

RESOLUTION NO. 2012- 350

**A RESOLUTION BY THE BOARD OF COUNTY COMMISSIONERS OF ST. JOHNS COUNTY, FLORIDA, ACCEPTING A TERMINATION OF AND NEW EASEMENT FOR UTILITIES FOR WATER AND SEWER SERVICE TO GLEN EAGLES SUBDIVISION AND AUTHORIZING THE COUNTY ADMINISTRATOR, OR DESIGNEE, TO EXECUTE THE EASEMENT.**

**RECITALS**

**WHEREAS**, Fairfield Ponte Vedra Association, Inc., a Florida non-profit corporation, has executed and presented a Termination and New Easement for Utilities to St. Johns County for water and sewer service to Glen Eagles Subdivision, attached hereto as Exhibit "A," incorporated by reference and made a part hereof; and

**WHEREAS**, the Association granted an easement to St. Johns County for water service only recorded in Official Records Book 3465 Page 1303-1306 of the public records of St. Johns County, Florida; and

**WHEREAS**, when staff reviewed the easement it was found that the Easement should have been for water and sewer and the above mentioned easement was only for water services. Therefore the recorded easement must be terminated and a new easement granted; and

**WHEREAS**, St. Johns County Utility Department has reviewed and approved the document mentioned above as stated in a memo attached hereto as Exhibit "B," incorporated by reference and made a part hereof.

**NOW THEREFORE, BE IT RESOLVED** by the Board of County Commissioners of St. Johns County, as follows:

Section 1. The above recitals are incorporated by reference into the body of this Resolution and such recitals are adopted as findings of fact.

Section 2. The Termination of Easement and New Grant of Easement is hereby accepted by the Board of County Commissioners and the County Administrator, or designee, is hereby authorized to execute the Termination of Easement and New Grant of Easement.

Section 3. To the extent that there are typographical, scriveners or administrative errors that do not change the tone, tenor, or concept of this Resolution, then this Resolution may be revised without subsequent approval by the Board of County Commissioners.

Section 4. The Clerk of the Court is instructed to record the original Termination and New Easement for Utilities in the Official Records of St. Johns County, Florida.

**PASSED AND ADOPTED** by the Board of County Commissioners of St. Johns County, Florida, this 18th day of December, 2012.

RENDITION DATE 12/20/12

**TERMINATION AND NEW  
EASEMENT FOR UTILITIES**

THIS EASEMENT executed and given this \_\_\_\_\_ day of \_\_\_\_\_, 2012 by **FAIRFIELD PONTE VEDRA ASSOCIATION, Inc.**, a Florida non-profit corporation, with an address of 4003 Hartley Road, Jacksonville, Florida 32257, hereinafter called "Grantor" to **ST. JOHNS COUNTY, FLORIDA**, a political subdivision of the State of Florida, whose address is 500 San Sebastian View, St. Augustine FL 32084, hereinafter called "Grantee".

**WITNESSETH:**

**WHEREAS**, Fairfield Ponte Vedra Association, Inc., a Florida non-profit corporation, granted an easement for water services, dated July 8, 2011, and recorded in Official Records Book 3465 Page 1303-1306 of the public records of St. Johns County, Florida (the "Original Easement"); and

**WHEREAS**, Grantor and Grantee have agreed to terminate the Original Easement due to the fact the original Easement was for water service only and should have covered water and sewer services.

That for and in consideration of the sum of Ten Dollars (\$10.00) and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Grantor agrees as follows:

1. Grantor does hereby grant, bargain, sell, alien, remise, release, convey and confirm unto Grantee a non-exclusive permanent easement and right-of-way to install, construct, operate, maintain, repair, replace and remove pipes and mains constituting the underground water distribution system, gravity sewer collection system & sewer force mains and all other equipment and appurtenances as may be necessary or convenient for the operation of the underground water and sewer utility services (hereinafter referred to as "Utility Lines and Associated Equipment") over and upon the real property described on Exhibit A attached hereto (the "Easement Area"); together with rights of ingress and egress to access the Easement Area as necessary for the use and enjoyment of the easement herein granted. The location of the ingress and egress area to the Easement area has been mutually agreed upon by the Grantor and Grantee. This easement is for water and/or sewer utility services only and does not convey any right to install other utilities such as cable television service lines.

**TO HAVE AND TO HOLD**, unto Grantee, his successors and assigns for the purposes aforesaid. Said Grantor is lawfully seized of said land in fee simple and thereby has the authority to grant said easement.

The easement herein granted is subject to covenants, restrictions, easements, liens and encumbrances of record.

(a) Grantor reserves the right and privilege to use and occupy and to grant to others the right to use and occupy (i) the surface and air space over the Easement

Area for any purpose which is consistent with the rights herein granted to Grantee; and (ii) subsurface of the Easement Area for other utility services or other purposes which do not interfere with the rights herein granted to Grantee, including, without limitation, the right to install, construct, operate, maintain, repair, replace and remove telecommunications, telephone, telegraph, electric, gas and drainage facilities and foundations, footing and/or anchors for surface improvements.

(b) All Utility Lines and Associated Equipment will be installed, operated and maintained at all times beneath the surface of the Easement Area provided that the same may be temporarily exposed or removed to the surface when necessary or desirable for the purpose of repairing and/or replacing the same. Provided, however, that Associated Equipment that is customarily installed above ground may be installed above ground subject to the right of Grantor, consistent with good engineering practices to approve the location of such above ground installation in its reasonable discretion.

(c) The easement granted by this instrument may be relocated to a location acceptable to the Grantee at any time upon Grantor's request provided that Grantor bears the cost of relocating the underground water and sewer utility lines and facilities located within the Easement area. At Grantor's request, and upon relocation of such lines at Grantor's expense, Grantee and Grantor shall execute an instrument in recordable form relocating the easement hereby granted to the new Easement Area designated by and in the title of the Grantor.

(d) Grantee shall exercise the easement rights conveyed herein in a manner which will not unreasonably interfere with use and occupancy of residential or commercial improvements constructed upon the adjacent property owned by Grantor.

2. (a) **WATER SYSTEM** - The Grantee shall maintain all water mains and other elements of the water distribution system up to and including the water meter or meters. Grantor or Grantor's successors and assigns shall be responsible for maintaining any water lines between the water meter and the improvements served by the utility system.

(b) **GRAVITY SEWER SYSTEM** - Grantee, by acceptance of this Easement, hereby agrees to maintain sewer force mains and gravity sewer lines located within the Easement Area. The Grantee's maintenance of gravity sewer lines shall extend "manhole to manhole", but shall not include a responsibility for maintenance of sewer service laterals; The Grantor or Grantor's successors and assigns shall be responsible for the maintenance of such sewer service laterals. Grantor hereby specifically indemnifies and holds Grantee harmless from and against costs and expenses associated with installation, maintenance, repair or replacement of sewer service laterals.

3. After any installation, construction, repair, replacement or removal of any utility lines or equipment as to which easement rights are granted, Grantee shall refill any holes or trenches in a proper and workmanlike manner to the condition existing prior to such installation, construction, repair, replacement or removal, but Grantee shall not be responsible for restoration of sod, landscaping, planting, pavement or other surface improvements which are required to be removed in connection with installation, construction, repair, replacement or removal of utility lines or equipment. To the extent permitted by law, however, Grantee shall be responsible for damage to improvements that are caused by Grantee's negligence.

4. This Grant of Easement shall inure to the benefit of and be binding of and be binding upon Grantee and its successors and assigns.

5. For the purposes of the terms and conditions of this Grant of Easement, "Grantor" means the owner from time to time of the Easement Area or any part thereof.

IN WITNESS WHEREOF, Grantor has caused this instrument to be executed by its duly authorized officer and its corporate seals to be hereunto affixed as of the day and year first above written.
