D. Department reserves the right to not authorize any Work, and may suspend or terminate for cause any Work assigned to Contractor under this or any other contract, if and in the event, that the Department and Contractor (or any of its affiliates or authorized subcontractors) are adverse in any litigation, administrative proceeding or alternative dispute resolution, until such adverse relationship is resolved either by agreement or by final non-appealable order of a court.

**16. FINANCIAL CONSEQUENCES FOR UNSATISFACTORY PERFORMANCE.**

A. No payment will be made for deliverables deemed unsatisfactory by the Department. In the event that a deliverable is deemed unsatisfactory by the Department, the Contractor shall re-perform the services needed for submittal of a satisfactory deliverable, at no additional cost to Department, within thirty (30) days of being notified of the unsatisfactory deliverable.

B. If a satisfactory deliverable is not submitted within the specified time frame, the Department may, in its sole discretion: 1) assess liquidated damages if specified in the Contract or its attachments; 2) request from the Contractor agreement to a reduction in the amount payable; 3) suspend all Work until satisfactory performance is achieved, or 4) terminate the Contract for failure to perform.

B. Upon the Department's notice of acceptance of a proposed CAP, the Contractor shall have ten (10) calendar days, or longer if specified in the approved CAP, to commence implementation of the accepted plan. Acceptance of the proposed CAP by the Department does not relieve the Contractor of any of its obligations under the Contract. In the event the CAP fails to correct or eliminate performance deficiencies by the Contractor, the Department shall retain the right to require additional or further remedial steps, or to terminate the Contract for failure to perform. No actions approved by the Department or steps taken by the Contractor shall estop the Department from subsequently asserting any deficiencies in performance. Contractor shall continue to implement the CAP until all deficiencies are corrected. Reports on the progress of the CAP will be made to the Department as requested by the Department Contract Manager.

In addition to any other provisions of this Contract, in the event that the deliverable identified in the Scope, is not completed and submitted by the close of business on the date the deliverable is due, the compensation amount stated for that portion of the Work may be reduced by five percent (5%) per week for each week the deliverable is late, with the total amount of the liquidated damages not to exceed the total compensation amount of the Scope deliverable.

B. If the performance of all or any part of the Work is suspended, delayed or interrupted for an unreasonable period of time by an act of the Department in administration of the Work, or by the Department's failure to act within a reasonable time to review or approve an invoice, the Department shall provide an equitable extension of the time allowed to complete the Work and modify the Scope accordingly. However, no adjustment shall be made under this clause for any suspension, delay or interruption if and to the extent that:

- 1.) Performance would have been suspended, delayed or interrupted by any other cause, including the fault or negligence of the Contractor; or

2.) Equitable adjustment is provided for (or excluded) under any other provision of this Contract.

C. Contractor shall not be compensated for Work performed subsequent to a notice of suspension by Department.

Termination for convenience shall not entitle either party to any indirect, special or resulting damages, lost profits, costs or penalties, and the Contractor shall be entitled only to recover those amounts earned by it for authorized deliverables completed up to the date of termination (or as may be agreed to in writing by the Department for completion of all or any portion of the Work in process).

**GENERAL CONDITIONS**

**27. ATTORNEY'S FEES.** In the event of any legal action to enforce the terms of this Contract, each party shall bear its own attorney's fees and costs.

**28. CONFLICT OF INTEREST.** Contractor covenants and warrants that it presently has no interest, and shall not acquire any interest, which would conflict in any manner or degree with its performance of this Contract or the Services required hereunder.

**29. COMPLIANCE WITH APPLICABLE LAW.** Contractor shall comply with all applicable federal, state and local rules and regulations in providing services to the Department under this Contract including, but not limited to, local health and safety rules and regulations. This provision shall be included in all subcontracts issued as a result of this Contract.

**30. DISQUALIFICATION.**

A. The employment of unauthorized aliens by the Contractor/vendor is considered a violation of Section 274A(e) of the Immigration and Nationality Act. If the Contractor knowingly employs unauthorized aliens, such violation shall be cause for unilateral cancellation of this Contract. Contractor shall be responsible for including this provision in all subcontracts with private organizations issued as a result of this Contract.

B. Contractor is required to use the U.S. Department of Homeland Security's E-Verify system to verify the employment eligibility of all employees used by the Contractor under this Contract, pursuant to State of Florida Executive Order No.: 11-116. Also, the Contractor shall include in related subcontracts, if authorized under this Contract, a requirement that subcontractors performing work or providing services pursuant to this Contract utilize the E-Verify system to verify employment eligibility of all employees used by the subcontractor for the performance of the Work.

C. If Contract value exceeds one (1) million dollars, Contractor certifies that it and any of its affiliates are not scrutinized companies as identified in Section 287.135, F.S. In addition, Contractor agrees to observe the requirements of Section 287.135, F.S., for applicable sub-agreements entered into for the performance of work under this Contract. Pursuant to Section 287.135, F.S., the Department may immediately terminate this Contract for cause if the Contractor, its affiliates, or its subcontractors are found to have submitted a false certification; or if the Contractor, its affiliates, or its subcontractors are placed on any applicable scrutinized companies list or engaged in prohibited contracting activity during the term of the Contract. As provided in Subsection 287.135(8), F.S., if federal law ceases to authorize these contracting prohibitions then they shall become inoperative.

**31. EXECUTION IN COUNTERPARTS.** This Contract, and any Change Orders or Amendments thereto, may be executed in two or more counterparts, each of which together shall be deemed an original, but all of which together shall constitute one and the same instrument. In the event that any signature is delivered by facsimile transmission or by e-mail delivery of a ".pdf" format data file, such signature shall create a valid and binding obligation of the party executing (or on whose behalf such signature is executed) with the same force and effect as if such facsimile or ".pdf" signature page were an original thereof.

**32. FORCE MAJEURE.** Contractor shall not be responsible for delay resulting from its failure to perform if neither the fault nor the negligence of the Contractor or its employees, subcontractors or agents contributed to the delay and the delay is due directly to acts of God, wars, acts of public enemies, strikes, fires, floods, hurricanes, or other similar cause wholly beyond the Contractor's control, or for any of the foregoing that affect subcontractors or suppliers if no alternate source of supply is available to the Contractor. In case of any delay the Contractor believes is excusable, the Contractor shall notify the Department in writing of the delay or potential delay and describe the cause of the delay either 1) within five (5) days after the cause that creates or will create the delay first arose, if the Contractor could reasonably foresee that a delay could occur as a result, or 2) if delay is not reasonably foreseeable, within ten (10) days after the date the Contractor first had reason to believe that a delay could result. **THE FOREGOING SHALL CONSTITUTE THE CONTRACTOR'S SOLE REMEDY OR EXCUSE WITH RESPECT TO DELAY.** Providing notice in strict accordance with this paragraph is a condition precedent to such remedy. No claim for damages, other than for an extension of time, shall be asserted by the Contractor against the Department. Contractor shall not be entitled to an increase in the price or payment of any kind from the Department for direct, indirect, consequential, impact or other costs, expenses or damages, including but not limited to costs of acceleration or inefficiency, arising because of delay, disruption, interference, or hindrance from any cause whatsoever. If performance is suspended or delayed, in whole or in part, due to any of the causes described in this paragraph, after the causes have ceased to exist the Contractor shall perform at no increased cost, unless the Department determines, in its sole discretion, that the delay will significantly impair the value of the Contract to the State or to the Department, in which case the Department may 1) accept allocated performance or deliveries from the Contractor, provided that the Contractor grants preferential treatment to the Department with respect to products subjected to allocation, or 2) purchase from other sources (without recourse to and by the Contractor for the related costs and expenses) to replace all or part of the products that are the subject of the delay, which purchases may be deducted from the Contract quantity, or 3) terminate the Contract in whole or in part.

**33. FORUM SELECTION, SEVERABILITY, AND CHOICE OF LAW.** This Contract has been delivered in the State of Florida and shall be construed in accordance with substantive and procedural laws of Florida. Wherever possible, each provision of this Contract shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Contract shall be prohibited or invalid under applicable law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Contract. Any action in connection with this Contract shall be brought in a court of competent jurisdiction located in Leon County, Florida.

**34.
