WHEREAS, the Licensee has requested this License Agreement Extension for a term of 1 year which is authorizing use of a portion of County property located 3640 Gaines Road for a mobile home which is leased to a County Deputy for security purposes; and

WHEREAS, the expiring License Agreement is attached as Exhibit "A", incorporated by reference and made a part hereof, hereinafter the "Premises"; and

WHEREAS, all other terms, conditions, and provision shall remain the same and in full force.

1. To use above described Premises for a term of an additional one (1) year commencing on November 27, 2009 and expiring on November 26, 2010. With an option to renew as stated in License Agreement dated 11-27-06. The Licensee paying therefore a nominal fee of \$1.00.
2. Although the Licensee may enter and use the subject Premises for the mobile home site, the Licensee shall not be in possession of the Premises. The County shall possess and otherwise control all aspects of use of the Premises. The license shall be non-exclusive and Licensee will allow the continuance of any use or access by the general public and the County which have become customary on the Premises. Moreover, Licensee agrees to allow the County to grant any easement it deems appropriate during the period of this license that burdens the same Premises, so long as such easement does not substantially prevent Licensees' intended use of the Premises for more than thirty (30) continuous days.
3. Licensee shall have the right to assign this license, with written consent of the County (which consent shall not be unreasonably denied), provided any assignment shall fully bind Assignee as a successor Licensee.
4. Licensee shall restore the Premises to its original condition upon destruction or termination or expiration of this license, or any renewals, thereof.
5. The Licensee shall make no improvements to the subject Premises, except routine maintenance without the written permission of the County. The Licensee shall make no improvements to, or maintain the property, or rely on the use of the Premises in any way which would make this License irrevocable. The Licensee

specifically hereby waives making any argument or claim that this License is irrevocable.

6. The Licensee shall not be permitted to make or suffer any waste or unlawful, improper or offensive use of Premises.
7. The County and its agents, servants, and employees shall have and hereby reserve their right and privilege, all reasonable times during the term of this license, to enter said Premises, to examine and inspect the same. The Licensee shall not cause or permit any use of the Premises for other than those uses specifically provided for in this license.
8. The Licensee, in consideration for the use of the Premises does hereby release and discharge and further will indemnify and save harmless the County from any and all claims for personal injuries or property damages during the existence of this license, arising in any manner by virtue of the use or occupancy of such premises by the Licensee, that the Licensee does hereby further agree to indemnify and save harmless the County from liability for damage, injury or death to any person or persons arising out of the use of said property, or from the lack of keeping same in good repair and order, or from the negligent operation of same, or for any other cause for any nature whatsoever, provided such damage, injury or death is not due to County's own negligence.
9. The "Licensee" **Elleness, LLP, a Florida limited liability partnership**, shall conform to and comply with all laws, orders and regulations of the federal, state, county and municipal governments and all of their departments and bureaus.
10. If the Licensee shall fail to comply with or abide by any of the other provisions or stipulations in this license on its part, and such default continues for ninety (90) days, the County may terminate this license and terminate the Licensee's use of said Premises after being notified by certified mail of Licensee's failure to comply with the terms of this license.
11. The waiver of County of any such breach hereof on the part of the Licensee, or any time or from time to time shall not be deemed, held, or construed as a waiver of any subsequent breach, or imply any further indulgence.
12. Notwithstanding any other provision of this license, the Licensee hereby releases any rights it has in regards to the coupling of this license with an interest, thus hereby allowing the County to revoke this license on ninety (90) days written notice to the Licensee, for any reason whatsoever, without further liability between the parties except as expressly and specifically provided for in this license. The reasons for such cancellation may include, but are not limited to, increased public demand for use of the subject property and/or disaster relief use

of space. Upon such revocation, Licensee shall remove said Mobile Home within said ninety (90) day period, and

13. Licensee reserves the right to terminate this license by giving the County a ninety (90) day notice in writing.
14. The execution of this license Agreement shall not constitute a waiver by either party hereto of any right or claim of right to the subject lands or to use the subject lands.

WHEREAS, the property is more fully described as a portion of the property in attached Exhibit "A" and shown on map in Exhibit "B", attached hereto, incorporated by reference and made a part hereof, hereinafter the "Premises"; and

WHEREAS, in consideration of the respective agreements of the parties herein contained, the County does hereby license, without warranty, to the Licensee, the temporary use of a part of 3637 Gaines Road for the purpose mentioned above.

1. To use above described Premises for term of two (2) years, commencing on the date first above written. Said time shall be extended in one (1) year increments upon notice in writing by the Licensee at least sixty (60) days prior to the end of the original two (2) year period or subsequent one (1) year periods and subject to review by St. Johns County. The Licensee paying therefore a nominal fee of one (1) dollar per year, plus any applicable State Sales Tax, payable annually.
2. Although the Licensee may enter and use the subject Premises for on-site residential security, the Licensee shall not be in possession of the Premises. The County shall possess and otherwise control all aspects of use of the Premises. The license shall be non-exclusive and Licensee will allow the continuance of any use or access by the general public and the County which have become customary on the Premises. Moreover, Licensee agrees to allow the County to grant any easement it deems appropriate during the period of this license that burdens the same Premises so long as such easement does not substantially prevent Licensees' intended use of the Premises for more than thirty (30) continuous days.
3. Licensee shall have the right to assign this license, with written consent of the County (which consent shall not be unreasonably denied), provided any assignment shall fully bind Assignee as a successor Licensee.
4. Licensee shall restore the Premises to its original condition upon destruction or termination or expiration of this license, or any renewals, thereof.

5. The Licensee shall make no improvements to the subject Premises, except routine maintenance without the written permission of the County. The Licensee shall make no improvements to, or maintain the property, or rely on the use of this Premises in any way which would make this License irrevocable. The Licensee specifically hereby waives any agreement or claim that this License is not irrevocable.
6. The Licensee shall not be permitted to make or suffer any waste or unlawful, improper or offensive use of Premises.
7. The County and its agents, servants, and employees shall have and hereby reserve their right and privilege, all reasonable times during the term of this license, to enter said Premises, to examine and inspect the same. The Licensee shall not cause or permit any use of the Premises for other than those uses specifically provided for in this license.
8. The Licensee, in consideration for the use of the Premises does hereby release and discharge and further will indemnify and save harmless the County from any and all claims for personal injuries or property damages during the existence of this license, arising in any manner by virtue of the use or occupancy of such premises by the Licensee, that the Licensee does hereby further agree to indemnify and save harmless the County from liability for damage, injury or death to any person or persons arising out of the use of said property, or from the lack of keeping same in good repair and order, or from the negligent operation of same, or for any other cause for any nature whatsoever, provided such damage, injury or death is not due to County's own negligence.
9. The Licensees' mobile home and accessory real and personal property shall conform to and comply with all laws, orders and regulations of the federal, state, county and municipal governments and all of their departments and bureaus.
10. If the Licensee shall fail to comply with or abide by any of the other provisions or stipulations in this license on its part, and such default continues for sixty (60) days, the County may terminate this license and terminate the Licensee's use of said Premises after being notified by certified mail of Licensee's failure to comply with the terms of this license.
11. The waiver of County of any such breach hereof on the part of the Licensee, or any time or from time to time shall not be deemed, held, or construed as a waiver of any subsequent breach, or imply any further indulgence.
12. Notwithstanding any other provision of this license, the Licensee hereby releases any rights it has in regards to the coupling of this license with an interest, thus hereby allowing the County to revoke this license on ninety (90) days written notice to the Licensee, for any reason whatsoever, without further liability between the parties except as expressly and specifically provided for in this

license. The reasons for such cancellation may include, but are not limited to, increased public demand for use of the subject property and/or disaster relief use of space. Upon such revocation, Licensee shall remove said mobile home and accessory real and personal property within said ninety (90) day period, and

- 13. Licensee reserves the right to terminate this license by giving the County a ninety (90) day notice in writing.
- 14. The execution of this license Agreement shall not constitute a waiver by either party hereto of any right or claim of right to the subject lands or to use the subject lands.

LICENSE AGREEMENT

~~2004~~ ²⁰⁰⁶ THIS LICENSE AGREEMENT, made and executed this ~~27th~~ ^{27th} day of ~~November~~ ^{November} 2004 by and between St. Johns County, Florida, a political subdivision of the State of Florida, whose address is 4020 Lewis Speedway, St. Augustine, Florida 32084, hereinafter referred to as the "County", and Mack Franklin Mathis, whose address is 3640 Gaines Road, St. Augustine, Florida 32084, hereinafter referred to as the "Licensee".

WHEREAS, the Licensee has requested this License authorizing use of 3640 Gaines Road, St. Augustine, Florida 32084 for on-site residential security; and

WHEREAS, the property is more fully described as a portion of the property in attached Exhibit "A" and shown on map in Exhibit "B", attached hereto, incorporated by reference and made a part hereof, hereinafter the "Premises"; and

WHEREAS, in consideration of the respective agreements of the parties herein contained, the County does hereby license, without warranty, to the Licensee, the temporary use of a part of 3637 Gaines Road for the purpose mentioned above.

1. To use above described Premises for term of two (2) years, commencing on the date first above written. Said time shall be extended in one (1) year increments upon notice in writing by the Licensee at least sixty (60) days prior to the end of the original two (2) year period or subsequent one (1) year periods and subject to review by St. Johns County. The Licensee paying therefore a nominal fee of one (1) dollar per year, plus any applicable State Sales Tax, payable annually.
2. Although the Licensee may enter and use the subject Premises for on-site residential security, the Licensee shall not be in possession of the Premises. The County shall possess and otherwise control all aspects of use of the Premises. The license shall be non-exclusive and Licensee will allow the continuance of any use of access by the general public and the County which have become customary on the Premises. Moreover, Licensee agrees to allow the County to grant any easement it deems appropriate during the period of this license that burdens the same Premises, so long as such easement does not substantially prevent Licensees' intended use of the Premises for more than thirty (30) continuous days.
3. Licensee shall have the right to assign this license, with written consent of the County (which consent shall not be unreasonably denied), provided any assignment shall fully bind Assignee as a successor Licensee.
4. Licensee shall restore the Premises to its original condition upon destruction or termination or expiration of this license, or any renewals, thereof.

5. The Licensee shall make no improvements to the subject Premises, except routine maintenance without the written permission of the County. The Licensee shall make no improvements to, or maintain the property, or rely on the use of this Premises in any way which would make this License irrevocable. The Licensee specifically hereby waives any agreement or claim that this License is not irrevocable.
6. The Licensee shall not be permitted to make or suffer any waste or unlawful, improper or offensive use of Premises.
7. The County and its agents, servants, and employees shall have and hereby reserve their right and privilege, all reasonable times during the term of this license, to enter said Premises, to examine and inspect the same. The Licensee shall not cause or permit any use of the Premises for other than those uses specifically provided for in this license.
8. The Licensee, in consideration for the use of the Premises does hereby release and discharge and further will indemnify and save harmless the County from any and all claims for personal injuries or property damages during the existence of this license, arising in any manner by virtue of the use or occupancy of such premises by the Licensee, that the Licensee does hereby further agree to indemnify and save harmless the County from liability for damage, injury or death to any person or persons arising out of the use of said property, or from the lack of keeping same in good repair and order, or from the negligent operation of same, or for any other cause for any nature whatsoever, provided such damage, injury or death is not due to County's own negligence.
9. The Licensees' mobile home and accessory real and personal property shall conform to and comply with all laws, orders and regulations of the federal, state, county and municipal governments and all of their departments and bureaus.
10. If the Licensee shall fail to comply with or abide by any of the other provisions or stipulations in this license on its part, and such default continues for sixty (60) days, the County may terminate this license and terminate the Licensee's use of said Premises after being notified by certified mail of Licensee's failure to comply with the terms of this license.
11. The waiver of County of any such breach hereof on the part of the Licensee, or any time or from time to time shall not be deemed, held, or construed as a waiver of any subsequent breach, or imply any further indulgence.
12. Notwithstanding any other provision of this license, the Licensee hereby releases any rights it has in regards to the coupling of this license with an interest, thus hereby allowing the County to revoke this license on ninety (90) days written notice to the Licensee, for any reason whatsoever, without further liability between the parties except as expressly and specifically provided for in this

license. The reasons for such cancellation may include, but are not limited to, increased public demand for use of the subject property and/or disaster relief use of space. Upon such revocation, Licensee shall remove said mobile home and accessory real and personal property within said ninety (90) day period, and

13. Licensee reserves the right to terminate this license by giving the County a ninety (90) day notice in writing.

14. The execution of this license Agreement shall not constitute a waiver by either party hereto of any right or claim of right to the subject lands or to use the subject lands.

IN WITNESS WHEREOF, the undersigned parties have executed this License Agreement on the day and year first above written.
