Leigh,

Attached is the bid spreadsheet that you sent to me. I have highlighted in green the vendors we choose to use, and for what items. We realize they are not all "low bid" but we are attempting to streamline our operation some by minimizing the number of vendors. Most of the price differences are minimal and we believe that this will allow it to balance out. We have chosen Azar's Uniforms and Patrick's Uniforms of Florida, Inc. as our uniform suppliers. If you have any additional questions, or I need to do something else, please feel free to contact me. Thanks for all of your help and patience.

It would not be practical, for example,
to order patches from our firm,
ship them to the uniform supplier
to sew them on.
