In consideration of the mutual promises contained herein, the County and the Contractor agree as follows:

ARTICLE 1 – DURATION and EXTENSION.

This Agreement shall become effective upon signature by all parties, as of the Effective Date shown above, shall remain in effect for an initial contract term of three (3) calendar years, and shall have one (1) available two (2) year renewal term exercisable by the County, contingent upon satisfactory performance by the Contractor, mutual agreement by both parties, availability of funds, and the continued need for the specified services. While this Agreement may be renewed as stated in this Article, it is expressly noted that the County is under no obligation to renew or extend this Agreement. It is further expressly understood that the option of renewal or extension is exercisable only by the County, and only upon the County's determination that the Contractor has satisfactorily performed the services noted in the Contract Documents. The County reserves the right to authorize additional renewals beyond those stated above, if doing so serves the best interest of the County.

ARTICLE 2 - ENUMERATION OF CONTRACT DOCUMENTS

The term "Contract Documents" includes the following:

- This Agreement, including any amendment executed as provided in Article 31;
- St. Johns County Bid No. 21-79 and all issued Addenda (Exhibit A);

- FEMA Public Assistance Program Required Contract Clauses (Exhibit C);
- Any task order, or any change order to a task order, issued as provided in Article 4 of this Agreement; and
- Any Certificate of Insurance required pursuant to Article 14 of this Agreement.

Any document not identified above is not a Contract Document and does not form part of this Agreement. In interpreting the Contract and resolving any inconsistencies or ambiguities, the main body of this Agreement takes precedence over any of the Exhibits provided above.

ARTICLE 3 - SERVICES

The Contractor's responsibility under this Agreement is to provide any and all labor, equipment, materials, and transportation necessary for the demolition and removal of structures and materials on an as needed basis, as specified in the Scope of Work attached hereto as Exhibit "B", proposed by the Contractor, approved by the County in accordance with Bid No: 21-79 and as otherwise provided in the Contract Documents.

Services provided by the Contractor shall be under the general direction of St. Johns County Code Enforcement or other authorized County designee, who shall act as the County's representative throughout the duration of this Agreement.

ARTICLE 4 – TASK ORDERS

The Contractor shall not perform any services under this Agreement until a Task Order for such services has been executed by authorized representatives of both parties. All Task Orders under this Agreement shall be issued on a form provided by the County. Each Task Order shall set forth a description and summary of the services to be performed, the total compensation for satisfactory completion of the work to be performed, and the estimated time for completion of the services. Any changes to an executed task order shall be in writing and shall be executed by the County Administrator or his authorized designee.

The County may reject any incorrect or incomplete invoice from the Contractor, and request additional documentation or information. Under such circumstances, the timeframe for payment will be extended by the time necessary to receive a verified bill/invoice.
- F. FINAL INVOICE per Task Order: In order for both parties herein to close their books and records, the Contractor will clearly state "final invoice" on the Contractor's final/last billing to the County. This indicates that all services have been performed and all charges and costs have been invoiced to St. Johns County and there is no further work to be performed on the specific task order.
- G. Task Order. The Value of this Agreement is based on duly executed Task Orders. Each Task Order shall have its own specific value on a "stand alone" basis.

FEMA PUBLIC ASSISTANCE PROGRAM REQUIRED CONTRACT CLAUSES

1. Equal Employment Opportunity.

If this contract meets the definition of a "federally assisted construction contract" as provided in 41 C.F.R. § 60-1.3, the following shall apply to the contractor's performance under this contract:

- a. The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, or national origin. Such action shall include, but not be limited to the following: Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.
- b. The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive considerations for employment without regard to race, color, religion, sex, or national origin.
- c. The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
- d. The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.
- e. The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.
- f. In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions as may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.
- g. The contractor will include the portion of the sentence immediately preceding paragraph (a) and the provisions of paragraphs (a) through (g) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance: Provided, however, That in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency the contractor may request the United States to enter into such litigation to protect the interests of the United States."

For the purposes of this section, "federally assisted construction contract" means any agreement or modification thereof between any applicant and a person for construction work which is paid for in whole or in part with funds obtained from the Government or borrowed on the credit of the Government pursuant to any Federal program involving a grant, contract, loan, insurance, or guarantee, or undertaken pursuant to any Federal program involving

such grant, contract, loan, insurance, or guarantee, or any application or modification thereof approved by the Government for a grant, contract, loan, insurance, or guarantee under which the applicant itself participates in the construction work.

For the purposes of this section, "construction work" means the construction, rehabilitation, alteration, conversion, extension, demolition or repair of buildings, highways, or other changes or improvements to real property, including facilities providing utility services. The term also includes the supervision, inspection, and other onsite functions incidental to the actual construction.

- d. No contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of forty hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty hours in such workweek.
- e. In the event of any violation of the clause set forth in paragraph (d) of this section the contractor and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, such contractor and subcontractor shall be liable to the United States (in the case of work done under contract for the District of Columbia or a territory, to such District or to such territory), for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in paragraph (d) of this section, in the sum of \$10 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty hours without payment of the overtime wages required by the clause set forth in paragraph (d) of this section.
- f. The County shall upon its own action or upon written request of an authorized representative of the Department of Labor withhold or cause to be withheld, from any moneys payable on account of work performed by the contractor or subcontractor under any such contract or any other Federal contract with the same prime contractor, or any other federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by the same prime contractor, such sums as may be determined to be necessary to satisfy any liabilities of such contractor or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in paragraph (e) of this section.
- g. The contractor or subcontractor shall insert in any subcontracts the clauses set forth in paragraph (c) through (f) of this section and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for compliance by any subcontractor or lower tier subcontractor with the clauses set forth in paragraphs (c) through (f) of this section.
