Summary

In 2020, staff applied for a Division of Historical Resources (DHR) Small Matching Grant (SMG) to fund a Historic Properties Survey of A1A. Because the County is a Certified Local Government, matching funds **is not required**. Staff requested \$50,000 to survey historic properties along A1A from Ponte Vedra Beach to Vilano Beach, with an additional focus on the communities of Ponte Vedra Beach and Vilano Beach. In June 2021, DHR notified staff that they had been awarded a SMG for FY 2021 - 2022, for the Historic Properties Survey of A1A. Staff is in the process of completing the Historic Properties Survey of Hastings grant, which DHR awarded to St. Johns County during FY 2020 - 2021.

The Historic Properties Survey of A1A will provide incremental data that can be incorporated into an update of all county-wide historical resources. The last county-wide survey was conducted in 2001 by Environmental Services Inc. The survey excluded the Town of Hastings, City of St. Augustine, and City of St. Augustine Beach. Since the 2001 county-wide survey, there have been areas subjected to updated surveys, which include:

- West Augustine Historical District Assessment Survey (2008): focused on historic properties within five (5) areas identified as potential historic districts.
- Elkton Hastings Historic Farmstead Survey (2009): focused on structures built prior to 1920 in the Elkton Hastings area, excluding incorporated Hastings.
- “One of the most lovely spots I ever feasted my eyes on” Northwest St. Johns County Historical Study and Architectural Survey (2014): focused on the historic and architectural history in northwest St. Johns County, more specifically around the William Bartram Scenic and Historic Highway Corridor.

The project area falls within Districts 4 and 5. The ultimate goal of the historic properties survey will be to update our data incrementally on historic properties throughout St. Johns County. Currently, there are 127 recorded historic resources in District 4 and 94 recorded historic resources in District 5. Updating this data will allow staff to continue fulfilling our responsibilities under the St. Johns County Land Development Code Section 3.01.04.B, which requires the County Administrator to survey, create, and maintain an inventory of known and potential Cultural Resources located within unincorporated St. Johns County.

If the Grantee finds it necessary to request an extension of the Grant Completion Deadline, an Amendment to the Agreement must be executed as per Section 7, and the stipulations in Section 15 must be met.
15. **Extension of the Grant Completion Deadline.** An extension of the completion date must be requested at least thirty (30) days prior to the end of the Grant Period and may not exceed 30 days, unless the Grantee can clearly demonstrate extenuating circumstances: An extenuating circumstance is one that is beyond the control of the Grantee, and one that prevents timely completion of the Project such as a natural disaster, death or serious illness of the individual responsible for the completion of the Project, litigation related to the Project, or failure of the contractor or architect to provide the services for which they were contracted to provide. An extenuating circumstance does not include failure to read or understand the administrative requirements of a grant or failure to raise sufficient matching funds. Changes to the original completion deadline shall be valid only when requested in writing, approved by the Division, and an Amendment to the Agreement has been executed by both parties and attached to the original of this Agreement. The Grantee must provide documentation that a portion of the grant funds and match contributions are encumbered and demonstrate to the satisfaction of the Division that project work is progressing at a rate such that completion is achievable within the extended Grant Period.

19. **Single Audit Act.** Each Grantee, other than a Grantee that is a State agency, shall submit to an audit pursuant to Section 215.97, *Florida Statutes*. See Attachment B for additional information regarding this requirement.
20. **Retention of Accounting Records.** Financial records, supporting documents, statistical records, and all other records including electronic storage media pertinent to the Project shall be retained for a period of five (5) years after the close out of the grant. If any litigation or audit is initiated, or claim made, before the expiration of the five-year period, the records shall be retained until the litigation, audit, or claim has been resolved.
21. **Obligation to Provide State Access to Grant Records.** The Grantee must make all grant records of expenditures, copies of reports, books, and related documentation available to the Division or a duly authorized representative of the State of Florida for inspection at reasonable times for the purpose of making audits, examinations, excerpts, and transcripts.

- 22. Obligation to Provide Public Access to Grant Records.** The Division reserves the right to unilaterally cancel this Agreement in the event that the Grantee refuses public access to all documents or other materials made or received by the Grantee that are subject to the provisions of Chapter 119, *Florida Statutes*, known as the *Florida Public Records Act*. The Grantee must immediately contact the Division's Contract Manager for assistance if it receives a public records request related to this Agreement.
- 23. Investment of Funds Received But Not Paid Out.** The Grantee may temporarily invest any or all grant funds received but not expended, in an interest bearing account pursuant to Section 216.181(16)(b), *Florida Statutes*. Interest earned on such investments should be returned to the Division quarterly, except that interest accrued less than \$100 within any quarter may be held until the next quarter when the accrued interest totals more than \$100. All interest accrued and not paid to the Division, regardless of amount, must be submitted with the Grantee's final Progress Report at the end of the Grant Period.
- 24. Noncompliance with Grant Requirements.** Any Grantee that has not submitted required reports or satisfied other administrative requirements for this grant or other Division of Historical Resources grants or grants from any other Florida Department of State (DOS) Division will be in noncompliance status and subject to the DOS Grants Compliance Procedure. - 25. Accounting Requirements.** The Grantee must maintain an accounting system that provides a complete record of the use of all grant funds as follows:
- a) The accounting system must be able to specifically identify and provide audit trails that trace the receipt, maintenance, and expenditure of state funds;
 - b) Accounting records must adequately identify the sources and application of funds for all grant activities and must classify and identify grant funds by using the same budget categories that were approved in the grant application. If Grantee's accounting system accumulates data in a different format than the one in the grant application, subsidiary records must document and reconcile the amounts shown in the Grantee's accounting records to those amounts reported to the Division.
 - c) An interest-bearing checking account or accounts in a state or federally chartered institution may be used for revenues and expenses described in the Scope of Work and detailed in the Estimated Project Budget.
 - d) The name of the account(s) must include the grant award number;
 - e) The Grantee's accounting records must have effective control over and accountability for all funds, property, and other assets; and

- 26. Availability of State Funds.** The State of Florida's performance and obligation to pay under this Agreement are contingent upon an annual appropriation by the Florida Legislature, or the United States Congress in the case of a federally funded grant. In the event that the state or federal funds upon which this Agreement is

dependent are withdrawn, this Agreement will be automatically terminated and the Division shall have no further liability to the Grantee, beyond those amounts already released prior to the termination date. Such termination will not affect the responsibility of the Grantee under this Agreement as to those funds previously distributed. In the event of a state revenue shortfall, the total grant may be reduced accordingly.

27. **Independent Contractor Status of Grantee.** The Grantee, if not a state agency, agrees that its officers, agents and employees, in performance of this Agreement, shall act in the capacity of independent contractors and not as officers, agents, or employees of the state. The Grantee is not entitled to accrue any benefits of state employment, including retirement benefits and any other rights or privileges connected with employment by the State of Florida.
28. **Grantee's Subcontractors.** The Grantee shall be responsible for all work performed and all expenses incurred in connection with this Agreement. The Grantee may subcontract, as necessary, to perform the services and to provide commodities required by this Agreement. The Division shall not be liable to any subcontractor(s) for any expenses or liabilities incurred under the Grantee's subcontract(s), and the Grantee shall be solely liable to its subcontractor(s) for all expenses and liabilities incurred under its subcontract(s). The Grantee must take the necessary steps to ensure that each of its subcontractors will be deemed to be "independent contractors" and will not be considered or permitted to be agents, servants, joint ventures, or partners of the Division.
29. **Liability.** The Division will not assume any liability for the acts, omissions to act, or negligence of, the Grantee, its agents, servants, or employees; nor may the Grantee exclude liability for its own acts, omissions to act, or negligence, to the Division.
 - a) The Grantee shall be responsible for claims of any nature, including but not limited to injury, death, and property damage arising out of activities related to this Agreement by the Grantee, its agents, servants, employees, and subcontractors. The Grantee, other than a Grantee which is the State or the State's agencies or subdivisions, as defined in Section 768.28, *Florida Statutes*, shall indemnify and hold the Division harmless from any and all claims of any nature and shall investigate all such claims at its own expense. If the Grantee is governed by Section 768.28, *Florida Statutes*, it shall only be obligated in accordance with that Section.
 - b) Neither the state nor any agency or subdivision of the state waives any defense of sovereign immunity, or increases the limits of its liability, by entering into this Agreement.
 - c) The Division shall not be liable for attorney fees, interest, late charges or service fees, or cost of collection related to this Agreement.
 - d) The Grantee shall be responsible for all work performed and all expenses incurred in connection with the Project. The Grantee may subcontract as necessary to perform the services set forth in this Agreement, including entering into subcontracts with vendors for services and commodities; and provided that it is understood by the Grantee that the Division shall not be liable to the subcontractor for any expenses or liabilities incurred under the subcontract and that the Grantee shall be solely liable to the subcontractor for all expenses and liabilities incurred under the subcontract.
30. **Strict Compliance with Laws.** The Grantee shall perform all acts required by this Agreement in strict

conformity with all applicable laws and regulations of the local, state and federal law.

31. **No Discrimination.** The Grantee may not discriminate against any employee employed under this Agreement, or against any applicant for employment because of race, color, religion, gender, national origin, age, pregnancy, handicap or marital status. The Grantee shall insert a similar provision in all of its subcontracts for services under this Agreement.
32. **Breach of Agreement.** The Division will demand the return of grant funds already received, will withhold subsequent payments, and/or will terminate this agreement if the Grantee improperly expends and manages grant funds, fails to prepare, preserve or surrender records required by this Agreement, or otherwise violates this Agreement.
33. **Termination of Agreement.**
 - a) Termination by the Division. The Division will terminate or end this Agreement if the Grantee fails to fulfill its obligations herein. In such event, the Division will provide the Grantee a notice of its violation by letter, and shall give the Grantee fifteen (15) calendar days from the date of receipt to cure its violation. If the violation is not cured within the stated period, the Division will terminate this Agreement. The notice of violation letter shall be delivered to the Grantee's Contract Manager, personally, or mailed to his/her specified address by a method that provides proof of receipt. In the event that the Division terminates this Agreement, the Grantee will be compensated for any work completed in accordance with this Agreement, prior to the notification of termination, if the Division deems this reasonable under the circumstances. Grant funds previously advanced and not expended on work completed in accordance with this Agreement shall be returned to the Division, with interest, within thirty (30) days after termination of this Agreement. The Division does not waive any of its rights to additional damages, if grant funds are returned under this Section.
 - b) Termination for convenience. The Division or the Grantee may terminate the grant in whole or in part when both parties agree that the continuation of the Project would not produce beneficial results commensurate with the further expenditure of funds. The two parties will agree upon the termination conditions, including the effective date, and in the case of partial terminations, the portion to be terminated.
 - c) Termination by Grantee. The Grantee may unilaterally cancel the grant at any time prior to the first payment on the grant although the Department must be notified in writing prior to cancellation. After the initial payment, the Project may be terminated, modified, or amended by the Grantee only by mutual agreement of the Grantee and the Division. Request for termination prior to completion must fully detail the reasons for the action and the proposed disposition of the uncompleted work.
34. **Preservation of Remedies.** No delay or omission to exercise any right, power, or remedy accruing to either party upon breach or violation by either party under this Agreement, shall impair any such right, power or remedy of either party; nor shall such delay or omission be construed as a waiver of any such breach or default, or any similar breach or default.
35. **Non-Assignment of Agreement.** The Grantee may not assign, sublicense nor otherwise transfer its rights, duties or obligations under this Agreement without the prior written consent of the Division, which consent shall

not unreasonably be withheld. The agreement transferee must demonstrate compliance with the requirements of the Project. If the Division approves a transfer of the Grantee's obligations, the Grantee shall remain liable for all work performed and all expenses incurred in connection with this Agreement. In the event the Legislature transfers the rights, duties, and obligations of the Division to another governmental entity pursuant to Section 20.06, *Florida Statutes*, or otherwise, the rights, duties, and obligations under this Agreement shall be transferred to the successor governmental agency as if it was the original party to this Agreement.

- 36. Required Procurement Procedures for Obtaining Goods and Services.** The Grantee shall provide maximum open competition when procuring goods and services related to the grant-assisted project. Procurement documentation supporting maximum open competition must be submitted to the Division for review and approval prior to execution of project contracts.
- a) **Procurement of Goods and Services Not Exceeding \$35,000.** The Grantee must use the applicable procurement method described below:
1. Purchases Up to \$2,500: Procurement of goods and services where individual purchases do not exceed \$2,500 may be conducted at the Grantee's discretion using good purchasing practices in accordance with Rule 60A-1.002, *Florida Administrative Code*.
 2. Purchases or Contract Amounts Between \$2,500 and \$35,000: Goods and services costing between \$2,500 and \$35,000 require informal competition such as written quotations and informal bids and may be procured by purchase order, acceptance of vendor proposals or other appropriate procurement document in accordance with Rule 60A-1.002, *Florida Administrative Code*.
- b) **Procurement of Goods and Services Exceeding \$35,000.** Goods and services costing over \$35,000 may be procured by either Formal Invitation to Bid, Request for Proposals or Invitation to Negotiate and may be procured by purchase order, acceptance of vendor proposals or other appropriate procurement document in accordance with Chapter 287, *Florida Statutes*.
- 37. Conflicts of Interest.** The Grantee hereby certifies that it is cognizant of the prohibition of conflicts of interest described in Sections 112.311 through 112.326, *Florida Statutes*, and affirms that it will not enter into or maintain a business or other relationship with any employee of the Department of State that would violate those provisions. The Grantee further agrees to seek authorization from the General Counsel for the Department of State prior to entering into any business or other relationship with a Department of State Employee to avoid a potential violation of those statutes.
- 38. Binding of Successors.** This Agreement shall bind the successors, assigns and legal representatives of the Grantee and of any legal entity that succeeds to the obligations of the Division of Historical Resources.
- 39. No Employment of Unauthorized Aliens.** The employment of unauthorized aliens by the Grantee is considered a violation of Section 274A (a) of the Immigration and Nationality Act. If the Grantee knowingly employs unauthorized aliens, such violation shall be cause for unilateral cancellation of this Agreement.
- 40. Severability.** If any term or provision of the Agreement is found to be illegal and unenforceable, the remainder will remain in full force and effect, and such term or provision shall be deemed stricken.
- 41. Americans with Disabilities Act.** All programs and facilities related to this Agreement must meet the

standards of Sections 553.501-553.513, *Florida Statutes*, and the Americans with Disabilities Act of 1990 as amended (42 U.S.C. 12101, *et seq.*), which is incorporated herein by reference.

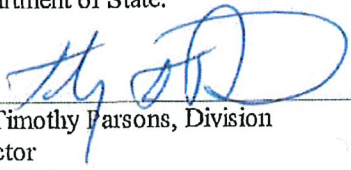

42. **Governing Law.** This Agreement shall be construed, performed, and enforced in all respects in accordance with the laws and rules of Florida. Venue or location for any legal action arising under this Agreement will be in Leon County, Florida.

FLORIDA SINGLE AUDIT ACT REQUIREMENTS

AUDIT REQUIREMENTS

The administration of resources awarded by the Department of State to the Grantee may be subject to audits and/or monitoring by the Department of State as described in this Addendum to the Grant Award Agreement.

MONITORING

In addition to reviews of audits conducted in accordance with 2 CFR 200, Subpart F - Audit Requirements, and section 215.97, Florida Statutes (F.S.), as revised (see AUDITS below), monitoring procedures may include, but not be limited to, on-site visits by Department of State staff, limited scope audits as defined by 2 CFR §200.425, or other procedures. By entering into this agreement, the recipient agrees to comply and cooperate with any monitoring procedures or processes deemed appropriate by the Department of State. In the event the Department of State determines that a limited scope audit of the recipient is appropriate, the recipient agrees to comply with any additional instructions provided by Department of State staff to the recipient regarding such audit. The recipient further agrees to comply and cooperate with any inspections, reviews, investigations, or audits deemed necessary by the Chief Financial Officer (CFO) or Auditor General.

AUDITS

Part I: Federally Funded

This part is applicable if the recipient is a state or local government or a nonprofit organization as defined in 2 CFR §200.90, §200.64, and §200.70.

EXHIBIT 1 to this agreement lists the federal resources awarded through the Department of State by this agreement. In determining the federal awards expended in its fiscal year, the recipient shall consider all sources of federal awards, including federal resources received from the Department of State. The determination of amounts of federal awards expended should be in accordance with the guidelines established in 2 CFR §§200.502-503. An audit of the recipient conducted by the Auditor General in accordance with the provisions of 2 CFR §200.514 will meet the requirements of this Part.
2. For the audit requirements addressed in Part I, paragraph 1, the recipient shall fulfill the requirements relative to auditee responsibilities as provided in 2 CFR §§200.508-512.
3. A recipient that expends less than \$750,000 in federal awards in its fiscal year is not required to have an audit conducted in accordance with the provisions of 2 CFR 200, Subpart F - Audit Requirements. If the recipient expends less than \$750,000 in federal awards in its fiscal year and elects to have an audit conducted in accordance with the provisions of 2 CFR 200, Subpart F - Audit Requirements, the cost of the audit must be paid from non-federal resources (i.e., the cost of such an audit must be paid from recipient resources obtained

Summary

In 2020, staff applied for a Division of Historical Resources (DHR) Small Matching Grant (SMG) to fund a Historic Properties Survey of A1A. Because the County is a Certified Local Government, matching funds is not required. Staff requested \$50,000 to survey historic properties along A1A from Ponte Vedra Beach to Vilano Beach, with an additional focus on the communities of Ponte Vedra Beach and Vilano Beach. In June 2021, DHR notified staff that they had been awarded a SMG for FY 2021 - 2022, for the Historic Properties Survey of A1A. Staff is in the process of completing the Historic Properties Survey of Hastings grant, which DHR awarded to St. Johns County during FY 2020 - 2021.

The Historic Properties Survey of A1A will provide incremental data that can be incorporated into an update of all county-wide historical resources. The last county-wide survey was conducted in 2001 by Environmental Services Inc. The survey excluded the Town of Hastings, City of St. Augustine, and City of St. Augustine Beach. Since the 2001 county-wide survey, there have been areas subjected to updated surveys, which include:

- West Augustine Historical District Assessment Survey (2008): focused on historic properties within five (5) areas identified as potential historic districts.
- Elkton Hastings Historic Farmstead Survey (2009): focused on structures built prior to 1920 in the Elkton Hastings area, excluding incorporated Hastings.
- "One of the most lovely spots I ever feasted my eyes on" Northwest St. Johns County Historical Study and Architectural Survey (2014): focused on the historic and architectural history in northwest St. Johns County, more specifically around the William Bartram Scenic and Historic Highway Corridor.

The project area falls within Districts 4 and 5. The ultimate goal of the historic properties survey will be to update our data incrementally on historic properties throughout St. Johns County. Currently, there are 127 recorded historic resources in District 4 and 94 recorded historic resources in District 5. Updating this data will allow staff to continue fulfilling our responsibilities under the St. Johns County Land Development Code Section 3.01.04.B, which requires the County Administrator to survey, create, and maintain an inventory of known and potential Cultural Resources located within unincorporated St. Johns County.
