Florida Federal NG911 Grant Agreement Summary

Background

In September of 2019, the State of Florida received notification that its Federal Grant Application for an NG911 Grant administered by the National Telecommunications Industry Association and Federal Department of Transportation was approved. This grant award in the amount of \$6,314,348.00, requires the State of Florida and subsequent county and tribal recipients of these funds to comply with certain rules and requirements established by the awarding agencies.

The State of Florida, Department of Management Services is the designated grant manager for this federal grant award. One of the requirements that this grant stipulates includes the necessity of the state to provide 40% matching funds as part of the grant program. The state and the E911 Board have agreed to utilize E911 Trust Fund monies and established state grant awards provided by the E911 Board to meet this matching funds requirement.

Additional terms and conditions required by the federal grant are included in the grant agreement document, which needs to be signed by an authorized official of the sub-recipient (generally a county or tribal organization).

Overview of Grant Requirements

If an E911 Board grant award will be utilized to comply with the Federal Grant (either federal funds or matching state funds), the sub-recipient will receive such notification in the award letter.

The agreement document outlines all necessary components of compliance with the Federal NG911 Grant program, and we have incorporated existing state grant requirements that have been in effect, but, that we have not previously required in a signed agreement with sub-recipients.

It is the Department's intent that these grant agreements not impose any unnecessary obligations on the counties and tribal organizations, rather the agreements will memorialize in writing existing processes and procedures for reimbursement while ensuring compliance with all applicable state and the new Federal NG911 Grant rules and laws.

Since we have a short window for the expenditure of the NG911 Grant program funds, it is important to execute the grant award agreement document as soon as possible. These identified NG911 projects must be completed by March 31, 2022.

If you have any questions regarding the grant agreement, please contact the Florida State E-911 Coordinator, Leon Simmonds, at leon.simmonds@dms.fl.gov or (850) 921-0041.

- 12.3. Termination for Convenience. The Department may terminate this Agreement for convenience or when it determines, in its sole discretion, that continuing the Agreement would not produce beneficial results in line with the further expenditure of funds by providing the Grantee with thirty (30) calendar days' prior written notice.
- 12.4. Mutual Termination. The parties may agree to terminate this Agreement for their mutual convenience through a written amendment of this Agreement. The amendment will state the effective date of the termination and the procedures for proper closeout of the Agreement.

1. By signing and submitting this proposal, the prospective lower tier participant is providing the certification set out below and agrees to comply with the requirements of 2 CFR Parts 180, 1200 and 1326.
2. The certification in this clause is a material representation of fact upon which reliance was placed when this transaction was entered. If it is later determined that the prospective lower tier participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal government, the department or agency with which this transaction originated may pursue available remedies, including suspension or debarment.
3. The prospective lower tier participant shall provide immediate written notice to the person to which this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
4. The terms covered transaction, civil judgment, debarment, suspension, ineligible, participant, person, principal, and voluntarily excluded, as used in this clause, are defined in 2 CFR Parts 180, 1200 and 1326. You may contact the person to whom this proposal is submitted for assistance in obtaining a copy of those regulations.
5. The prospective lower tier participant agrees by submitting this proposal that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is proposed for debarment under 48 CFR Part 9, Subpart 9.4, debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency with which this transaction originated.
6. The prospective lower tier participant further agrees by submitting this proposal that it will include the clause titled "Instructions for Lower Tier Participant Certification" including the "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion-Lower Tier Covered Transaction," without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions and will require lower tier participants to comply with 2 CFR Parts 180 and 1200.
7. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not proposed for debarment under 48 CFR Part 9, Subpart 9.4, debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant is

responsible for ensuring that its principals are not suspended, debarred, or otherwise ineligible to participate in covered transactions. To verify the eligibility of its principals, as well as the eligibility of any prospective lower tier participants, each participant may, but is not required to, check the System for Award Management Exclusions website (<https://www.sam.gov>).

8. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.

9. Except for transactions authorized under paragraph 5 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is proposed for debarment under 48 CFR Part 9, Subpart 9.4, suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal government, the department or agency with which this transaction originated may pursue available remedies, including suspension or debarment.

**AUDIT REQUIREMENTS

FINANCIAL ASSISTANCE**

The administration of resources awarded, by the Department of Management Services (Department) to the Grantee may be subject to audits and/or monitoring by the Department, as described in this section.

MONITORING

In addition to reviews of audits conducted in accordance with 2 CFR 200, Subpart F - Audit Requirements, and section 215.97, Florida Statutes (F.S.), as revised (see AUDITS below), monitoring procedures may include, but not be limited to, on-site visits by Department staff, limited scope audits as defined by 2 CFR §200.425, or other procedures. By entering into this agreement, the Grantee agrees to comply and cooperate with any monitoring procedures or processes deemed appropriate by the Department. In the event the Department determines that a limited scope audit of the Grantee is appropriate, the Grantee agrees to comply with any additional instructions provided by Department staff to the Grantee regarding such audit. The Grantee further agrees to comply and cooperate with any inspections, reviews, investigations, or audits deemed necessary by the Chief Financial Officer (CFO) or Auditor General.

AUDITS

Part I: Federally Funded

This part is applicable if the Grantee is a state or local government or a nonprofit organization as defined in 2 CFR §200.90, §200.64, and §200.70.

1. A grantee that expends \$750,000 or more in federal awards in its fiscal year must have a single or program-specific audit conducted in accordance with the provisions of 2 CFR 200, Subpart F - Audit Requirements. EXHIBIT 1 to this form lists the federal resources awarded through the Department by this agreement. In determining the federal awards expended in its fiscal year, the Grantee shall consider all sources of federal awards, including federal resources received from the Department. The determination of amounts of federal awards expended should be in accordance with the guidelines established in 2 CFR §§200.502-503. An audit of the Grantee conducted by the Auditor General in accordance with the provisions of 2 CFR §200.514 will meet the requirements of this Part.
2. For the audit requirements addressed in Part I, paragraph 1, the Grantee shall fulfill the requirements relative to auditee responsibilities as provided in 2 CFR §§200.508-512.
3. A grantee that expends less than \$750,000 in federal awards in its fiscal year is not required to have an audit conducted in accordance with the provisions of 2 CFR 200, Subpart F - Audit Requirements. If the Grantee expends less than \$750,000 in federal awards in its fiscal year and elects to have an audit conducted in accordance with the provisions of 2 CFR 200, Subpart F - Audit Requirements, the cost of the audit must be paid from non-federal resources (i.e., the cost of such an audit must be paid from Grantee resources obtained from other than federal entities).

Part II: State Funded

In determining the state financial assistance expended in its fiscal year, the Grantee shall consider all sources of state financial assistance, including state financial assistance received from the

Department, other state agencies, and other nonstate entities. State financial assistance does not include federal direct or pass-through awards and resources received by a nonstate entity for federal program matching requirements.

1. For the audit requirements addressed in Part II, paragraph 1, the Grantee shall ensure that the audit complies with the requirements of section 215.97(8), F.S. This includes submission of a financial reporting package as defined by section 215.97(2), F.S., and Chapters 10.550 (local governmental entities) and 10.650 (nonprofit and for-profit organizations), Rules of the Auditor General.
2. If the Grantee expends less than \$750,000 in state financial assistance in its fiscal year (for fiscal years ending June 30, 2017, or thereafter), an audit conducted in accordance with the provisions of section 215.97, F.S., is not required. If the Grantee expends less than \$750,000 in state financial assistance in its fiscal year and elects to have an audit conducted in accordance with the provisions of section 215.97, F.S., the cost of the audit must be paid from the nonstate entity's resources (i.e., the cost of such an audit must be paid from the Grantee's resources obtained from other than state entities).
