In consideration of the mutual promises contained herein, the County and the Contractor agree as follows:

ARTICLE 1 – DURATION and EXTENSION

This Agreement shall become effective upon signature by both parties, as of the Effective Date shown above, and shall be in effect for an initial contract term of two (2) calendar years, and may be renewed for up to a maximum of three (3) one (1) year periods, upon satisfactory performance by the Contractor, mutual agreement by both parties, and the availability of funds. While this Agreement may be renewed as stated in this Article, it is expressly noted that the County is under no obligation to extend this Agreement. It is further expressly understood that the option of extension is exercisable only by the County, and only upon the County's determination that the Contractor satisfactorily performed the Services noted in the Contract Documents.

ARTICLE 2 - ENUMERATION OF CONTRACT DOCUMENTS

The term "Contract Documents" shall include all Specifications; this Agreement, any duly executed amendments, addenda, and/or exhibits hereto; and any and all Change Orders.

ARTICLE 3 - SERVICES

The CONTRACTOR's responsibility under this Contract Agreement is to provide all labor, materials, and equipment necessary to perform environmental laboratory services as needed by the SJC Utility Department in accordance with Bid No: 20-48 and as otherwise provided in the Contract Documents.

As proposed by the Contractor's proposal dated March 18, 2020, approved by the County in accordance with Bid No: 20-48 and as otherwise provided in the Contract Documents.

Services provided by the Contractor shall be under the general direction of St. Johns County Utility Department or other authorized County designee, who shall act as the County's representative throughout the duration of this Agreement.

ARTICLE 4 – SCHEDULE

The Contractor shall perform the required Services according to the schedule submitted and approved by the County. No changes to said schedule shall be made without prior written authorization from the County's representative.

ARTICLE 5 – COMPENSATION/BILLING/INVOICES

- A. The County shall compensate the Contractor an amount not to exceed Seventy Four Thousand Two Hundred Seventy Eight Dollars (\$74,278.00) (annual cost for two years) according to the cost proposal, (submittal Bid 20-48), which shall include any and all direct and indirect costs, and reimbursable expenses. The maximum amount available as compensation to Contractor under this Agreement shall not exceed the amount stated above without the County's express written approval, and amendment to this Agreement.
- B. It is strictly understood that Contractor is not entitled to the above-referenced amount of compensation. Rather, Contractor's compensation is based upon Contractor's adhering to the Scope of Work, detailed in this Agreement. As such, the Contractor's compensation is dependent upon satisfactory completion and delivery of all work product and deliverables noted in the Scope of Work, and detailed in this Agreement.
- C. The Contractor shall bill the County for services satisfactorily performed, and materials satisfactorily delivered at the end of each month. The signature of the Contractor's authorized representative on the submitted invoice shall constitute the Contractor's certification to the County that:
 - 1. The Contractor has billed the County for all services rendered by it and any of its Contractors or sub-contractors through the date of the invoice;

2. As of the date of the invoice, no other outstanding amounts are due from the County to the Contractor for services rendered;
 3. The reimbursable expenses, if any, have been reasonably incurred; and
 4. The amount requested is currently due and owing.
- D. Though there is no billing form or format pre-approved by either the County, or the Contractor, bills/invoices submitted by the Contractor shall include a detailed written report of the Work accomplished in connection with the Scope of Work, as provided by the County. The County may return a bill/invoice from the Contractor, and request additional documentation/information. Under such circumstances, the timeframe for payment will be extended by the time necessary to receive a verified bill/invoice.
- E. The Contractor's acceptance of the County's payment of an invoiced amount shall release the County from any claim by the Contractor, or by the Contractor's sub-contractors, for work performed but not invoiced during the time period indicated on the invoice for which payment was issued.
- F. Unless otherwise notified, bills/invoices should be delivered to:
- St. Johns County Utility Department
Attn: Kevin Johns
860 W 16th Street
St. Augustine, FL 32080
- G. **FINAL INVOICE:** In order for the County and the Contractor to reconcile/close their books and records, the Contractor shall clearly indicate "Final Invoice" on the Contractor's final bill/invoice to the County. Such indication establishes that all services have been satisfactorily performed and that all charges and costs have been invoiced to the County and that there is no further Work to be performed under this Agreement.

ARTICLE 6 – TRUTH-IN-NEGOTIATION CERTIFICATE

The signing of this Agreement by the Contractor shall act as the execution of a truth-in-negotiation certificate certifying that wage rates and other factual unit costs supporting the compensation are accurate, complete, and current as of the date of this Agreement.

The original contract price and any additions thereto shall be adjusted to exclude any significant sums by which the County determines the contract price was increased due to inaccurate, incomplete, or noncurrent wage rates and other factual unit costs. All such contract adjustments shall be made within one (1) year following the end of the Agreement.

ARTICLE 7 – ARREARS

The Contractor shall not pledge the County's credit or make it a guarantor of payment or surety for any contract, debt, obligation, judgement, lien, or any form of indebtedness. - A. Should the County fail to perform (default) under the terms of this Agreement, then the Contractor shall provide written notice to the County, which such notice shall include a timeframe of no fewer than fifteen (15) business days in which to cure the default. - B. Should the Contractor fail to perform (default) under the terms of this Agreement, then the County shall provide written notice to the Contractor, which such notice shall include a timeframe of no fewer than five (5) calendar days in which to cure the default. Failure to cure the default within the timeframe provided in the notice of default (or any

such amount of time as mutually agreed to by the parties in writing), shall constitute cause for termination of this Agreement.

Nothing in this Agreement shall create any obligation on the part of the Board of County Commissioners to appropriate such funds for the payment of services provided under this Agreement during any given

County fiscal year. Moreover, it is expressly noted that the Contractor cannot demand that the County provide any such funds in any given County Fiscal Year.

ARTICLE 14 - INSURANCE
