Ladies and Gentlemen:

We have examined certified copies of the proceedings of the Board of County Commissioners (the "Board") of St. Johns County, Florida (the "Issuer"), and other proofs submitted relative to the authorization, issuance and sale of and the security for the following described bonds (the "Bonds"):

§ _____
ST. JOHNS COUNTY, FLORIDA
SALES TAX REVENUE REFUNDING BONDS
SERIES 2002
Dated as of September 15, 2002

The Bonds are issued pursuant to the Constitution and laws of the State of Florida, including particularly Chapter 125, Part I, Florida Statutes, as amended, St. Johns County Ordinance No. 86-89, and Resolution No. 86-132 duly adopted by the Board on September 30, 1986, as previously amended and supplemented, particularly as amended and supplemented by Resolution No. 89-143 adopted by the Board on June 27, 1989, as amended and supplemented, and by Resolution No. 2002- ____ adopted by the Board on _____, 2002 (collectively, the "Resolution"), to finance the cost of refunding the Issuer's outstanding Sales Tax Revenue and Refunding Bonds, Series 1994, fund a debt service reserve fund for the Bonds and pay costs of issuing the Bonds. We have examined the law and such certified proceedings and other papers as we deem necessary to render this opinion. All terms used herein in capitalized form and not otherwise defined herein shall have the respective meanings assigned to such terms in the Resolution.

The principal of and interest on the Bonds are payable solely from and secured by a prior lien upon and a pledge of the Local Government Half-cent Sales Tax (as such term is defined in the Resolution), and all moneys on deposit to the credit of certain funds and accounts

created under the Resolution and the earnings on the investment thereof, all in the manner and to the extent described in the Resolution (collectively, the "Pledged Funds"). The Bonds are payable from the Pledged Funds on a parity with the Issuer's outstanding Sales Tax Revenue Refunding Bonds, Series 1998 ("Parity Obligations"), in the manner provided in the Resolution.

The Bonds and the interest thereon do not constitute a general indebtedness of the Issuer or a pledge of its faith and credit, but are payable solely from the Pledged Funds in the manner provided in the Resolution. No owner of any of the Bonds shall ever have the right to compel the exercise of the ad valorem taxing power of the Issuer to pay the Bonds or interest thereon or be entitled to payment of the Bonds or interest thereon from any moneys or property of the Issuer except the Pledged Funds.

The Issuer has reserved the right to issue additional parity bonds to be payable from and secured by the Pledged Funds equally and ratably with the Bonds and the Parity Obligations upon the terms and conditions prescribed in the Resolution.

As to questions of fact material to our opinion, we have relied upon the representations of the Issuer contained in the Resolution and in the certified proceedings and other certifications of public officials furnished to us without undertaking to verify the same by independent investigation.

Based upon the foregoing, we are of the opinion, under existing law, as follows:

1. The Issuer is a duly created and validly existing political subdivision of the State of Florida with the power to adopt the Resolution, perform the agreements on its part contained therein and issue the Bonds.
2. The Resolution has been duly adopted by the Issuer and constitutes a valid and binding obligation of the Issuer enforceable upon the Issuer in accordance with its terms.
3. The Bonds have been duly authorized, executed and delivered by the Issuer and are valid and binding special obligations of the Issuer enforceable in accordance with their terms.
4. The Bonds and the interest thereon are exempt from taxation under the laws of the State of Florida, except as to estate taxes and taxes on interest, income or profits on debt obligations owned by corporations, as defined by Chapter 220, Florida Statutes, as amended.

The Honorable Chairman and Members
of the Board of County Commissioners
of St. Johns County, Florida

_____, 2002

5. Interest on the Bonds (including any original issue discount properly allocable to the owners thereof) (a) is excluded from gross income for federal income tax purposes and (b) is not an item of tax preference for purposes of the federal alternative minimum tax applicable to all taxpayers; provided, however, that interest on the Bonds is included in "adjusted current earnings" for purposes of calculating the alternative minimum tax imposed on corporations. The opinion set forth in clause (a) above is subject to the condition that the Issuer comply with all requirements of the Internal Revenue Code of 1986, as amended, that must be satisfied subsequent to the issuance of the Bonds in order that interest thereon be (or continue to be) excluded from gross income for federal income tax purposes. Failure to comply with certain of such requirements could cause the interest on the Bonds to be so included in gross income retroactive to the date of issuance of the Bonds. The Issuer has covenanted to comply with all such requirements.

We express no opinion regarding other federal tax consequences arising with respect to the Bonds.

6. The Bonds are exempt from registration under the Securities Act of 1933, as amended, and the Resolution is exempt from qualification as an indenture under the Trust Indenture Act of 1939, as amended.

The rights of the owners of the Bonds and the enforceability of the Bonds and the Resolution may be subject to bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights heretofore or hereafter enacted to the extent constitutionally applicable and that their enforcement may also be subject to the exercise of judicial discretion in appropriate cases.

Respectfully submitted,

FINANCIAL SECURITY ASSURANCE INC. ("Financial Security"), for consideration received, hereby UNCONDITIONALLY AND IRREVOCABLY agrees to pay to the trustee (the "Trustee") or paying agent (the "Paying Agent") as set forth in the documentation (the "Bond Document") providing for the issuance of and securing the Bonds, for the benefit of the Owners, subject only to the terms of this Policy (which includes each endorsement hereto), that portion of the principal of and interest on the Bonds that shall become Due for Payment but shall be unpaid by reason of Nonpayment by the Issuer.

Financial Security will make payment as provided in this Policy to the Trustee or Paying Agent on the later of the Business Day on which such principal and interest becomes Due for Payment or the Business Day next following the Business Day on which Financial Security shall have received Notice of Nonpayment in a form reasonably satisfactory to it. A Notice of Nonpayment will be deemed received on a given Business Day if it is received prior to 1:00 p.m. (New York time) on such Business Day; otherwise, it will be deemed received on the next Business Day. If any Notice of Nonpayment received by Financial Security is incomplete, it shall be deemed not to have been received by Financial Security for purposes of the preceding sentence and Financial Security shall promptly so advise the Trustee, Paying Agent or Issuer, as appropriate, who may submit an amended Notice of Nonpayment. Payment by Financial Security to the Trustee or Paying Agent for the benefit of the Owners shall, to the extent thereof, discharge the obligation of Financial Security under this Policy. Upon such payment, Financial Security shall become entitled to reimbursement of the amount so paid (together with interest and expenses) pursuant to the [Bond Document] [Insurance Agreement].

The amount available under this Policy for payment shall not exceed the Policy Limit. The amount available at any particular time to be paid to the Trustee or Paying Agent under the terms of this Policy shall automatically be reduced by any payment under this Policy. However, after such payment, the amount available under this Policy shall be reinstated in full or in part, but only up to the Policy Limit, to the extent of the reimbursement of such payment (exclusive of interest and expenses) to Financial Security by or on behalf of the Issuer. Within three Business Days of such reimbursement, Financial Security shall provide the Trustee, the Paying Agent and the Issuer with notice of the reimbursement and reinstatement.

Payment under this Policy shall not be available with respect to (a) any Nonpayment that occurs prior to the Effective Date or after the Termination Date of this Policy or (b) Bonds that are not outstanding under the Bond Document. If the amount payable under this Policy is also payable under another insurance policy or surety bond insuring the Bonds, payment first shall be made under this Policy to the extent of the amount available under this Policy up to the Policy Limit. In no event shall Financial Security incur duplicate liability for the same amounts owing with respect to the Bonds that are covered under this Policy and any other insurance policy or surety bond that Financial Security has issued.

Except to the extent expressly modified by an endorsement hereto, the following terms shall have the meanings specified for all purposes of this Policy. "Business Day" means any day other than (a) a Saturday or Sunday or (b) a day on which banking institutions in the State of New York are, or the Insurer's Fiscal Agent is, authorized or required by law or executive order to remain closed. "Due for Payment" means (a) when referring to the principal of a Bond, payable on the stated maturity date thereof or the date on which the same shall have been duly called for mandatory sinking fund redemption and does not refer to any earlier date on which payment is due by reason of call for redemption (other than by mandatory sinking fund redemption), acceleration or other advancement of maturity unless Financial Security shall elect, in its sole discretion, to pay such principal due upon such acceleration together with any accrued interest to the date of acceleration and (b) when referring to

interest on a Bond, payable on the stated date for payment of interest. "Insurance Agreement" means the Insurance Agreement dated as of the effective date hereof in respect of this Policy, as the same may be amended or supplemented from time to time. "Nonpayment" means, in respect of a Bond, the failure of the Issuer to have provided sufficient funds to the Paying Agent for payment in full of all principal and interest that is Due for Payment on such Bond. "Nonpayment" shall also include, in respect of a Bond, any payment of principal or interest that is Due for Payment made to an Owner by or on behalf of the Issuer that has been recovered from such Owner pursuant to the United States Bankruptcy Code by a trustee in bankruptcy in accordance with a final, nonappealable order of a court having competent jurisdiction. "Notice" means telephonic or telecopied notice, subsequently confirmed in a signed writing, or written notice by registered or certified mail from the Issuer, the Trustee or the Paying Agent to Financial Security which notice shall specify (a) the person or entity making the claim, (b) the Policy Number, (c) the claimed amount and (d) the date such claimed amount became Due for Payment. "Owner" means, in respect of a Bond, the person or entity who, at the time of Nonpayment, is entitled under the terms of such Bond to payment of principal or interest thereunder, except that "Owner" shall not include the Issuer or any person or entity whose direct or indirect obligation constitutes the underlying security for the Bonds. "Policy Limit" shall be the dollar amount of the debt service reserve fund required to be maintained for the Bonds by the Bond Document from time to time (the "Debt Service Reserve Requirement"), but in no event shall the Policy Limit exceed \$. The Policy Limit shall automatically and irrevocably be reduced from time to time by the amount of each reduction in the Debt Service Reserve Requirement, as provided in the Bond Document.

Financial Security may appoint a fiscal agent (the "Insurer's Fiscal Agent") for purposes of this Policy by giving written notice to the Trustee and the Paying Agent specifying the name and notice address of the Insurer's Fiscal Agent. From and after the date of receipt of such notice by the Trustee and the Paying Agent, (a) copies of all notices required to be delivered to Financial Security pursuant to this Policy shall be simultaneously delivered to the Insurer's Fiscal Agent and to Financial Security and shall not be deemed received until received by both and (b) all payments required to be made by Financial Security under this Policy may be made directly by Financial Security or by the Insurer's Fiscal Agent on behalf of Financial Security. The Insurer's Fiscal Agent is the agent of Financial Security only and the Insurer's Fiscal Agent shall in no event be liable to any Owner for any act of the Insurer's Fiscal Agent or any failure of Financial Security to deposit or cause to be deposited sufficient funds to make payments due under this Policy.

To the fullest extent permitted by applicable law, Financial Security agrees not to assert, and hereby waives, only for the benefit of each Owner, all rights (whether by counterclaim, setoff or otherwise) and defenses (including, without limitation, the defense of fraud), whether acquired by subrogation, assignment or otherwise, to the extent that such rights and defenses may be available to Financial Security to avoid payment of its obligations under this Policy in accordance with the express provisions of this Policy.

This Policy sets forth in full the undertaking of Financial Security, and shall not be modified, altered or affected by any other agreement or instrument, including any modification or amendment thereto. Except to the extent expressly modified by an endorsement hereto, (a) any premium paid in respect of this Policy is nonrefundable for any reason whatsoever, including payment, or provision being made for payment, of the Bonds prior to maturity and (b) this Policy may not be cancelled or revoked. THIS POLICY IS NOT COVERED BY THE PROPERTY/CASUALTY INSURANCE SECURITY FUND SPECIFIED IN ARTICLE 76 OF THE NEW YORK INSURANCE LAW.

In witness whereof, FINANCIAL SECURITY ASSURANCE INC. has caused this Policy to be executed on its behalf by its Authorized Officer.

St. Johns County, Florida Sales Tax Revenue Refunding Bonds, Series 2002

Board of County Commissioners of
St. Johns County, Florida
County Administration Building
4020 Lewis Speedway
St. Augustine, Florida 32095

Ladies and Gentlemen:

William R. Hough & Co. (the "Underwriter") offers to enter into the following agreement (the "Purchase Contract") with St. Johns County, Florida (the "County"), which, upon your acceptance of this offer, will be binding upon the County and upon the Underwriter. This offer is made subject to your acceptance on or before 5:00 p.m., Eastern time, on the date hereof and if not so accepted, will be subject to withdrawal by the Underwriter upon notice to the County at any time prior to your acceptance hereof;

1. **Purchase and Sale.** Upon the terms and conditions and upon the basis of the representations, warranties and agreements set forth herein, the Underwriter hereby agrees to purchase from the County for offering to the public, and the County hereby agrees to sell and deliver to the Underwriter for such purpose, all (but not less than all) of the County's \$ _____ Sales Tax Revenue Refunding Bonds, Series 2002 (the "Bonds"). The Bonds shall be dated as of September 15, 2002, and shall be issued in such principal amounts, bear such rates of interest, and be redeemable upon such terms as set forth in Exhibit A attached hereto. Interest on the Bonds shall be payable on April 1, 2003, and on each April 1 and October 1 thereafter. The aggregate purchase price of the Bonds is \$ _____ (which takes into account a net original issue discount of \$ _____ and an Underwriter's discount of \$ _____) plus accrued interest from September 15, 2002 to the Closing Date (as hereinafter defined). The Bonds shall initially be offered to the public at such prices or yields as indicated on Exhibit A attached hereto. The Bonds are being issued pursuant to the Constitution and Laws of the State of Florida, particularly, Chapter 125, Part I, Florida Statutes, as amended, County Ordinance No. 86-89, as amended, and other applicable provisions of law, and Resolution No. 86-132 of the County duly adopted on September 30, 1986, as amended and supplemented, particularly as supplemented by Resolutions No. 89-143, No. 89-247 and No. _____ duly adopted by the County on June 27, 1989, October 24, 1989 and _____, 2002, respectively (Resolution No. 86-132, as amended and supplemented, is herein referred to as the "Resolution"). The Bonds are special and limited obligations of the County, payable solely from and secured by the Pledged Funds (defined below).

The County is proposing to issue the Bonds to finance the cost of (i) refunding the County's outstanding Sales Tax Revenue and Refunding Bonds, Series 1994 (the "Series 1994 Bonds"), (ii) purchasing a reserve account insurance policy for deposit into a reserve account for

the Bonds, and (iii) paying cost of issuing the Bonds, including payment of the premium for a municipal bond insurance policy (the "Bond Insurance Policy") to be purchased from Financial Security Assurance Inc. (the "Insurer"). The Bonds will be secured by a lien upon and a pledge of the Local Governmental Half-cent Sales Tax (as such term is defined in the Resolution) and all moneys on deposit to the credit of certain funds and accounts created under the Resolution and the earnings on the investment thereof, all in the manner and to the extent described in the Resolution (collectively, the "Pledged Funds"). The lien in favor of the owners of the Bonds on the Pledged Funds is on a parity, equally and ratably, with the lien thereon in favor of the owners of the County's outstanding Sales Tax Revenue Refunding Bonds, Series 1998.

Concurrently with the execution and delivery of the Bonds, there are to be executed and delivered, among other things, (a) the Continuing Disclosure Certificate of the Issuer dated as of September 15, 2002 (the "Continuing Disclosure Certificate"), (b) the Registrar and Paying Agency Agreement dated as of September 15, 2002 (the "Registrar and Paying Agency Agreement"), between the County and The Bank of New York Trust Company of Florida, N.A., as registrar and paying agent for the Bonds (the "Registrar and Paying Agent"), (c) the Tax Certificate of the Issuer dated as of September 15, 2002 (the "Tax Certificate") and (d) any other documents related to the transactions contemplated in the Official Statement in connection with the public offering, sale and distribution of the Bonds.

2. **Underwriter's Liability.** Delivered to you herewith, as a good faith deposit, is a corporate check of the Underwriter payable to the order of the County in the amount of \$_____ as security for the performance by the Underwriter of its obligation to accept and pay for the Bonds at Closing in accordance with the provisions hereof. In the event that you accept this offer, said check will be held uncashed by the County as a good faith deposit. At the Closing, the check will be returned to the Underwriter. In the event you do not accept this offer, the check shall be immediately returned to the Underwriter. If the Underwriter fails (other than for a reason permitted hereunder) to accept and pay for the Bonds at the Closing as provided herein, the check may be cashed by the County and the proceeds retained by the County as full liquidated damages for the failure of the Underwriter to accept and pay for the Bonds at closing and for any and all defaults hereunder on the part of the Underwriter, and the retention of such amounts shall constitute a full release and discharge of all claims and damages for such failure and for any and all such defaults hereunder on the part of the Underwriter, it being understood by both the County and the Underwriter that actual damages in such circumstances may be difficult or impossible to compute.

In the event that the County fails to deliver the Bonds at the Closing, or if the County is unable at or prior to the Closing Date to satisfy or cause to be satisfied the conditions to the obligations of the Underwriter contained in this Purchase Contract, or if the obligations of the Underwriter contained herein shall be cancelled or terminated for any reason permitted by this Purchase Contract, the County shall be obligated to immediately return the check to the Underwriter and such return shall constitute a full release and discharge of all claims by the County and the Underwriter arising out of the transaction contemplated herein except for the respective obligations of the County and the Underwriter set forth in Section 8 hereof.

3. **Offering.** The Underwriter agrees to make a public offering of the Bonds at the initial offering prices set forth in Exhibit A attached hereto; provided, however, the Underwriter

reserves the right to make concessions to dealers and to change such initial offering prices as the Underwriter shall deem necessary in connection with the marketing of the Bonds.

It shall be a condition of your obligation to sell and deliver the Bonds to the Underwriter, and the obligation of the Underwriter to purchase and accept delivery of the Bonds, that the entire initial aggregate principal amount of the Bonds shall be sold and delivered by you and accepted and paid for by the Underwriter at the Closing.

4. Preliminary Official Statement and Official Statement. The County hereby confirms that it has heretofore made available to the Underwriter a Preliminary Official Statement of the County relating to the Bonds dated _____, 2002 (which, together with the cover page and appendices contained therein, is herein called the "Preliminary Official Statement"). Within seven business days of the acceptance hereof by the County, the County shall deliver to the Underwriter, at the County's expense such reasonable number of conformed copies of the Official Statement (which, together with the official cover page and appendices contained therein, is herein called the "Official Statement"), as the Underwriter shall reasonably request, which shall be sufficient in number to permit the Underwriter to comply with paragraph (b)(4) of Rule 15c2-12 of the Securities and Exchange Commission under the Securities Exchange Act of 1934 and with Rule G-32 and all other applicable rules of the Municipal Securities Rulemaking Board. The County, by its acceptance hereof ratifies and approves the Preliminary Official Statement as of its date and approves and authorizes the Underwriter to use the Official Statement and all documents described therein in connection with the public offering and the sale of the Bonds. The County agrees to make no amendments to the Official Statement without the prior written consent of the Underwriter, which consent shall not be unreasonably withheld. In addition, the County will undertake, pursuant to the Resolution and the Continuing Disclosure Certificate dated the Closing Date to provide certain annual financial and operating information and notices of the occurrence of certain events, if material. A description of this undertaking is set forth in the Preliminary Offering Statement and will also be set forth in the final Official Statement.

In accordance with Section 218.385(6), Florida Statutes, the Underwriter hereby discloses the required information as provided in Exhibit B attached hereto. In accordance with 218.385(2) and (3), Florida Statutes, the Underwriter has delivered to the County the Truth-in-Bonding statement, which statement is attached hereto as Exhibit C.

5. Representations, Warranties and Agreements. The County hereby represents, warrants and agrees as follows:

a. As of the date of the Preliminary Official Statement and the date of this Purchase Contract, and as of the date of Official Statement and at the time of Closing, the statements and information contained in the Preliminary Official Statement and Official Statement will be true, correct and complete in all material respects and the Preliminary Official Statement and Official Statement will not omit any statement or information which should be included therein for the purposes for which the Preliminary Official Statement and Official Statement is to be used or which is necessary to make the statements or information contained therein, in light of the circumstances under which they were made, not misleading (provided,

however, that no representation or warranty is being provided with respect to the Bond Insurance Policy or DTC and its book-entry system).

b. Between the date of this Purchase Contract and the time of Closing, the County will not execute any bonds, notes or obligations for borrowed money, other than the Bonds, which pledge either the full faith and credit of the County or the Pledged Funds, without giving prior written notice thereof to the Underwriter.

c. The County is, and will be at the Closing Date, duly organized and validly existing as a political subdivision of the State of Florida, with the powers and authority set forth in the Act.

d. The County has full legal right, power and authority to: (i) enter into this Purchase Contract, the Registrar and Paying Agency Agreement, the Continuing Disclosure Certificate and the Tax Certificate, (ii) adopt the Resolution, (iii) sell, issue and deliver the Bonds to the Underwriter under the Act as provided herein, and (iv) carry out and consummate the transactions contemplated by this Purchase Contract, the Resolution, the Registrar and Paying Agency Agreement, Continuing Disclosure Certificate, the Tax Certificate and the Official Statement, and the County has complied, and at the Closing will be in compliance, in all respects, with the terms of the Act and with the obligations on its part in connection with the issuance of the Bonds contained in the Resolution, the Bonds, the Registrar and Paying Agency Agreement, the Continuing Disclosure Certificate, the Tax Certificate and this Purchase Contract.

e. By all necessary official action, the County has (i) duly adopted the Resolution, (ii) duly authorized and approved the Official Statement, and (iii) duly authorized and approved the execution and delivery of, and the performance by the County of, the Bonds, this Purchase Contract, the Resolution, the Registrar and Paying Agency Agreement, the Continuing Disclosure Certificate, the Tax Certificate and all other obligations on its part in connection with the issuance of the Bonds and the consummation by it of all other transactions contemplated by this Purchase Contract, the Registrar and Paying Agency Agreement, the Continuing Disclosure Certificate, the Official Statement and the Tax Certificate in connection with the issuance of the Bonds; and upon delivery of the Bonds at the Closing, the Resolution, this Purchase Contract, the Registrar and Paying Agency Agreement, the Continuing Disclosure Certificate and the Tax Certificate will constitute legal, valid and binding obligations of the County, enforceable in accordance with their terms, subject to applicable bankruptcy, insolvency, and similar laws affecting creditors' rights generally and subject, as to enforceability, to general principles of equity.

f. When delivered to and paid for by the Underwriter at the Closing in accordance with the provisions of this Purchase Contract, the Bonds shall be entitled to the benefits of the Resolution in accordance with the provisions of the Resolution, subject to bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights generally and subject, as to enforceability, to general principles of equity.

g. The adoption of the Resolution and the authorization, execution and delivery of this Purchase Contract, the Registrar and Paying Agency Agreement, the Continuing

Disclosure Certificate, the Tax Certificate and the Bonds, and compliance with the provisions hereof and thereof, will not conflict with, or constitute a material breach of or default under any law, administrative regulation, consent decree, ordinance, resolution or any agreement or other instrument to which the County was or is subject, as the case may be, nor will such adoption, execution, delivery, authorization or compliance result in the creation or imposition of any lien, charge or other security interest or encumbrance of any nature whatsoever upon any of the property or assets of the County, or under the terms of any law, administrative regulation, ordinance, resolution or instrument, except as expressly provided by the Resolution.

h. At the time of Closing, the County will be in compliance in all respects with the covenants and agreements contained in the Resolution and no event of default and no event which, with the lapse of time or giving of notice, or both, would constitute an event of default under the Resolution will have occurred or be continuing.

i. Except as provided in the Official Statement, all approvals, consents, authorizations and orders of any governmental authority or agency having jurisdiction in any matter which would constitute a condition precedent to the performance by the County of its obligations hereunder and its obligations under the Resolution have been obtained and are in full force and effect.

j. The County is lawfully empowered to pledge and grant a lien on the Pledged Funds for payment of the principal of, redemption premium, if any, and interest on the Bonds.

k. Except as expressly disclosed in the Official Statement, there is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, government agency or public board or body pending or, to the best knowledge of the County, threatened against the County, affecting or seeking to prohibit, restrain or enjoin the sale, issuance or delivery of the Bonds or the collection of the Pledged Funds or the pledge of and lien on the Pledged Funds or contesting or affecting as to the County the validity or enforceability in any respect of the Bonds, the Resolution, the Registrar and Paying Agency Agreement, the Continuing Disclosure Certificate, the Tax Certificate or this Purchase Contract, or contesting the tax-exempt status of interest on the Bonds, or contesting the completeness or accuracy of the Official Statement or any supplement or amendment thereto, or contesting the powers of the County or the Board of County Commissioners (the "Commission") or any authority for the issuance of the Bonds, the adoption of the Resolution or the execution and delivery by the County of the Bonds, this Purchase Contract, the Registrar and Paying Agency Agreement, the Continuing Disclosure Certificate or the Tax Certificate.

l. The County will furnish such information, execute such instruments and take such other action in cooperation with the Underwriter as the Underwriter may reasonably request in order to (i) qualify the Bonds for offer and sale under the "blue sky" or other securities laws and regulations of such states and other jurisdictions of the United States as the Underwriter may designate, and (ii) determine the eligibility of the Bonds for investment under the laws of such states and other jurisdictions, and will use its best efforts to continue such qualifications in effect so long as required for the distribution of the Bonds; provided, however, that the County shall not be required to execute a general or special consent to service of process or qualify to do business in connection with any such qualification or determination in any jurisdiction.

m. The County will not take or omit to take any action which action or omission will in any way cause the proceeds from the sale of the Bonds to be applied in a manner contrary to that provided for in the Resolution, and as described in the Official Statement.

n. The County neither is nor has been in default at any time after December 31, 1975, as to principal or interest with respect to an obligation issued or guaranteed by the County as to which County revenues are pledged.

o. As of its date, the Preliminary Official Statement was deemed "final" by the County for the purposes of SEC Rule 15c2-12(b)(1) except for the omission of certain matters permitted thereby.

p. If, after the date of this Purchase Contract and until the earlier of (i) 90 days from the end of the "underwriting period" (as defined in SEC Rule 15c2-12) or (ii) the time when the Official Statement is available to any person from a nationally recognized repository, but in no case less than 25 days following the end of the underwriting period, any event shall occur which might or would cause the Official Statement, as then supplemented or amended, to contain any untrue statement of a material fact or to omit to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading, the County shall notify the Underwriter thereof and, if in the opinion of the Underwriter such event requires the preparation and publication of a supplement or amendment to the Official Statement, the County will at its own expense forthwith prepare and furnish to the Underwriter a sufficient number of copies of an amendment of or supplement to the Official Statement (in form and substance satisfactory to the Underwriter) which will supplement or amend the Official Statement so that it will not contain an untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in light of the circumstances existing at such time, not misleading.

q. Any certificate signed by any official of the County and delivered to the Underwriter shall be deemed a representation and warranty by the County to the Underwriter as to the truth of the statements therein contained.

r. The County has never failed to comply with any prior continuing disclosure obligation arising out of SEC Rule 15c2-12.

6. **Closing.** At noon, local time, on October 1, 2002 (the "Closing Date"), or at such time on such earlier or later date as shall be agreed upon, the County will, subject to the terms and conditions hereof deliver to DTC in the City of New York, New York or such other location as shall be acceptable to the County and DTC, the Bonds in permanent form, duly executed, and will deliver the other documents herein mentioned at a location mutually agreed upon by the County and the Underwriter; and the Underwriter will pay the purchase price of the Bonds as set forth in Section 1 hereof plus accrued interest on the Bonds from September 15, 2002 to the Closing Date, by immediately available funds, payable to the order of the County. This delivery and payment is herein called the "Closing."

7. **Closing Conditions.** The Underwriter has entered into this Purchase Contract in reliance upon the representations and warranties of the County herein contained and the

performance by the County of its obligations hereunder, both as of the date hereof and as of the time of Closing. The obligations of the Underwriter under this Purchase Contract are and shall be subject to each of the following conditions, and the obligations of the County shall be subject to the County receiving the items described in conditions (f)(ii), (f)(iv), (f)(vi) through (f)(xi) and (f)(xiv):

a. The representations and warranties of the County contained herein shall be true and correct as of the date hereof and as of the Closing Date, as if made on the Closing Date.

b. The County shall have performed all agreements of the County required to be performed under the Resolution and this Purchase Agreement prior to or on the Closing Date.

c. At the time of the Closing, the Resolution shall be in full force and effect in accordance with its terms and shall not have been amended, modified or supplemented, and the Official Statement shall not have been supplemented or amended, except in any such case as may have been agreed to by the Underwriter.

d. At the time of the Closing, all official action of the County relating to this Purchase Contract, the Resolution, the Registrar and Paying Agency Agreement, the Continuing Disclosure Certificate, the Tax Certificate, the Official Statement and the Bonds shall be in full force and effect in accordance with their respective terms and shall not have been amended, modified or supplemented in any material respect, except in each case as may have been agreed to by the Underwriter.

e. The Underwriter shall have the right to cancel the agreement contained herein to purchase, to accept delivery of and to pay for the Bonds by notifying you in writing of their intention to do so if

i. between the date hereof and the Closing Date, legislation shall have been enacted by the Congress of the United States, or recommended to the Congress for passage by the President of the United States, or favorably reported for passage to either House of Congress by any Committee of such House, or passed by either House of Congress, or a decision shall have been rendered by a court of the United States or the United States Tax Court, or a ruling shall have been made or a regulation shall have been proposed or made by the Treasury Department of the United States or the Internal Revenue Service, with respect to the federal taxation of interest received on obligations of the general character of the Bonds, which, in the opinion of Counsel for the Underwriter has, or will have, the effect of making such interest subject to inclusion in gross income for purposes of federal income taxation, or

ii. between the date hereof and the Closing Date, legislation shall be enacted or any action shall be taken by the Securities and Exchange Commission which has the effect of requiring the contemplated issuance or distribution of the Bonds to be registered under the Securities Act of 1933, as amended, or of requiring the Resolution to be qualified under the Trust Indenture Act of 1939, as amended, or

iii. an event described in paragraph (p) of Section 5 hereof shall have occurred which requires an amendment or supplement to the Official Statement and which, in the

reasonable opinion of the Underwriter, adversely affects the marketability of the Bonds or the market price thereof, or

iv. in the reasonable opinion of the Underwriter, payment for the delivery of the Bonds is rendered impracticable or inadvisable because (A) trading in securities generally shall have been suspended on the New York Stock Exchange, Inc., or (B) a general banking moratorium shall have been established by Federal, New York or Florida authorities, or (C) a war or terrorist act involving the United States or other national calamity shall have occurred or been declared, or

v. an order, decree or injunction of any court of competent jurisdiction, or any order, ruling, regulation or administrative proceeding by any governmental body or board, shall have been issued or commenced, or any legislation, enacted, with the purpose or effect of prohibiting the issuance, offering or sale of the Bonds as contemplated hereby or by the Official Statement or prohibiting the adoption or performance of the Resolution, or

vi. the County has, without the prior written consent of the Underwriter, offered or issued any bonds, notes or other obligations for borrowed money, or incurred any material liabilities, direct or contingent, other than as described in the Official Statement, in either case payable from the Pledged Funds, or

vii. the President of the United States, the Office of Management and Budget, the Department of Treasury, the Internal Revenue Service or any other governmental body, department, agency or commission of the United States or the State of Florida shall take or propose to take any action or implement or propose regulations, rules or legislation which, in the reasonable judgment of the Underwriter, materially adversely affects the market price of the Bonds or causes any material information in the Official Statement, in light of the circumstances under which it appears, to be misleading in any material respect, or

viii. any executive order shall be announced, or any legislation, ordinance, rule or regulation shall be proposed by or introduced in, or be enacted by any governmental body, department, agency or commission of the United States or the State of Florida or the State of New York, having jurisdiction over the subject matter, or a decision by any court of competent jurisdiction within the United States or within the State of Florida or the State of New York shall be rendered which, in the reasonable judgment of the Underwriter, materially adversely affects the market price of the Bonds or causes any information in the Official Statement to be misleading in any material respect, or

ix. prior to Closing, Moody's Investor's Service, Inc. ("Moody's") and Standard & Poor's Credit Markets Services, a division of The McGraw-Hill Companies ("Standard & Poor's"), shall inform the County or the Underwriter that the Bonds will not be rated at least "AAA" and "AAA," respectively, or the Insurer shall inform the County or the Underwriter that it will not deliver its Bond Insurance Policy on the Closing Date.

f. At or prior to the Closing Date, the Underwriter shall receive the following documents:

i. The Resolution certified by the County Clerk under seal as having been duly adopted by the County and as being in effect, with such supplements, modifications or amendments as may have been agreed to by the Underwriter.

ii. A final approving opinion of Foley & Lardner, Bond Counsel, addressed to the County, dated the date of the Closing, in substantially the form included in the Official Statement as Appendix D.

iii. A letter of Bond Counsel addressed to the Underwriter and the Insurer, and dated the Closing Date, to the effect that their final approving opinion referred to in Section 7(f)(ii) hereof may be relied upon by the Underwriter and the Insurer to the same extent as if such opinion were addressed to the Underwriter and the Insurer.

iv. An opinion of James G. Sisco, Esquire, attorney for the County, addressed to the County, the Underwriter and the Insurer, and dated the date of the Closing, substantially to the effect that:

(1) the Resolution has been duly adopted by the County and the Bonds, this Purchase Contract, the Registrar and Paying Agency Agreement, the Continuing Disclosure Certificate and the Tax Certificate have been duly authorized, executed and delivered by the County, and the Resolution, the Continuing Disclosure Certificate, the Tax Certificate, the Bonds, when duly authenticated, and the Purchase Contract, the Registrar and Paying Agency Agreement, when duly executed by the other parties thereto constitute valid, legal and binding agreements of the County enforceable in accordance with their respective terms; provided, however, the enforceability thereof may be subject to bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights generally;

(2) the County is a political subdivision duly existing under the Constitution and laws of the State of Florida and has good right and lawful authority to issue the Bonds, to secure the Bonds in the manner provided in the Resolution, to carry out its powers under the Act (as defined in the Resolution) and to perform all of its obligations under the Resolution, the Bonds, the Purchase Contract, the Continuing Disclosure Certificate and the Registrar and Paying Agency Agreement;

(3) no consent, waiver or any other action by any person, board or body, public or private, other than the approval of the County which has been duly and validly obtained, is required as of the date hereof for the County to issue the Bonds or adopt the Resolution, or to execute and deliver the Purchase Contract, the Registrar and Paying Agency Agreement, the Continuing Disclosure Certificate or Tax Certificate, or to perform its obligations under any of the foregoing;

(4) to the best of his knowledge, the adoption of the Resolution and the execution and delivery of this Purchase Contract, the Registrar and Paying Agency Agreement, the Continuing Disclosure Certificate, the Tax Certificate and the Bonds and compliance with the provisions of each do not and will not conflict with or constitute a breach of or default under any applicable law or administrative regulation of the State of Florida, or any

applicable judgment or decree or any trust agreement, loan agreement, bond, note, resolution, ordinance, agreement or other instrument to which the County is a part or is otherwise subject;

(5) except as otherwise disclosed in the Official Statement, there is no litigation or proceeding, pending or, to the best of his knowledge, threatened, challenging the creation, organization or existence of the County or the validity of the Bonds, the Purchase Contract, the Registrar and Paying Agency Agreement, the Continuing Disclosure Certificate or the Tax Certificate or seeking to restrain or enjoin any of the transactions referred to therein or contemplated thereby, or which, in any manner, questions the right of the County to issue the Bonds or to pledge the Pledged Funds for repayment of the Bonds;

(6) nothing has come to his attention that would lead him to believe that the Official Statement as of its date or as of the date hereof contains any untrue statement of a material fact or omits to state a material fact necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading;

(7) the Official Statement has been duly authorized, executed and delivered by the County, and the County has consented to the use thereof by the Underwriter; and

(8) the County is lawfully empowered to pledge and grant a lien on the Pledged Funds, for the payment of the principal of, redemption premium, if any, and interest on the Bonds.

(9) for the purposes of the opinion, he has assumed that the interest on the Bonds is excluded from gross income for federal income tax purposes and that neither the Bonds, the Purchase Contract, the Registrar and Paying Agency Agreement, the Official Statement, the Resolution, the Continuing Disclosure Statement, the Tax Certificate nor any other matter or documents need to be registered or qualified under the Securities Act of 1933, as amended, the Florida Securities Act, Chapter 517 Florida Statutes, as amended, the Trust Indenture Act of 1939, as amended, or the securities or blue sky laws of any jurisdiction.

ii. A certificate, which shall be true and correct at the time of Closing, signed by the Chairman and the Clerk or such other officials satisfactory to the Underwriter, and in form and substance satisfactory to the Underwriter, to the effect that, to the best of their knowledge and belief

(1) the representations, warranties and covenants of the County contained herein are true and correct in all material respects as of the Closing Date and that the County has satisfied all conditions to be performed or satisfied hereunder at or prior to Closing;

(2) the Official Statement did not as of its date, and does not as of the Closing Date, contain any untrue statement of a material fact or omit to state a material fact which should be included therein for the purposes for which the Official Statement is to be used, or which is necessary in order to make the statements contained therein, in light of the circumstances in which they were made, not misleading (provided, that no opinion need be expressed regarding the information contained therein relating to the Insurer, the Bond Insurance Policy, DTC and its book-entry system);

(3) that, except as disclosed in the Official Statement, no litigation or other proceedings are pending or, to his or her knowledge, threatened against the County in any court or other tribunal of competent jurisdiction, State or Federal, in any way (i) restraining or enjoining the issuance, sale or delivery of any of the Bonds, or (ii) questioning or affecting the validity of this Purchase Contract, the Bonds, the Resolution, the Registrar and Paying Agency Agreement, the Continuing Disclosure Certificate, the Tax Certificate or the pledge by the County to the Bondholders of the Pledged Funds, or (iii) questioning or affecting the validity of any of the proceedings for the authorization, sale, execution, issuance or delivery of the Bonds or (iv) questioning or affecting (A) the organization or existence of the County or the title to office of the officers thereof or (B) the power or authority of the County to receive the Pledged Funds or (v) asserting that the Preliminary Official Statement or the Official Statement contains any untrue statement of a material fact or omits any material fact necessary to make the statements therein, in light of the circumstances under which they were made, not misleading;

(4) that except as disclosed in the Official Statement, the County is not in default nor has been in default at anytime after December 31, 1975 as to principal or interest with respect to any obligation issued or guaranteed by the County;

(5) that no event affecting the County has occurred since the date of the Official Statement that should be disclosed in the Official Statement for the purposes for which it is to be used or that is necessary to be disclosed therein in order to make the statements and information therein not misleading in any material respect; and

(6) that since the date of the financial statements included in the Official Statement, (i) no material adverse change has occurred in the financial condition of the County and (ii) the County has not incurred any material liabilities other than in the ordinary course of business, except as set forth in or contemplated by the Official Statement.

iii. An opinion of Foley & Lardner, as Bond Counsel, addressed to the County and the Underwriter, and dated the Closing Date, to the effect that:

(1) with respect to the information in the Official Statement and based upon said firm's review of the Official Statement, as Bond Counsel, and without having undertaken to determine independently the accuracy or completeness of the contents of the Official Statement, it is of the opinion that the information in the Official Statement under the headings "INTRODUCTION," "DESCRIPTION OF THE SERIES 2002 BONDS -- General," "DESCRIPTION OF THE SERIES 2002 BONDS -- Redemption," "AUTHORITY AND SECURITY FOR THE SERIES 2002 BONDS," "TAX MATTERS" (except for the financial and statistical data contained in any such headings, as to which no view need be expressed), and "APPENDIX C -- The Resolution" insofar as such information purports to be descriptions or summaries of the Resolution, the Bonds or state and federal laws to the extent indicated therein, are accurate and fair statements or summaries of the matters set forth or the documents referred to therein; and

(2) the Bonds are exempt from registration under the Securities Act of 1933, as amended, and the Resolution is exempt from qualification as an indenture under the Trust Indenture Act of 1939, as amended.

v. An opinion of Foley & Lardner, as Disclosure Counsel, addressed to the County and the Underwriter, and dated the Closing Date, to the effect that it has participated in the preparation and review of the Official Statement dated _____, 2002 (the "Official Statement") relating to the Bonds; has conferred with and reviewed the opinion rendered by counsel for the County; has conferred with certain of the County's officers and representatives; and has examined such other documents, proceedings, records and other instruments as it has deemed necessary or advisable; and without passing upon, or assuming responsibility for, the accuracy, completeness or fairness of the statements contained in the Official Statement, and without independent verification of factual matters, nothing has come to its attention that would lead it to believe that the Official Statement contains any untrue statement of material fact or omits to state any material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading. No opinion need be expressed as to the ability of the County to comply with the terms and provisions of the Resolution, or the provisions of any other document or certificate, nor as to the portions of the Official Statement captioned "INTRODUCTION - Book Entry-Only System," "MUNICIPAL BOND INSURANCE," "RESERVE ACCOUNT INSURANCE POLICY," Appendices A, B, E or F thereto, or any financial, statistical, economic or demographic information included in the Official Statement.

iv. A certificate of an authorized representative of the Registrar, as Paying Agent to the effect that:

(1) the Registrar and Paying Agent is a national banking association duly organized, validly existing and in good standing under the laws of the United States of America and is duly authorized to exercise trust powers,

(2) the Registrar and Paying Agent has all the requisite authority, power, licenses, permits and franchises, and has full corporate power and legal authority to execute and perform its functions under the Resolution and the Registrar and Paying Agency Agreement;

(3) the performance by the Registrar and Paying Agent of its functions under the Resolution and the Registrar and Paying Agency Agreement will not result in any violation of the Articles of Association or Bylaws of the Registrar and Paying Agent, any court order to which the Registrar and Paying Agent is subject or any agreement, indenture or other obligation or instrument to which the Registrar and Paying Agent is a party or by which the Registrar and Paying Agent is bound, and no approval or other action by any governmental authority or agency having supervisory authority over the Registrar and Paying Agent is required in order for the Registrar and Paying Agent to perform its functions under the Resolution and the Registrar and Paying Agency Agreement;

(4) the Registrar and Paying Agency Agreement constitutes a valid and binding obligation of the Registrar and Paying Agent in accordance with its terms, subject to applicable bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights generally and subject, as to enforceability, to general principles of equity; and

(5) to the best of such authorized representative's knowledge, there is no action, suit, proceeding, or investigation at law or in equity before any court, public board or body pending or, to his or her knowledge, threatened against or affecting the Registrar and Paying Agent wherein an unfavorable decision, ruling or finding on an issue raised by any party thereto is likely to materially and adversely affect the ability of the Registrar to perform its obligations under the Resolution and the Registrar and Paying Agency Agreement.

v. Letters of Moody's and Standard & Poor's to the effect that the Bonds have been assigned a rating no less favorable than "AAA" and "AAA," respectively, which ratings shall be in effect as of the Closing Date.

vi. Duly executed copies of the Bond Insurance Policy, the Registrar and Paying Agency Agreement, the Tax Certificate and the Continuing Disclosure Certificate in form acceptable to the Underwriter and bond counsel.

vii. An opinion of general counsel to the Insurer and a certificate of an officer of the Insurer dated the date of the Closing and addressed to the Underwriter and the County, concerning the Insurer, the Policy, and the information relating to the Insurer and the Policy, contained in the Official Statement, in form and substance satisfactory to the Underwriter.

viii. A certificate executed by the Chairman and the Clerk dated the Closing Date, satisfactory to Bond Counsel setting forth the facts, estimates and circumstances which establish that it is not expected that the proceeds of the Bonds will be used in a manner that would cause the Bonds to be "arbitrage bonds" within the meaning of the Internal Revenue Code of 1986, as amended, and to the best of the knowledge and belief of such officer, such expectations are reasonable.

ix. A letter of representations of the Issuer to DTC.

x. A consent letter of the County's independent auditor.

xi. Internal Revenue Service Form 8038-G.

xii. State of Florida Division of Bond Finance Form BF2003/2004-B.

xiii. Such additional legal opinions, certificates, instruments and other documents as the Underwriter may reasonably request, to evidence the truth and accuracy, as of the date hereof and as of the Closing Date, of the County's representations and warranties contained herein and of the statements and information contained in the Official Statement and the due performance or satisfaction by the County on or prior to the Closing Date of all the agreements then to be performed and conditions then to be satisfied by it.

If the County shall be unable to satisfy the conditions to the obligations of the Underwriter to purchase, to accept delivery of and to pay for the Bonds contained in this Purchase Contract and the Underwriter does not waive such inability in writing (except that the delivery of the Continuing Disclosure Certificate cannot be waived), or if the obligations of the Underwriter to purchase, to accept delivery of and to pay for the Bonds shall be terminated for

any reason permitted by this Purchase Contract, this Purchase Contract shall terminate, the good faith deposit described in Section 2 hereof shall be returned to the Underwriter and neither the Underwriter nor the County shall be under any further obligation hereunder, except that the respective obligations of the County and the Underwriter set forth in Section 8 hereof shall continue in full force and effect.

10. **Parties in Interest.** This Purchase Contract is made solely for the benefit of the County and the Underwriter and no other party or person shall acquire or have any right hereunder or by virtue hereof. All of the County's representations, warranties and agreements in this Purchase Contract shall remain operative and in full force and effect and shall survive the delivery of the Bonds.

11. **Waiver.** Notwithstanding any provision herein to the contrary, the performance of any and all obligations of the County hereunder and the performance of any and all conditions contained herein for the benefit of the Underwriter may be waived by the Underwriter, and the approval of the Underwriter when required hereunder or the determination of their satisfaction as to any document referred to herein shall be evidenced by its purchase of the Bonds; or provided, however, the Underwriter may not waive the delivery of the Continuing Disclosure Certificate.

12. **No Liability.** Neither the Commission, nor any of the members thereof, nor any officer, agent or employee thereof shall be charged personally by the Underwriter with any liability, or held liable to the Underwriter under any term or provision of this Purchase Contract because of its execution or attempted execution, or because of any breach or attempted or alleged breach thereof.

C. The underwriting spread, the difference between the price at which the Bonds will be initially offered to the public by the Underwriter and the price to be paid to the County for the Bonds, exclusive of accrued interest, will be \$____ per \$1,000 of Bonds issued.

D. As part of the estimated underwriting spread set forth in Paragraph (c) above, the Underwriter will charge a management fee of \$____ per \$1,000 of Bonds issued.

TRUTH-IN BONDING STATEMENT

The following truth-in-bonding statement is prepared pursuant to Section 218.385(2) and (3), Florida Statutes, and is for informational purposes only. It shall not affect or control the actual terms and conditions of the debt or obligations.

St. Johns, Florida (the "County") is proposing to issue \$ _____ of St. Johns County, Florida, Sales Tax Revenue Refunding Bonds, Series 2002 (the "Bonds") for the purpose of providing funds to refund the County's outstanding Sales Tax Revenue and Refunding Bonds, Series 1994 (the "Series 1994 Bonds"), to purchase a reserve account insurance policy for deposit into a reserve account and to pay certain costs and expenses related to the issuance of the Bonds. The Bonds are expected to be repaid over a period of approximately ____ years. At the interest rates set forth in Exhibit A of the Purchase Contract, total interest paid over the life of the Bonds inclusive of accrued interest will be \$ _____.

The Bonds are secured by a lien upon and a pledge of the Local Governmental Half-cent Sales Tax (as such term is defined in the Resolution) and all moneys on deposit to the credit of certain funds and accounts created under the Resolution and the earnings on the investment thereof, all in the manner and to the extent described in the Resolution (collectively, the "Pledged Funds"). Because the Bonds will refund the Series 1994 Bonds and will result in a lower debt service on such bonded indebtedness, authorizing the Bonds will not result in any additional such Pledged Funds not being available to finance other projects of the County.

 3. Nothing has come to the attention of disclosure counsel which would cause them to believe that the final Official Statement (excluding information provided by Financial Security), as of its date and the date of issuance of the Policy, contained any untrue statement of a material fact or omitted to state a material fact required to be stated therein or necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading.
 4. Bond Counsel shall opine that the sales tax has been duly and validly authorized in accordance with the Constitution and laws of the state of Florida and that the proceeds thereof may be pledged to secure the Bonds.
 5. The Bonds are secured by a valid first lien and security interest in the sales tax on a parity with all additional parity bonds issued pursuant to the Resolution.

RESOLUTION REQUIREMENTS

The Resolution shall incorporate the following requirements either in one section or article entitled "Provisions Relating to Bond Insurance" (or the like), the provisions of which section or article shall be stated in the Resolution to govern, notwithstanding anything to the contrary set forth in the Resolution, or individually in the appropriate sections:

- (a) "Insurance Policy" shall be defined as follows: "the insurance policy issued by the Insurer guaranteeing the scheduled payment of principal of and interest on the Bonds when due". "Insurer" shall be defined as follows: "Financial Security Assurance Inc., a New York stock insurance company, or any successor thereto or assignee thereof".
- (b) Notwithstanding anything to the contrary set forth in the Resolution, amounts on deposit in the Debt Service Reserve Fund shall be applied solely to the payment of debt service on the Bonds.
- (c) The Insurer shall be deemed to be the sole holder of the Insured Bonds for the purpose of exercising any voting right or privilege or giving any consent or direction or taking any other action that the holders of the Bonds insured by it are entitled to take pursuant the article of the Resolution pertaining to defaults and remedies and the article of the Resolution pertaining to the duties and obligations of the Trustee, if any.
- (d) The Insurer shall be included as a third party beneficiary to the Resolution.
- (e) Upon the occurrence of an extraordinary optional or special or extraordinary mandatory redemption in part, the selection of Bonds to be redeemed shall be subject to the approval of the Insurer. The exercise of any provision of the Resolution which permits the purchase of Bonds in lieu of redemption shall require approval of the Insurer wherein any Bond so purchased is not extinguished.
- (f) No modification or amendment to the Resolution or any other transaction document including any underlying security agreement (each a "Related Document") may become effective except upon obtaining the prior written consent of the Insurer. Copies of any modification or amendment to the Resolution or any other Related Document shall be sent to Standard & Poor's Credit Market Services and Moody's Investors Service, Inc. at least 10 days prior to the effective date thereof.
- (g) Unless the Insurer otherwise directs, upon the occurrence and continuance of an Event of Default or the occurrence and continuance of an event which with notice or lapse of time or both would constitute an Event of Default amounts on deposit in the Construction Fund shall not be disbursed but shall instead be applied to the payment of debt service or redemption price of the Bonds.
- (h) The rights granted to the Insurer under the Resolution or any other Related Document to request, consent to or direct any action are rights granted to the Insurer in consideration of its issuance of the Insurance Policy. Any exercise by the Insurer of such rights is merely an exercise of the Insurer's contractual rights and shall not be construed or deemed to be taken for the benefit or on behalf of the Bondholders nor does such action evidence any position of the Insurer, positive or negative, as to whether Bondholder consent is required in addition to consent of the Insurer.
- (i) Only (1) cash, (2) non-callable direct obligations of the United States of America ("Treasuries"), (3) evidences of ownership of proportionate interests in future interest and principal payments on Treasuries held by a bank or trust company as custodian, under which the owner of the investment is the real party in interest and has the right to proceed directly and individually against the obligor and the underlying Treasuries are not available to any person claiming through the custodian or to whom the custodian may be obligated, (4) pre-refunded municipal obligations rated "AAA" and "Aaa" by S&P and Moody's, respectively or (5) securities eligible for "AAA" defeasance under then existing criteria of S & P or any combination thereof, shall be authorized to be used to effect defeasance of the Bonds unless the Insurer otherwise approves.

To accomplish defeasance the Issuer shall cause to be delivered (i) a report of an independent firm of nationally recognized certified public accountants or such other accountant as shall be acceptable to the Insurer ("Accountant") verifying the sufficiency of the escrow established to pay the Bonds in full on the maturity or redemption date ("Verification"), (ii) an Escrow Deposit Agreement (which shall be acceptable in form and substance to the Insurer), (iii) an opinion of nationally recognized bond counsel to the effect that the Bonds are no longer "Outstanding" under the Resolution and (iv) if there is a Trustee for the Bonds a certificate of discharge of the Trustee with respect to the Bonds; each Verification and defeasance opinion shall be acceptable in form and substance, and addressed, to the Issuer, the Trustee and the Insurer. The Insurer shall

be provided with final drafts of the above-referenced documentation not less than five business days prior to the funding of the escrow.

Bonds shall be deemed "Outstanding" under the Resolution unless and until they are in fact paid and retired or the above criteria are met.

- (j) Amounts paid by the Insurer under the Insurance Policy shall not be deemed paid for purposes of the Resolution and shall remain Outstanding and continue to be due and owing until paid by the Issuer in accordance with the Resolution. The Resolution shall not be discharged unless all amounts due or to become due to the Insurer have been paid in full or duly provided for.
- (k) Each of the Issuer and the Trustee covenant and agree to take such action (including, as applicable, filing of UCC financing statements and continuations thereof) as is necessary from time to time to perfect or otherwise preserve the priority of the pledge of Trust Estate under applicable law.
- (l) Claims Upon the Insurance Policy and Payments by and to the Insurer.

If, on the third Business Day prior to the related scheduled interest payment date or principal payment date ("Payment Date") there is not on deposit with the Trustee, after making all transfers and deposits required under the Resolution, moneys sufficient to pay the principal of and interest on the Bonds due on such Payment Date, the Trustee shall give notice to the Bond Insurer and to its designated agent (if any) (the "Insurer's Fiscal Agent") by telephone or telecopy of the amount of such deficiency by 12:00 noon, New York City time, on such Business Day. If, on the second Business Day prior to the related Payment Date, there continues to be a deficiency in the amount available to pay the principal of and interest on the Bonds due on such Payment Date, the Trustee shall make a claim under the Insurance Policy and give notice to the Insurer and the Insurer's Fiscal Agent (if any) by telephone of the amount of such deficiency, and the allocation of such deficiency between the amount required to pay interest on the Bonds and the amount required to pay principal of the Bonds, confirmed in writing to the Insurer and the Insurer's Fiscal Agent by 12:00 noon, New York City time, on such second Business Day by filling in the form of Notice of Claim and Certificate delivered with the Insurance Policy.

In the event the claim to be made is for a mandatory sinking fund redemption installment, upon receipt of the moneys due, the Trustee shall authenticate and deliver to affected Bondholders who surrender their Bonds a new Bond or Bonds in an aggregate principal amount equal to the unredeemed portion of the Bond surrendered. The Trustee shall designate any portion of payment of principal on Bonds paid by the Insurer, whether by virtue of mandatory sinking fund redemption, maturity or other advancement of maturity, on its books as a reduction in the principal amount of Bonds registered to the then current Bondholder, whether DTC or its nominee or otherwise, and shall issue a replacement Bond to the Insurer, registered in the name of Financial Security Assurance Inc., in a principal amount equal to the amount of principal so paid (without regard to authorized denominations); provided that the Trustee's failure to so designate any payment or issue any replacement Bond shall have no effect on the amount of principal or interest payable by the Issuer on any Bond or the subrogation rights of the Insurer.

The Trustee shall keep a complete and accurate record of all funds deposited by the Insurer into the Policy Payments Account (defined below) and the allocation of such funds to payment of interest on and principal paid in respect of any Bond. The Insurer shall have the right to inspect such records at reasonable times upon reasonable notice to the Trustee.

Upon payment of a claim under the Insurance Policy the Trustee shall establish a separate special purpose trust account for the benefit of Bondholders referred to herein as the "Policy Payments Account" and over which the Trustee shall have exclusive control and sole right of withdrawal. The Trustee shall receive any amount paid under the Insurance Policy in trust on behalf of Bondholders and shall deposit any such amount in the Policy Payments Account and distribute such amount only for purposes of making the payments for which a claim was made. Such amounts shall be disbursed by the Trustee to Bondholders in the same manner as principal and interest payments are to be made with respect to the Bonds under the sections hereof regarding payment of Bonds. It shall not be necessary for such payments to be made by checks or wire transfers separate from the check or wire transfer used to pay debt service with other funds available to make such payments. Notwithstanding anything to the contrary otherwise set forth in the Resolution, and to the extent permitted by law, in the event amounts paid under the Insurance Policy are applied to claims for payment of principal of or interest on the Bonds, interest on such principal of and interest on such Bonds shall accrue and be payable from the date of such payment at the greater of (i) the per annum rate of interest, publicly announced from time to time by JPMorgan Chase Bank or its successor at its principal office in the City of New York, as its prime or base lending rate plus 3%, and (ii) the then applicable rate of interest on the Bonds

provided that in no event shall such rate exceed the maximum rate permissible under applicable usury or similar laws limiting interest rates.

Funds held in the Policy Payments Account shall not be invested by the Trustee and may not be applied to satisfy any costs, expenses or liabilities of the Trustee. Any funds remaining in the Policy Payments Account following a Bond payment date shall promptly be remitted to the Insurer.

- (m) The Insurer shall, to the extent it makes any payment of principal of (or, in the case of Capital Appreciation Bonds, accreted value) or interest on the Bonds, become subrogated to the rights of the recipients of such payments in accordance with the terms of the Insurance Policy. The obligations to the Insurer shall survive discharge or termination of the Related Documents. *but solely from the pledged funds,*
- (n) The Issuer shall pay or reimburse the Insurer any and all charges, fees, costs and expenses which the Insurer may reasonably pay or incur in connection with (i) the administration, enforcement, defense or preservation of any rights or security in any Related Document; (ii) the pursuit of any remedies under the Resolution or any other Related Document or otherwise afforded by law or equity, (iii) any amendment, waiver or other action with respect to, or related to, the Resolution or any other Related Document whether or not executed or completed, (iv) the violation by the Issuer or the Obligor of any law, rule or regulation, or any judgment, order or decree applicable to it or (v) any litigation or other dispute in connection with the Resolution or any other Related Document or the transactions contemplated thereby, other than amounts resulting from the failure of the Insurer to honor its obligations under the Insurance Policy. The Insurer reserves the right to charge a reasonable fee as a condition to executing any amendment, waiver or consent proposed in respect of the Resolution or any other Related Document.
- (o) After payment of reasonable expenses of the Trustee, the application of funds realized upon default shall be applied to payment of expenses of the Issuer or rebate only after the payment of debt service due and past due on the Bonds, together with replenishment of the Debt Service Reserve Fund.
- (p) The Insurer shall be entitled to pay principal (or, in the case of Capital Appreciation Bonds, accreted value) or interest on the Bonds that shall become Due for Payment but shall be unpaid by reason of Nonpayment by the Issuer (as such terms are defined in the Insurance Policy) and any amounts due on the Bonds as a result of acceleration of the maturity thereof in accordance with the Resolution, whether or not the Insurer has received a Notice of Nonpayment (as such terms are defined in the Insurance Policy) or a claim upon the Insurance Policy.
- (q) The notice address of the Insurer is: Financial Security Assurance Inc., 350 Park Avenue, New York, New York 10022-6022, Attention: Managing Director – Surveillance, Re: Policy No. _____, Telephone: (212) 826-0100; Telecopier: (212) 339-3556. - (r) The Insurer shall be provided with the following information:
 - (i) Annual audited financial statements within 150 days after the end of the Issuer's fiscal year (together with a certification of the Issuer that it is not aware of any default or Event of Default under the Resolution), and the Issuer's annual budget within 30 days after the approval thereof together with such other information, data or reports as the Insurer shall reasonably request from time to time;

 - (viii) A full original transcript of all proceedings relating to the execution of any amendment or supplement to the Related Documents; and
 - (ix) All reports, notices and correspondence to be delivered to Bondholders under the terms of the Related Documents.
- (s) Notwithstanding satisfaction of other conditions to the issuance of Additional Bonds contained in the Resolution, no such issuance may occur (1) should any Event of Default (or any event which, once all notice or grace periods have passed, would constitute an Event of Default) have occurred and be continuing unless such default shall be cured upon such issuance and (2) unless the Debt Service Reserve Fund is fully funded at its requirement (including the new issue) upon the issuance of such Additional Bonds, in either case unless otherwise permitted by the Insurer. For tax-backed transactions, subordinate debt shall be subject to the Insurer's consent.

An executed copy of each of such opinion and reliance letter, if applicable, or Trustee's discharge certificate, as the case may be, shall be forwarded to the Insurer prior to delivery of the Bonds.

FINANCIAL SECURITY ASSURANCE INC. ("Financial Security"), for consideration received, hereby UNCONDITIONALLY AND IRREVOCABLY agrees to pay to the trustee (the "Trustee") or paying agent (the "Paying Agent") (as set forth in the documentation providing for the issuance of and securing the Bonds) for the Bonds, for the benefit of the Owners or, at the election of Financial Security, directly to each Owner, subject only to the terms of this Policy (which includes each endorsement hereto), that portion of the principal of and interest on the Bonds that shall become Due for Payment but shall be unpaid by reason of Nonpayment by the Issuer.

On the later of the day on which such principal and interest becomes Due for Payment on the Business Day next following the Business Day on which Financial Security shall have received Notice of Nonpayment, Financial Security will disburse to or for the benefit of each Owner of a Bond the face amount of principal of and interest on the Bond that is then Due for Payment but is then unpaid by reason of Nonpayment by the Issuer, but only upon receipt by Financial Security, in a form reasonably satisfactory to it, of (a) evidence of the Owner's right to receive payment of the principal or interest then Due for Payment and (b) evidence, including any appropriate instruments of assignment, that all of the Owner's rights with respect to payment of such principal or interest that is Due for Payment shall thereupon vest in Financial Security. A Notice of Nonpayment will be deemed received on a given Business Day if it is received prior to 1:00 p.m. (New York time) on such Business Day; otherwise, it will be deemed received on the next Business Day. If any Notice of Nonpayment received by Financial Security is incomplete, it shall be deemed not to have been received by Financial Security for purposes of the preceding sentence and Financial Security shall promptly so advise the Trustee, Paying Agent or Owner, as appropriate, who may submit an amended Notice of Nonpayment. Upon disbursement in respect of a Bond, Financial Security shall become the owner of the Bond, any appurtenant coupon to the Bond or right to receipt of payment of principal of or interest on the Bond and shall be fully subrogated to the rights of the Owner, including the Owner's right to receive payments under the Bond, to the extent of any payment by Financial Security hereunder. Payment by Financial Security to the Trustee or Paying Agent for the benefit of the Owners shall, to the extent thereof, discharge the obligation of Financial Security under this Policy.

Except to the extent expressly modified by an endorsement hereto, the following terms shall have the meanings specified for all purposes of this Policy. "Business Day" means any day other than (a) a Saturday or Sunday or (b) a day on which banking institutions in the State of New York or the Insurer's Fiscal Agent are authorized or required by law or executive order to remain closed. "Due for Payment" means (a) when referring to the principal of a Bond, payable on the stated maturity date thereof or the date on which the same shall have been duly called for mandatory sinking fund redemption and does not refer to any earlier date on which payment is due by reason of call for redemption (other than by mandatory sinking fund redemption), acceleration or other advancement of maturity unless Financial Security shall elect, in its sole discretion, to pay such principal due upon such acceleration together with any accrued interest to the date of acceleration and (b) when referring to interest on a Bond, payable on the stated date for payment of interest. "Nonpayment" means, in respect of a Bond, the failure of the Issuer to have provided sufficient funds to the Trustee or, if there is no Trustee, to the Paying Agent for payment in full of all principal and interest that is Due for Payment on such Bond. "Nonpayment" shall also include, in respect of a Bond, any payment of principal or interest that is Due for Payment

made to an Owner by or on behalf of the Issuer which has been recovered from such Owner pursuant to the United States Bankruptcy Code by a trustee in bankruptcy in accordance with a final, nonappealable order of a court having competent jurisdiction. "Notice" means telephonic or telecopied notice, subsequently confirmed in a signed writing, or written notice by registered or certified mail, from an Owner, the Trustee or the Paying Agent to Financial Security which notice shall specify (a) the person or entity making the claim, (b) the Policy Number, (c) the claimed amount and (d) the date such claimed amount became Due for Payment. "Owner" means, in respect of a Bond, the person or entity who, at the time of Nonpayment, is entitled under the terms of such Bond to payment thereof, except that "Owner" shall not include the Issuer or any person or entity whose direct or indirect obligation constitutes the underlying security for the Bonds.

Financial Security may appoint a fiscal agent (the "Insurer's Fiscal Agent") for purposes of this Policy by giving written notice to the Trustee and the Paying Agent specifying the name and notice address of the Insurer's Fiscal Agent. From and after the date of receipt of such notice by the Trustee and the Paying Agent, (a) copies of all notices required to be delivered to Financial Security pursuant to this Policy shall be simultaneously delivered to the Insurer's Fiscal Agent and to Financial Security and shall not be deemed received until received by both and (b) all payments required to be made by Financial Security under this Policy may be made directly by Financial Security or by the Insurer's Fiscal Agent on behalf of Financial Security. The Insurer's Fiscal Agent is the agent of Financial Security only and the Insurer's Fiscal Agent shall in no event be liable to any Owner for any act of the Insurer's Fiscal Agent or any failure of Financial Security to deposit or cause to be deposited sufficient funds to make payments due under this Policy.

To the fullest extent permitted by applicable law, Financial Security agrees not to assert, and hereby waives, only for the benefit of each Owner, all rights (whether by counterclaim, setoff or otherwise) and defenses (including, without limitation, the defense of fraud), whether acquired by subrogation, assignment or otherwise, to the extent that such rights and defenses may be available to Financial Security to avoid payment of its obligations under this Policy in accordance with the express provisions of this Policy.

This Policy sets forth in full the undertaking of Financial Security, and shall not be modified, altered or affected by any other agreement or instrument, including any modification or amendment thereto. Except to the extent expressly modified by an endorsement hereto, (a) any premium paid in respect of this Policy is nonrefundable for any reason whatsoever, including payment, or provision being made for payment, of the Bonds prior to maturity and (b) this Policy may not be canceled or revoked. THIS POLICY IS NOT COVERED BY THE PROPERTY/CASUALTY INSURANCE SECURITY FUND SPECIFIED IN ARTICLE 76 OF THE NEW YORK INSURANCE LAW.

FINANCIAL SECURITY ASSURANCE INC. ("Financial Security"), a stock insurance company, hereby commits to issue its Municipal Bond Debt Service Reserve Insurance Policy (the "Reserve Policy"), in the form attached hereto as Exhibit A, relating to the above-described debt obligations (the "Bonds"), subject to the terms and conditions contained herein or added hereto. All terms used herein and not otherwise defined shall have the meanings ascribed to them in the document setting forth the security for and authorizing the issuance of the Bonds (the "Resolution").

To keep this Commitment in effect after the Expiration Date set forth above, a request for renewal must be submitted to Financial Security prior to such expiration date. Financial Security reserves the right to refuse wholly or in part to grant a renewal. To keep the Commitment in effect to the Expiration Date set forth above, Financial Security must receive a duplicate of this Commitment executed by an appropriate officer of the Issuer by the date which is ten days from the date of this Commitment.

THE RESERVE POLICY SHALL BE ISSUED UPON SATISFACTION OF THE FOLLOWING CONDITIONS:

1. The documents to be executed and delivered in connection with the issuance and sale of the Bonds shall not contain any untrue or misleading statement of a material fact and shall not fail to state a material fact necessary in order to make the information contained therein not misleading.
2. No event shall occur which would permit any purchaser of the Bonds, otherwise required, not to be required to purchase the Bonds on the date scheduled for the issuance and delivery thereof.
3. There shall be no material change in or affecting the Bonds (including, without limitation, the security for the Bonds) or the financing documents or the Official Statement (or any similar disclosure documents) to be executed and delivered in connection with the issuance and sale of the Bonds from the descriptions or forms thereof approved by Financial Security.
4. Financial Security shall be provided with:
 - (a) A letter from Foley & Judell ("Bond Counsel") addressed to Financial Security to the effect that Financial Security may rely on the approving opinion(s) of Bond Counsel as if such opinion(s) were addressed to Financial Security.
 - (b) An opinion(s) of Bond Counsel, addressed to and in form and substance satisfactory to Financial Security, as to the (i) due authorization, validity and enforceability of the Resolution, the Insurance Agreement and the document which incorporates the requirements set forth in Paragraph 5 hereof and (ii) the Policy constituting a debt service reserve insurance policy under the applicable provisions of the Resolution.

(c) Evidence of wire transfer in federal funds in an amount equal to the insurance premium, unless alternative arrangements for the payment of such amount acceptable to Financial Security have been made prior to the delivery date of the Reserve Policy.

5. The Resolution shall include the following terms and conditions and shall be in form and substance acceptable to Financial Security: *, but solely from the Pledged Funds*

(a) The Issuer shall repay any draws under the Reserve Policy and pay all related reasonable expenses incurred by Financial Security. Interest shall accrue and be payable on such draws and expenses from the date of payment by Financial Security at the Late Payment Rate. "Late Payment Rate" means the lesser of (a) the greater of (i) the per annum rate of interest, publicly announced from time to time by JPMorgan Chase Bank at its principal office in the City of New York, as its prime or base lending rate ("Prime Rate") (any change in such Prime Rate to be effective on the date such change is announced by JPMorgan Chase Bank) plus 3%, and (ii) the then applicable highest rate of interest on the Bonds and (b) the maximum rate permissible under applicable usury or similar laws limiting interest rates. The Late Payment Rate shall be computed on the basis of the actual number of days elapsed over a year of 365 days. In the event JPMorgan Chase Bank ceases to announce its Prime Rate publicly, Prime Rate shall be the publicly announced prime or base lending rate of such national bank as Financial Security shall specify.

Repayment of draws and payment of expenses and accrued interest thereon at the Late Payment Rate (collectively, "Policy Costs") shall commence in the first month following each draw, and each such monthly payment shall be in an amount at least equal to 1/12 of the aggregate of Policy Costs related to such draw.

Amounts in respect of Policy Costs paid to Financial Security shall be credited first to interest due, then to the expenses due and then to principal due. As and to the extent that payments are made to Financial Security on account of principal due, the coverage under the Reserve Policy will be increased by a like amount, subject to the terms of the Reserve Policy.

All cash and investments in the debt service reserve fund established for the Bonds (the "Reserve Fund") shall be transferred to the debt service fund for payment of debt service on Bonds before any drawing may be made on the Reserve Policy or any other credit facility credited to the Reserve Fund in lieu of cash ("Credit Facility"). Payment of any Policy Costs shall be made prior to replenishment of any such cash amounts. Draws on all Credit Facilities (including the Reserve Policy) on which there is available coverage shall be made on a pro-rata basis (calculated by reference to the coverage then available thereunder) after applying all available cash and investments in the Reserve Fund. Payment of Policy Costs and reimbursement of amounts with respect to other Credit Facilities shall be made on a pro-rata basis prior to replenishment of any cash drawn from the Reserve Fund.

(b) If the Issuer shall fail to pay any Policy Costs in accordance with the requirements of Paragraph 5(a) hereof, Financial Security shall be entitled to exercise any and all legal and equitable remedies available to it, including those provided under the Resolution other than (i) acceleration of the maturity of the Bonds or (ii) remedies which would adversely affect owners of the Bonds.

(c) The Resolution shall not be discharged until all Policy Costs owing to Financial Security shall have been paid in full. The Issuer's obligation to pay such amounts shall expressly survive payment in full of the Bonds.

(d) The additional bonds test and the rate covenant in the Resolution shall expressly provide for at least one times coverage of the Policy Costs then due and owing.

(e) The Resolution shall require the Trustee to ascertain the necessity for a claim upon the Reserve Policy and to provide notice to Financial Security in accordance with the terms of the Reserve Policy at least five business days prior to each date upon which interest or principal is due on the Bonds. Where deposits are

required to be made by the Issuer with the Trustee to the debt service fund for the Bonds more often than semi-annually, the Trustee shall be instructed to give notice to Financial Security of any failure of the Issuer to make timely payment in full of such deposits within two business days of the date due.

6. The Reserve Policy shall expire on the earlier of the date the Bonds are no longer outstanding and the final maturity date of the Bonds.
7. The Issuer shall deliver to Financial Security an executed Insurance Agreement in substantially the form of Exhibit B hereto.
8. Any official statement or similar disclosure document relating to the Bonds shall contain only such references to the Reserve Policy and Financial Security as we shall supply or approve.
9. Financial Security shall insure the Bonds pursuant to its Commitment Letter dated August 23, 2002.
10. Promptly after the issuance of the Reserve Policy, Financial Security shall receive a complete set of executed documents implementing the requirements of this Commitment.

FINANCIAL SECURITY ASSURANCE INC.

Authorized Officer

To keep this commitment in effect to the Expiration Date set forth on the first page, Financial Security must receive by the date which is ten days from the date of this Commitment a duplicate of this Commitment executed by an appropriate officer of the Issuer.

The undersigned agrees that if the debt service reserve fund requirement for the Bonds is met in whole or in part by credit instrument, such credit instrument shall be a Reserve Policy provided by Financial Security in accordance with the terms of this Commitment.

FINANCIAL SECURITY ASSURANCE INC. ("Financial Security"), for consideration received, hereby UNCONDITIONALLY AND IRREVOCABLY agrees to pay to the trustee (the "Trustee") or paying agent (the "Paying Agent") as set forth in the documentation (the "Bond Document") providing for the issuance of and securing the Bonds, for the benefit of the Owners, subject only to the terms of this Policy (which includes each endorsement hereto), that portion of the principal of and interest on the Bonds that shall become Due for Payment but shall be unpaid by reason of Nonpayment by the Issuer.

Financial Security will make payment as provided in this Policy to the Trustee or Paying Agent on the later of the Business Day on which such principal and interest becomes Due for Payment or the Business Day next following the Business Day on which Financial Security shall have received Notice of Nonpayment in a form reasonably satisfactory to it. A Notice of Nonpayment will be deemed received on a given Business Day if it is received prior to 1:00 p.m. (New York time) on such Business Day; otherwise, it will be deemed received on the next Business Day. If any Notice of Nonpayment received by Financial Security is incomplete, it shall be deemed not to have been received by Financial Security for purposes of the preceding sentence and Financial Security shall promptly so advise the Trustee, Paying Agent or Issuer, as appropriate, who may submit an amended Notice of Nonpayment. Payment by Financial Security to the Trustee or Paying Agent for the benefit of the Owners shall, to the extent thereof, discharge the obligation of Financial Security under this Policy. Upon such payment, Financial Security shall become entitled to reimbursement of the amount so paid (together with interest and expenses) pursuant to the [Bond Document] [Insurance Agreement].

The amount available under this Policy for payment shall not exceed the Policy Limit. The amount available at any particular time to be paid to the Trustee or Paying Agent under the terms of this Policy shall automatically be reduced by any payment under this Policy. However, after such payment, the amount available under this Policy shall be reinstated in full or in part, but only up to the Policy Limit, to the extent of the reimbursement of such payment (exclusive of interest and expenses) to Financial Security by or on behalf of the Issuer. Within three Business Days of such reimbursement, Financial Security shall provide the Trustee, the Paying Agent and the Issuer with notice of the reimbursement and reinstatement.

Payment under this Policy shall not be available with respect to (a) any Nonpayment that occurs prior to the Effective Date or after the Termination Date of this Policy or (b) Bonds that are not outstanding under the Bond Document. If the amount payable under this Policy is also payable under another insurance policy or surety bond insuring the Bonds, payment first shall be made under this Policy to the extent of the amount available under this Policy up to the Policy Limit. In no event shall Financial Security incur duplicate liability for the same amounts owing with respect to the Bonds that are covered under this Policy and any other insurance policy or surety bond that Financial Security has issued.

Except to the extent expressly modified by an endorsement hereto, the following terms shall have the meanings specified for all purposes of this Policy. "Business Day" means any day other than (a) a Saturday or Sunday or (b) a day on which banking institutions in the State of New York are, or the Insurer's Fiscal Agent is, authorized or required by law or executive order to remain closed. "Due for Payment" means (a) when referring to the principal of a Bond, payable on the stated maturity date thereof or the date on which the same shall have been duly called for mandatory sinking fund redemption and does not refer to any earlier date on which payment is due by reason of call for redemption (other than by mandatory sinking fund redemption), acceleration or other advancement of maturity unless Financial Security shall elect, in its sole discretion, to pay such principal due upon such acceleration together with any accrued interest to the date of acceleration and (b) when referring to

interest on a Bond, payable on the stated date for payment of interest. "Insurance Agreement" means the Insurance Agreement dated as of the effective date hereof in respect of this Policy, as the same may be amended or supplemented from time to time. "Nonpayment" means, in respect of a Bond, the failure of the Issuer to have provided sufficient funds to the Paying Agent for payment in full of all principal and interest that is Due for Payment on such Bond. "Nonpayment" shall also include, in respect of a Bond, any payment of principal or interest that is Due for Payment made to an Owner by or on behalf of the Issuer that has been recovered from such Owner pursuant to the United States Bankruptcy Code by a trustee in bankruptcy in accordance with a final, nonappealable order of a court having competent jurisdiction. "Notice" means telephonic or telecopied notice, subsequently confirmed in a signed writing, or written notice by registered or certified mail from the Issuer, the Trustee or the Paying Agent to Financial Security which notice shall specify (a) the person or entity making the claim, (b) the Policy Number, (c) the claimed amount and (d) the date such claimed amount became Due for Payment. "Owner" means, in respect of a Bond, the person or entity who, at the time of Nonpayment, is entitled under the terms of such Bond to payment of principal or interest hereunder, except that "Owner" shall not include the Issuer or any person or entity whose direct or indirect obligation constitutes the underlying security for the Bonds. "Policy Limit" shall be the dollar amount of the debt service reserve fund required to be maintained for the Bonds by the Bond Document from time to time (the "Debt Service Reserve Requirement"), but in no event shall the Policy Limit exceed \$. The Policy Limit shall automatically and irrevocably be reduced from time to time by the amount of each reduction in the Debt Service Reserve Requirement as provided in the Bond Document.

Financial Security may appoint a fiscal agent (the "Insurer's Fiscal Agent") for purposes of this Policy by giving written notice to the Trustee and the Paying Agent specifying the name and notice address of the Insurer's Fiscal Agent. From and after the date of receipt of such notice by the Trustee and the Paying Agent, (a) copies of all notices required to be delivered to Financial Security pursuant to this Policy shall be simultaneously delivered to the Insurer's Fiscal Agent and to Financial Security and shall not be deemed received until received by both and (b) all payments required to be made by Financial Security under this Policy may be made directly by Financial Security or by the Insurer's Fiscal Agent on behalf of Financial Security. To the fullest extent permitted by applicable law, Financial Security agrees not to assert, and hereby waives, only for the benefit of each Owner, all rights (whether by counterclaim, setoff or otherwise) and defenses (including, without limitation, the defense of fraud), whether acquired by subrogation, assignment or otherwise, to the extent that such rights and defenses may be available to Financial Security to avoid payment of its obligations under this Policy in accordance with the express provisions of this Policy.

This Policy sets forth in full the undertaking of Financial Security, and shall not be modified, altered or affected by any other agreement or instrument, including any modification or amendment thereto. Except to the extent expressly modified by an endorsement hereto, (a) any premium paid in respect of this Policy is nonrefundable for any reason whatsoever, including payment, or provision being made for payment, of the Bonds prior to maturity and (b) this Policy may not be cancelled or revoked. Section 1. Purpose of this Disclosure Certificate. This Disclosure Certificate is being executed and delivered by the Issuer in order to assist the Participating Underwriter (as hereinafter defined) in complying with SEC Rule 15c2-12(b)(5).

(a) The Issuer shall, or shall cause the Dissemination Agent to, not later than the date which shall be 180 days after the end of the Issuer’s Fiscal Year (presently September 30), commencing with the report for the Fiscal Year ending September 30, 2002, provide to each Repository an Annual Report with a Cover Sheet, that is consistent with the requirements of Section 4 of this Disclosure Certificate. The Annual Report may be submitted as a single document or as separate documents comprising a package, and may cross-reference other information as provided in Section 4 of this Disclosure Certificate; provided that the audited financial statements of the Issuer may be submitted separately from the balance of the Annual Report and later than the date required above for the filing of the Annual Report if they are not available by that date. If the Issuer’s Fiscal Year changes, it shall give notice of such change in the same manner as for a Listed Event under Section 5(c).

(b) Not later than fifteen (15) business days prior to said date, the Issuer shall provide the Annual Report with a Cover Sheet to the Dissemination Agent (if other than the Issuer). If the Issuer is unable to provide to the Repositories an Annual Report (other than the audited financial statements described in Section 3(a) by the date required in Section 3(a), the Issuer shall send a notice to (i) each National Repository or the Municipal Securities Rule Making Board and (ii) the State Repository, in substantially the form attached as Exhibit A, accompanied by a Cover Sheet.

(c) The Dissemination Agent shall:

(b) An update of the following portions of the Official Statement relating to the Bonds: (i) the tables relating to local government half-cent sales tax revenues and debt service coverage contained under the caption "Source of Payment" under the heading "AUTHORITY AND SECURITY FOR THE SERIES 2002 BONDS," and (ii) the table entitled "St. Johns County Net Debt Statement as of September 30, 2001" under "Appendix B – General Information Concerning the County." Such update shall include only financial information for the prior Fiscal Year and shall not include any projections for future Fiscal Years.

The information provided under Section 4(b) may be included by specific reference to other documents, including official statements of debt issues of the Issuer or related public entities, which have been submitted to each of the Repositories or the Securities and Exchange Commission. If the document included by reference is a final official statement, it must be available from the Municipal Securities Rulemaking Board. The Issuer shall clearly identify each such other document so included by reference.

Section 5. Reporting of Listed Events.

(a) Pursuant to the provisions of this Section 5, the Issuer shall give, or cause to be given, notice of the occurrence of any of the following events with respect to the Bonds, if material:

- (i) Principal and interest payment delinquencies.
- (ii) Non-payment related defaults.
- (iii) Modifications to rights of Bondholders.
- (iv) Bond calls.
- (v) Defeasances.
- (vi) Rating changes.
- (vii) Adverse tax opinions or events affecting the tax-exempt status of the Bonds.
- (viii) Unscheduled draws on debt service reserves reflecting financial difficulties.

(ix) Unscheduled draws on credit enhancements reflecting financial difficulties.

(x) Substitution of credit or liquidity providers or their failure to perform.

(xi) Release, substitution or sale of property securing repayment of the Bonds.

(b) Whenever the Issuer obtains knowledge of the occurrence of a Listed Event, the Issuer shall as soon as possible determine if such event would be material under applicable federal securities laws.

(c) If the Issuer determines that knowledge of the occurrence of a Listed Event would be material under applicable federal securities laws, the Issuer shall promptly file a notice of such occurrence by completing a Cover Sheet and delivering it to (i) each National Repository or the Municipal Securities Rulemaking Board and (ii) the State Repository. Notwithstanding the foregoing, notice of Listed Events described in Section 5(a)(iv) and Section 5(a)(v) need not be given under this Section 5 any earlier than the notice (if any) of the underlying event is given to Holders of affected Bonds pursuant to the Resolution.

Section 6. Termination of Reporting Obligation. The Issuer's obligations under this Disclosure Certificate shall terminate upon the legal defeasance, prior redemption or payment in full of all of the Bonds. If such termination occurs prior to the final maturity of the Bonds, the Issuer shall give notice of such termination in the same manner as for a Listed Event under Section 5(c).

Section 7. Dissemination Agent. The Issuer may, from time to time, appoint or engage a Dissemination Agent to assist it in carrying out its obligations under this Disclosure Certificate, and may discharge any such Dissemination Agent, with or without appointing a successor Dissemination Agent. The Dissemination Agent shall not be responsible in any manner for the content of any notice or report prepared by the Issuer pursuant to this Disclosure Certificate.

Section 8. Amendment; Waiver. Notwithstanding any other provision of this Disclosure Certificate, the Issuer may amend this Disclosure Certificate, and any provision of this Disclosure Certificate may be waived, provided that the following conditions are satisfied:

(a) If the amendment or waiver relates to the provisions of Section 3(a), Section 4 or Section 5(a), it may only be made in connection with a change in circumstances that arises from a change in legal requirements, change in law, or change in the identity, nature or status of the Issuer, or the type of business conducted;

(b) The undertaking, as amended or taking into account such waiver, would, in the opinion of nationally recognized bond counsel, have complied with the requirements of the Rule at the time of the original issuance of the Bonds, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances; and

(c) The amendment or waiver either (i) is approved by the Holders of the Bonds in the same manner as provided in the Resolution for amendments to the Resolution with the consent of Holders, or (ii) does not, in the opinion of nationally recognized bond counsel, materially impair the interests of the Holders or Beneficial Owners of the Bonds.

In the event of any amendment or waiver of a provision of this Disclosure Certificate, the Issuer shall describe such amendment in the next Annual Report, and shall include, as applicable, a narrative explanation of the reason for the amendment or waiver and its impact on the type (or in the case of a change of accounting principles, on the presentation) of financial information or operating data being presented by the Issuer. In addition, if the amendment relates to the accounting principles to be followed in preparing financial statements, (i) notice of such change shall be given in the same manner as for a Listed Event under Section 5(c) and (ii) the Annual Report for the year in which the change is made should present a comparison (in narrative form and also, if feasible, in quantitative form) between the financial statements as prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles.

Section 9. Additional Information. Nothing in this Disclosure Certificate shall be deemed to prevent the Issuer from disseminating any other information, using the means of dissemination set forth in this Disclosure Certificate or any other means of communication, or including any other information in any Annual Report or notice of occurrence of a Listed Event, in addition to that which is required by this Disclosure Certificate. If the Issuer chooses to include any information in any Annual Report or notice of occurrence of a Listed Event in addition to that which is specifically required by this Disclosure Certificate, the Issuer shall have no obligation under this Disclosure Certificate to update such information or include it in any future Annual Report or notice of occurrence of a Listed Event.

Section 10. Default. In the event of a failure of the Issuer to comply with any provision of this Disclosure Certificate, any Holder or Beneficial Owner of the Bonds may take such actions as may be necessary and appropriate, including seeking mandamus or specific performance by court order, to cause the Issuer to comply with its obligations under this Disclosure Certificate; provided, however, the sole remedy under this Disclosure Certificate in the event of any failure of the Issuer to comply with this Disclosure Certificate shall be an action to compel performance. A default under this Disclosure Certificate shall not be deemed an Event of Default under the Resolution.

Section 11. Beneficiaries. This Disclosure Certificate shall inure solely to the benefit of the Issuer, the Dissemination Agent, the Participating Underwriter and Holders and Beneficial Owners from time to time of the Bonds, and shall create no rights in any other person or entity.

(a) The Bank, as Paying Agent and on behalf of the Issuer, shall pay to the Owner, at the Stated Maturity and upon the surrender of the Bond or Bonds so maturing at the Bank Office, the principal amount of the Bond or Bonds then maturing, provided that the Bank shall have been provided by or on behalf of the Issuer adequate collected funds to make such payment.

(c) In the case of registered Owner of \$1,000,000 or more of Bonds, the payments to be made to such Owner may be by wire transfer to a domestic bank account specified in writing by such registered Owner.

Section 3.02. Payment Dates.

The Issuer hereby instructs the Bank to pay the principal of, premium, if any, and interest on the Bonds at the dates specified in the Bond Purchase Agreement.

ARTICLE FOUR

REGISTRAR

Section 4.01. Authentication of Bonds.

The Issuer may deliver executed Bonds to the Bank for authentication and the Bank shall manually authenticate and deliver such Bonds in accordance with written instructions of the Issuer and not otherwise. No Bond shall be entitled to any benefit under the Bond Resolution or be valid for any purpose unless such Bond shall bear thereon a certificate of authentication substantially in the form set forth in the form of Bond set out in the Bond Resolution executed on behalf of the Bank with the manual signature of an authorized signatory of the Bank. Such certificate of authentication executed as aforesaid on a Bond shall be conclusive evidence that such Bond has been authenticated and delivered under the Resolution.

Section 4.02. Transfer and Exchange.

(a) The Issuer shall keep the Register at the Bank Office, and subject to such reasonable written regulations as the Issuer may prescribe, which regulations shall be furnished the Bank herewith or subsequent hereto by Issuer Order, the Issuer shall provide for the registration and transfer of the Bonds. The Bank is hereby appointed "Registrar" for the purpose of registering and transferring the Bonds as herein provided. The Bank agrees to accept the appointment as Registrar for the Bonds and maintain the Register while it is Registrar.

(b) The Registrar hereby agrees that at any time while any Bond is outstanding, the Owner may deliver such Bond to the Registrar for transfer or exchange, accompanied by instructions from the Owner, or the duly authorized designee of the Owner, designating the persons, the maturities, and the principal amounts to and in which such Bond is to be transferred and the addresses of such persons; the Registrar shall thereupon, within not more than three (3) business days, register and deliver such Bond or Bonds as provided in such instructions. The provisions of the Bond Resolution shall control the procedures for transfer or exchange set forth herein to the extent such procedures are in conflict with the provisions set forth herein.

(c) Every Bond surrendered for transfer or exchange shall be duly endorsed or be accompanied by a written instrument of transfers, in form satisfactory to the Bank, duly executed by the Owner thereof or his attorney duly authorized in writing. The Bank shall manually authenticate every Bond surrendered for transfer or exchange in accordance with Section 4.01 hereof.

(d) The Registrar may request any supporting documentation necessary to effect a re-registration.

(e) No service charge shall be made to the Owner for any registration, transfer, or exchange of Bond, but the Issuer may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer or exchange of Bonds.

Section 4.03. The Bonds.

The Issuer shall provide an adequate inventory of unregistered Bonds to facilitate transfers. The Bank covenants that it will maintain the unregistered Bonds in safekeeping, which shall be not less than the care it maintains for debt securities of other governments or corporations for which it serves as registrar, or which it maintains for its own securities.

Section 4.04. Form of Register.

The Bank as registrar will maintain the records of the Register in accordance with the Bank's general practices and procedures in effect from time to time. The Bank shall not be obligated to maintain such Register in any form other than a form which the Bank has currently available and currently utilizes at the time.

Section 4.05. List of Owners.

(a) The Bank will provide the Issuer at any time requested by the Issuer, upon payment of the cost, if any, of reproduction, a copy of the information contained in the Register. The Issuer may also inspect the information in the Register at any time the Bank is customarily open for business, provided that reasonable time is allowed the Bank to provide an up-to-date listing or to convert the information into written form.

(b) The Bank will not release or disclose the content of the Register to any person other than to, an authorized officer or employee of the Issuer, except upon receipt of a subpoena or court order. Upon receipt of a subpoena or court order and as permitted by law, the Bank will notify the Issuer so that the Issuer may contest the subpoena or court order.

Section 4.06. Cancellation of Bonds.

All Bonds surrendered for payment, redemption, transfer, exchange, or replacement, if surrendered to the Bank, shall be promptly canceled by it and, if surrendered to the Issuer, shall be delivered to the Bank and, if not already canceled, shall be promptly canceled by the Bank. The Issuer may at any time deliver to the Bank for cancellation any Bonds previously certified or registered and delivered which the Issuer may have acquired in any manner whatsoever, and all

Bonds so delivered shall be promptly canceled by the Bank. All canceled Bonds held by the Bank shall be disposed of by the Bank as directed by the Issuer. The Bank will surrender to the Issuer, at such reasonable intervals as it determines, certificates of destruction, in lieu of which or in exchange for which other bonds have been issued or which have been paid.

Section 4.07. Mutilated, Destroyed, Lost, or Stolen Bonds.

(a) Subject to the provisions of this Section 4.07, the Issuer hereby instructs the Bank to deliver fully registered Bonds in exchange for or in lieu of mutilated, destroyed, lost or stolen Bonds as long as the same does not result in an overissuance, all in conformance with the requirements of the Bond Resolution.

(b) If (i) any mutilated Bond is surrendered to the Bank, or the Issuer and the Bank receives evidence to their satisfaction of the destruction, loss, or theft of any Bond, and (ii) there is delivered to the Issuer and the Bank such security or indemnity as may be required by the Bank to save and hold each of them harmless, then, in the absence of notice to the Issuer or the Bank that such Bond has been acquired by a bona fide purchaser, the Issuer shall execute and upon its request the Bank shall register, manually authenticate and deliver, in exchange for or in lieu of any such mutilated, destroyed, lost, or stolen Bond, a new Bond of the same stated maturity and of like tenor and principal amount bearing a number not contemporaneously outstanding.

(c) Every new Bond issued pursuant to this Section in lieu of any mutilated, destroyed, lost, or stolen Bond shall constitute a replacement of the prior obligation of the Issuer, whether or not the mutilated, destroyed, lost, or stolen Bond shall be at any time enforceable by anyone, and shall be entitled to all the benefits of the Bond Resolution equally and ratably with all other outstanding Bonds.

(d) Upon the satisfaction of the Bank and the Issuer that a Bond has been mutilated, destroyed, lost or stolen, and upon receipt by the Bank and the Issuer of such indemnity or security as they may require, the Bank shall cancel the Bond number on the Bond registered with a notation in the Register that said Bond has been mutilated, destroyed, lost or stolen, and a new Bond shall be issued of the same series and of like tenor and principal amount bearing a number, according to the Register not contemporaneously outstanding.

(e) The Bank may charge the Owner the Bank's fees and expenses in connection with issuing a new Bond in lieu of or exchange for a mutilated, destroyed, lost or stolen Bond.

(f) The Issuer hereby accepts the Bank's current blanket bond for lost, stolen, or destroyed bonds and any future substitute blanket bond for lost, stolen, or destroyed Bonds that the Bank may arrange, and agrees that the coverage under any such blanket bond is acceptable to it and meets the Issuer's requirements as to security or indemnity. The Bank need not notify the Issuer of any changes in the security or other company giving such bond or the terms of any such bond, provided that the amount of such bond is not reduced below the amount of the bond on the date of execution of this Agreement. The blanket bond then utilized by the Bank for lost, stolen or destroyed Bonds by the Bank is available for inspection by the Issuer on request.

Section 4.08. Transaction Information to Issuer.

The Bank will, within a reasonable time after receipt of written request from the Issuer, furnish the Issuer information as to the Bonds it has paid pursuant to Section 3.01, Bonds it has delivered upon the transfer or exchange of any Bonds pursuant to Section 4.02, and Bonds it has delivered in exchange for or in lieu of mutilated, destroyed, lost or stolen Bonds pursuant to Section 4.07.

ARTICLE FIVE

THE BANK

Section 5.01. Duties of Bank.

The Bank undertakes to perform the duties set forth herein and in accordance with the Bond Resolution and agrees to use reasonable care in the performance thereof. The Bank hereby agrees to use the funds deposited with it for payment of the principal of, redemption premium, if any, and interest on the Bonds to pay the Bonds as the same shall become due and further agrees to establish and maintain all accounts and funds as may be required for the Bank to function as Paying Agent.

Section 5.02. Reliance on Documents, etc.

(a) The Bank may conclusively rely, as to the truth of the statements and correctness of the opinions expressed therein, on certificates or opinions furnished to the Bank by the Issuer.

(b) The Bank shall not be liable for any error of judgment or any act or steps taken or permitted to be taken in good faith, or for any mistake in law or fact, or for anything it may do or refrain from doing in connection herewith, except for its own willful misconduct or gross negligence.

(c) No provisions of this Agreement shall require the Bank to expend or risk its own funds or otherwise incur any financial liability for performance of any of its duties hereunder, or in the exercise of any of its rights or powers, if it shall have reasonable grounds to believe that repayment of such funds or adequate indemnity satisfactory to it against such risks or liability is not assured to it.

(d) The Bank may rely and shall be protected in acting or refraining from acting upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, certificate, note, security, or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or parties. Without limiting the generality of the foregoing statement, the Bank need not examine the ownership of any Bonds, but is protected in acting upon receipt of Bonds containing an endorsement or instruction of transfer or power of transfer in the manner required by the Bond Resolution and which appears on its face to be signed by the Owner or an attorney-in-fact of the Owner. The Bank shall not be bound to make any investigation into the facts or matters stated in a resolution, certificate,

statement, instrument, opinion, report, notice, direction, consent, order, certificate, note, security paper or document supplied by Issuer.

(e) The Bank may exercise any of the powers hereunder and perform any duties hereunder either directly or by or through agents or attorneys of the Bank.

(f) The Bank may consult with counsel, and the advice of such counsel or any opinion of counsel shall be full and complete authorization and protection with respect to any action taken, suffered, or omitted by it hereunder in good faith and in reliance thereon.

Section 5.03. Recitals of Issuer.

(a) The recitals contained herein, in the Bond Resolution and in the Bonds shall be taken as the statements of the Issuer, and the Bank assumes no responsibility for their correctness.

(b) The Bank shall in no event be liable to the Issuer, any Owner or Owners or any other Person for any amount due on any Bond.

Section 5.04. May Hold Bonds.

The Bank, in its individual or any other capacity, may become the owner or pledgee of Bonds and may otherwise deal with the Issuer with the same rights it would have if it were not the Paying Agent/Registrar, or any other agent.

Section 5.05. Money Held by Bank.

(a) Money held by the Bank hereunder need not be segregated from any other funds provided appropriate accounts are maintained.

(b) The Bank shall be under no liability for interest on any money received by it hereunder.

(c) Any money deposited with the Bank for the payment of the principal of, redemption premium, if any, or interest on any Bond and remaining unclaimed for three years after the date on which such Bonds have become payable shall be treated as abandoned property pursuant to applicable provisions of State law and the Bank shall report and remit this property to the State escheat fund, and thereafter the Owner shall look only to the State escheat fund for payment and then only to the extent of the amounts so received, without any interest thereon and the Bank and Issuer shall have no responsibility with respect to such money.

Section 5.06. Mergers of Consolidations.

Any corporation into which the Bank, or any successor to it in the trusts created by this Agreement, may be merged or converted or with which it or any successor to it may be consolidated, or to which it may sell or transfer its corporate trust business and assets as a whole or substantially as a whole, or any corporation resulting from any merger, conversion, consolidation or tax-free reorganization to which the Bank or any successor to it shall be a party

shall be the successor Bank under this Agreement without the execution or filing of any paper or any other act on the part of any of the parties hereto, anything herein to the contrary notwithstanding.

Section 5.07. Indemnification.

The Issuer hereby assumes liability for, and hereby agrees (whether or not any of the transactions contemplated hereby are consummated), to the extent permitted by State law and to the extent that non ad valorem revenues of the Issuer are lawfully available for such purpose, to indemnify, protect, save and keep harmless the Bank and its respective successors, assigns, agents and servants, from and against any and all liabilities, obligations, losses, damages, penalties, claims, actions, suits, costs, expenses and disbursements (including reasonable legal fees and disbursements), which may be imposed on, incurred by, or asserted against, at any time, the Bank by Persons other than the Issuer and in any way relating to or arising out of the execution and delivery of this Agreement, the acceptance of the funds and securities deposited hereunder, and any payment, transfer or other application of funds and securities by the Bank in accordance with the provisions of this Agreement; or any other duties of the Bank hereunder; provided, however, that the Issuer shall not be required to indemnify the Bank against its own negligence or willful misconduct. In no event shall the Issuer be liable to any person by reason of the transactions contemplated hereby other than to the Bank as set forth in this Section. The indemnities contained in this Section shall survive the termination of this Agreement.

Section 5.08. Interpleader.

The Issuer and the Bank agree that the Bank may seek adjudication of any adverse claim, demand, or controversy over its persons as well as funds on deposit, waive personal service of any process, and agree that service of process by certified or registered mail, return receipt requested, to the address set forth in Section 6.03 hereof shall constitute adequate service. The Issuer and the Bank further agree that the Bank has the right to file a Bill of Interpleader in any court of competent jurisdiction to determine the rights of any Person other than the Issuer claiming any interest herein. Any court action in which the Issuer may have an interest shall be filed in a court of competent jurisdiction located in Duval County, Florida or in St. Johns County, Florida.
