**COMMUNITY DEVELOPMENT BLOCK GRANT
SUBRECIPIENT AGREEMENT BETWEEN
ST. JOHNS COUNTY AND
ALPHA-OMEGA MIRACLE HOME, INC.**

THIS AGREEMENT is entered into this ____ day of _____, 2022, between St. Johns County, a political subdivision of the state of Florida (the County) and Alpha Omega Miracle Home, Inc., a Florida not-for-profit corporation (the Subrecipient), whose principal place of business is located at 2860 Collins Ave., St. Augustine, Florida 32084. The County and the Subrecipient may be referred to individually as “the Party” or collectively as “the Parties”.

WHEREAS, the County has applied for and received funds from the United States Government through the Community Development Block Grant (CDBG) program under Title I of the Housing and Community Development Act of 1974, as amended; and

WHEREAS, as a condition of receiving CDBG funding, the United States Department of Housing and Urban Development (HUD) requires the County to adopt a Five-Year Consolidated Plan (the Consolidated Plan) that sets forth the County’s community development goals; and

WHEREAS, the Consolidated Plan’s primary community development goal is to develop viable communities by providing decent housing, a suitable living environment, and expanding economic opportunities, primarily for persons of low to moderate income; and

WHEREAS, the St. Johns County Board of County Commissioners (the Board) approved the 2020-2021 Action Plan certifying the County’s compliance with CDBG regulations and specifying projects to be funded with CDBG funds; and

WHEREAS, the Subrecipient submitted an application for CDBG funding to the County for the purpose of acquiring funds to be used for providing infrastructure (fully functioning sewer and water lines installation) to benefit low to moderate income households (the Project); and

WHEREAS, the County approved the Project as an amendment to the 2020-2021 Action Plan; and

WHEREAS, the County finds that the Project will further the goals of the 2016-2020 Consolidated Plan,

NOW THEREFORE, in consideration of the terms set forth below, the sufficiency and receipt of which are hereby acknowledged, the Parties agree as follows:

1. Scope of Service

- A. Activities.** The Subrecipient shall perform the activities outlined in Exhibit A, the contents of which are incorporated into this Agreement. Specifically, the Subrecipient shall use CDBG funds for the construction and installation of approximately 500 feet of fully functioning sewer lines and water line connections, and an onsite lift station, as more fully described in Exhibit A. The purpose of these activities are to provide infrastructure utilities to two detached single-family houses, one of which serves as the administrative offices being temporarily used by the Subrecipient to provide essential services. Future project plans include converting the current

administrative offices into a daycare center and the construction of a community care center, both for the provision of services to low and moderate income (“LMI”) persons. The Community Care Center will consist of the following: the 1st story will be utilized for a reception area; blessing closet for residents and the local community; for diapers, wipes, formula, baby food and baby items; as well as Case Management, Mental Health Counseling, and Life Skills Classes. This will also be where the community can come for vouchers for clothing and household items from the Thrift Store. The goal is to have the center built as a Hurricane shelter for the residents and avoid putting a burden on the other shelters in the County. In addition, this activity will benefit an affordable housing campus that will provide approximately 29 units of affordable rental housing for homeless, and LMI individuals or households as defined in 24 CFR 570.3

- B. National Objectives.** All activities funded with CDBG funds must meet one of the following CDBG program National Objectives:
- i. Benefit low- and moderate-income persons;
 - ii. Aid in the prevention of slums or blight; or
 - iii. Meet community development needs having a particular urgency, as defined in 24 CFR 570.208.

The Subrecipient certifies that the activities carried out under this Agreement will benefit low- and moderate-income persons by providing affordable rental housing to low- or moderate-income individuals or households as defined in 24 CFR 570.3.

- C. Goals and Performance Measures.** The Subrecipient shall provide the level infrastructure installation, and program services set forth in Exhibit A.
- D. Performance Monitoring.** The County will monitor the performance of the Subrecipient against goals and performance standards as set forth in Exhibit A. In the event of default, lack of compliance or failure to perform on the part of the Subrecipient, the County reserves the right to exercise corrective or remedial actions, including, but not limited to:
- i. Requesting additional information from the Subrecipient to determine reasons for or extent of noncompliance or lack of performance;
 - ii. Issuing a written warning advising the Subrecipient of the deficiency and advising the Subrecipient that more serious sanctions may be taken if situation is not remedied;
 - iii. Advising the Subrecipient to suspend, discontinue or not incur costs for the items in question;
 - iv. Withholding payment; or
 - v. Requiring the Subrecipient to reimburse the County for the amount of costs incurred for any items determined ineligible.

If action to correct such substandard performance is not taken by the Subrecipient within a reasonable period of time after being notified by the County, contract suspension or termination procedures will be initiated.

2. Time of Performance

Unless otherwise provided herein or by a supplemental agreement or amendment, the provisions of this Agreement will remain in effect through September 1, 2039. The term of performance shall commence upon execution of this Agreement. Notwithstanding the foregoing, the term of this Agreement shall be extended to cover any additional time period during which the Subrecipient remains in control of CDBG funds or other CDBG assets, including program income.

3. Budget

CDBG funds will be used to pay for the following:

Approximately 500 LF of sewer and water lines (AOMH onsite)	\$201,264.00
Lift Station	\$250,000.00
The amounts previously mentioned are approximate estimates with the total amount to be no greater than the full allotment.	
Total	\$451,264.00

Any indirect costs charged must be consistent with the provisions of paragraph 8.C(ii) of this Agreement. Should the County require a more detailed budget than the one set forth above, the Subrecipient shall provide supplementary budget information in a timely fashion in the form and content prescribed by the County. Any amendments to the budget must be approved in writing by both the County and the Subrecipient.

4. Payment

It is expressly agreed and understood that the total amount to be paid by the County under this Agreement shall not exceed \$451,264.00. Payment shall be made on a reimbursement basis, subrecipient shall submit invoices for approved activities. Activities paid for with CDBG funds, as well as activities paid for with other funding sources are subject to the procurement regulations stated in Section 8. D. of this Agreement.

It is strictly understood that Subrecipient is not entitled to the above-referenced amount of compensation. Rather, Subrecipient's compensation is based on the Subrecipient performance of the activities set forth in Exhibit A. Subrecipient's compensation is dependent upon satisfactory completion and delivery of all work product and deliverables set forth in this Agreement.

The source of funding from the County for payment under this Agreement is the 2020-2021 CDBG Entitlement funds provided to the County by HUD. The Subrecipient agrees that in the event that any grant is reduced or withheld by HUD, the County may terminate this Agreement. In the event that HUD determines that the Subrecipient has not fulfilled its obligations in accordance with the requirements applicable to the grant and/or requests reimbursement from County of expenses paid under this Agreement, Subrecipient shall provide said reimbursement to County from non-Federal sources.

This Agreement is neither a general obligation of the County, nor is it backed by the full faith and credit of St. Johns County. Payment of each grant payment is conditioned on, and subject to, specific annual appropriations by the Board of County Commissioners of funds sufficient to pay the grant payment due that year. Nothing in this Agreement shall create any obligation on the part of the Board of County Commissioners to appropriate such funds during any given fiscal year.

It is strictly understood that Grantee is fully responsible for completing the onsite and offsite infrastructure installation project. In addition, the Grantee is responsible for any additional funding necessary, not covered by CDBG Entitlement funds, to complete the onsite infrastructure project phase and be fully operational. Alpha Omega Miracle Home, Inc. shall provide evidence that the total project cost will be covered by a combination of public funds and any additional funds necessary provided by Alpha Omega Miracle Home, Inc.

The Subrecipient further agrees to utilize funds available under this Agreement to supplement rather than supplant funds otherwise available.

Nothing contained in this Agreement is intended to, or shall be construed in any manner, as creating or establishing the relationship of employer/employee between the parties. The Subrecipient shall at all times remain an independent contractor with respect to the services to be performed under this Agreement. As such, neither the Subrecipient, not any employees, agents, officials, servants, or subcontractors of the Subrecipient shall be eligible for any benefits afforded employees or officials of the County, including but not limited to unemployment compensation, FICA, retirement, life, or medical insurance, and worker's compensation insurance. - i. The County or the Subrecipient may amend this Agreement at any time provided that such amendments make specific reference to this Agreement, are executed in writing, and are signed by a duly authorized representative of each Party. However, if in the case of a partial termination, the County determines that the remaining portion of the award will not accomplish the purpose for which the award was made, the County may terminate the award in its entirety. Termination for convenience shall not apply to provisions in this Agreement relating to the repayment of funds, compliance with laws, regulations or ordinances, records retention, or the provision of service to low and moderate income persons or other specified beneficiaries.

G. Natural Disaster. In the event of a natural disaster, this Agreement may be suspended or terminated and funds transferred to recovery activities as determined by the County. The Subrecipient will submit this annual agency audit to the County by June 30 of each year.
